Again circus producer extraordinaire Tarzan Zerbini has assembled an outstanding cast of performers. Here is just a sample of some of this year's acts:

- Electrifying Acrobats performing mid-air maneuvering...an energetic and exciting exhibition.
- The return of PIOLITA, one of the world's wackiest clowns.
- It's a Small World – a little horsing around with our four-legged friends.
- Astounding Aerial Artistry featuring awesome actions and daring dexterity.
- The Wheel of Space – defying all laws of gravity.
- A Juggling Jubilee – a masterful manipulator of the mundane.
- Ponderous Performing Pachyderms. These Mighty Magnificent Mastodons, in an awe-inspiring performance are perennial circus favourites.
- Elephant rides and much more....

This is truly a show for the entire family!

So come out one and all and join our circus for a day? Be a part of all the family fun and excitement, you'll love it!

The only thing remaining is to say, "On with the show"!
