Potentate's Message

It seems like only a short time ago we were all looking forward to a great 2010 summer.

However "Mother Nature" decided to provide us with a few surprises. We are glad to hear that while there were some inconveniences we all came out on the bright side.

Summer is a special time for all Shriners as it is the time we can dispense with meetings and minutes and get into our communities and display our Fez and Shrine apparel. As our fraternity, Shriners International, evolves we are emphasizing the family more and more. Summer is a time when we can hold picnics, have family members join us on fundraising projects and, while members take part in parades, our families provide that special support along the parade routes.

As for activities this summer the annual Circus kicked off our community visibility in grand style. We want to thank all the Nobles and Ladies who work so hard each year to make the Circus a success. This year a special thank you must go out to the Moose Jaw Shrine Club who held their first, and very successful, "Children's Festival". Our Ceremonial this year welcomed twenty-one new members and their Ladies to WA WA Shriners. The Ceremonial also went to

the Legislative Grounds and the units displayed their talents. We were fortunate to have Dr. Francois Fassier, Chief Medical Officer of SHC Canada, speak to everyone on Friday evening.

Summer also kicks off the numerous parades throughout the province. The parades provide us a valuable opportunity to remind the communities of our presence and a thank you to them for their support throughout the year. Each July the Imperial Council holds the Annual Sessions and this year was no exception. A big "feztastic" shout goes out to the Drum Corps who travelled to Toronto with their ladies. The band opened both the business session and was the lead band for the Imperial Potentate's Pageant. Besides these performances the band also took part in the major parade. Shriners International definitely now knows of WA WA Shriners. A big thank ou goes out to Noble Al Stickney and the Saskatoon Shrine Club for hosting our Annual Golf Tournament. In August two units and their ladies, the Drill Corps and the Pipes and Drums, travelled to Sioux City, Iowa for the Mid-West Shrine Association Summer Session. Also attending MSA were some members of the Divan and Past Potentates.

Congratulations to all Clubs who held successful fundraisers this summer. But we still need your assistance with the 2011 Cash Calendar project. The calendar looks great and this project allows

each club to receive funds from each calendar sold and makes over 300 people happy when they are daily or special day cash winners.

This fall we will welcome Imperial Sir George Mitchell and First Lady Deanna on November 10th and 11th. There will be a special dinner on Thursday November 11th when we combine the Imperial Potentate's visit and the annual President's/Potentate's evening for the Regina Shrine Club. The dinner will be \$30.00 per person and tickets will be available by September 15th from the office or Shrine Club members. In conjunction with the dinner we will be holding the "Five Star Class" which will be a "cold sands" initiation for new members. Please check with your lodge to see if you might have a candidate for that evening. This will be a very special opportunity to have the candidate "fezzed" by Imperial Sir. It is not often that we have a visit by an Imperial Potentate.

I want to personally thank the Clubs and individual Shriners who have buoyed my spirits while going through some health concerns this summer. I am feeling better and looking forward to a much improved fall.

Fraternally,
Ill. Sir Don McDougall
Potentate

An Imperial Session Thank You

July 11, 2010

Ill. Sir Don McDougall
Potentate, WA WA Shriners

Dear Don,

What can I say? It was obvious that the musical talents and contributions of the WA WA Drum Corps were outstanding at the 2010 Imperial

Pageant in Toronto. I personally know that Imp. Sir George Mitchell and his lady Deanna were impressed with your musical talents and presentation skills. As in the matter of live performances, things do not always go as per script. WA WA Shriners stepped up to the plate and performed and adapted like professionals.

Kindly extend my sincere thanks to all the members of your WA WA Shrine Centre.

My sincere thanks,

Brian N. Davenport PP
Pageant Chairman

Recorder's Message

Summer is quickly passing by and parade season is coming to an end. We hope all clubs and units had an enjoyable

and busy time and attended as many functions as possible to wave the flag for the Shrine. Visibility is important for all aspects of the Shrine.

Since the last issue of the Warblings several functions have occurred. A Stated Session was held May 12th followed by Ceremonial in Regina June 11th, 12th and 13th. July 2 – 9 the 136th Imperial Session was held in Toronto. It was very informative and enjoyable for all-- especially if you like hot, muggy weather. MSA Summer Session was recently hosted by Abu Bekr Temple in Sioux City, Iowa. Thank you to those Units, Nobles and Ladies who took part in these functions to provide a WA WA presence.

We have survived another Circus tour through the province. By all reports the Circus was well received by all and quite successful. Thanks to all Nobles, Ladies and in some cases friends and family for carrying out the many jobs required to host this event. It could not be done without you and it is one of the major fundraisers for WA WA. Well done, all!

As always Membership is high on our list of priorities. At Ceremonial eighteen candidates, representing five different Shrine Clubs, were initiated into the Shrine. Congratulations to those clubs for a job well done and welcome to those new Nobles and their Ladies. Membership is a matter vital to the life of the Shrine in general and WA WA in particular. Please keep up the recruiting effort. Another Cold Sands for initiation is being planned for November 11th to be held in conjunction with the Regina Shrine Club President's/Potentate's night. Please forward your New Candidate information as soon as possible to be included in this Cold Sands.

Imperial Sir George A. Mitchell and Lady Deanna will be visiting WA

WA to coincide with the Regina Shrine Club President's/Potentate's night on November 11. This is sure to be an interesting and memorable evening. Make plans now to attend this event as it is rare that we are so honoured.

As we said in the last issue of the Warblings we are undergoing some changes in the office computer system. Those changes are still in progress with more on the way.

Unfortunately there is still the issue of outstanding dues. For those, who through some oversight or pre-occupation have yet to pay their 2010 membership dues, please do so as soon as possible. This can be done by cheque or by simply phoning the office and using your Visa or MasterCard. The office can be contacted at 569-2294 or toll free at 1-866-699-9292.

The next Stated Session is scheduled for November 9th. Hope to see many of you there.

*Yours in the Faith,
Noble Don Capewell

136th Imperial Council Sessions

Toronto July 4-8

Each year the Imperial Council holds sessions where resolutions are discussed and voted upon. These resolutions deal with the operation of the Fraternity (Iowa Corporation) and the Hospitals (Colorado Corporation). These sessions allow Nobles to present resolutions either in person or through temple representatives. Your representatives are elected each January and attend the meetings on behalf of the members of our temple.

This year some important votes were taken to create two new temples. The newest temples are **Al Rai'e Saleh** Shriners in Puerto Rico and **Mabuhay** Shriners in the Philippines.

Another resolution which passed unanimously was the renaming of our fraternity to be called **Shriners International**. A number of other housekeeping matters were discussed. There is usually much discussion and not all resolutions presented are passed.

Also at these sessions there is the installation of the incoming Imperial Potentate and the officers of the Imperial Council. This year's Imperial Sir's pageant took on a special theme for Imperial Sir George Mitchell. A jungle motif covered the

stage and the strains of "George, George of the jungle" filled the auditorium. Besides the music and dancing the Canadian temple Potentates and their ladies made a special presentation of a Canadian Flag that had flown over the parliament buildings in Ottawa and an engraved tray to Lady Deanna and Imperial Sir George Mitchell.

In the afternoon of the third day there is a report of the Public Relations Committee which this year stated that the Committee has received eleven letters seeking information about the formation of temples from around the world. A very special part of the report features the young patients that will be ambassadors during the upcoming year.

The sessions conclude on the fourth day with further resolutions and votes. If there are items that you believe should receive attention then contact our Recorder and he will explain how these can be passed at stated sessions and how they can be forwarded to the Imperial Council.

THE IMPERIAL SIR'S VISIT

Imperial Sir George A. Mitchell will be visiting WA WA on Thursday, November 11th. As George would say, "Isn't that Feztastic!"

We are planning a dinner in his honour. With the full cooperation of the Regina Shrine Club, we are going to be hosting the Imperial Sir and his Lady, Deanna, at the RSC's President's and Potentate's Night.

"Membership is the 'heart' of the Shrine" is the theme that the Mitchells have chosen for their year. Therefore, we will be having a special 5 Star cold sands initiation that evening. These new candidates will have the distinction of being fezzed by Imperial Sir George Mitchell. What a wonderful remembrance of the beginning of their Shrine journey.

We would like to have at least one new member from each Club in WA WA. Due to time constraints, only Masons or those raised by that date, will be able to take advantage of this great opportunity. We are asking each of you to make an effort to encourage someone in your area to become a Shriner in November.

Newly created Nobles will have their 2011 dues covered by their \$200 initiation fee. Also, the dinner for the new Noble and his Lady will be complimentary.

We hope many members of the Clubs will be able to attend, especially to support their new candidate(s). More details will follow.

Shriners International

George A. Mitchell

2010-11 Imperial Potentate

During the 2010 Imperial Council Session, held in Toronto July 4-8, George A. Mitchell of Jordan Station, Ontario, Canada, was elected Imperial Potentate of Shriners International, making him the highest-ranking Shriner in the world. In this role, he serves as President of the Board of Directors for Shriners International and Chairman of the Board of Directors for Shriners Hospitals for Children®.

Mitchell is the president and owner of Mitchell's Bunsmaster Bakery and Deli and Maple Leaf Investments, and was involved in the motel business and real estate development for several years. He attended St. Catharine's Collegiate and Vocational School and majored in business at Niagara College. He is a member of St. Catharine's Business Club and a Kentucky Colonel of Niagara.

Mitchell served as Potentate of Rameses Shriners in 1997 and is a life-member of several Shriners clubs. He is an emeritus member of the Board of Governors of Shriners Hospitals for Children® — Erie and is a former Chairman of the Membership, Budget, Investment, Protocol, Insurance and Ritual committees. He has also served on the Special Purpose Funds/Fundraising Evaluation Committee and the Strategic Planning Committee.

His Masonic affiliations include Adanac Lodge #614, the Scottish Rite and York Rite bodies, Knights Templar, the Cabiri and the National Sojourners, Milwaukee Chapter #27. He is a Past Master of the Lodge of Perfection #616 and a member of Seymour York Rite College #185. Mitchell is also an honorary member of the Order of International Supreme Council of DeMolay International.

Mitchell's theme for this year is "Isn't it great to be a Shriner? It's Feztastic!" The idea is to emphasize how special and exciting it is to be a member of Shriners International. By joining the fraternity, men become a part of a unique group that is dedicated to improving themselves as husbands, fathers, friends, professionals, community members and citizens of the world. With enthusiasm and hard work, they can expand the fraternity and continue their good deeds for many years to come.

First Lady Deanna's Program Supports Shriners International Membership

Deanna Mitchell
2010-2011 First Lady
Shriners International

First Lady Deanna Mitchell's fundraising program "Membership – The Heartbeat of the Shrine," aims to increase the membership of Shriners International.

Today, there are approximately 340,000 Shriners belonging to 193 temples around the world. Although the background and interests of Shriners are diverse, they are bound together by their commitment to family, personal growth and their philanthropy, Shriners Hospitals for Children®.

"Since the fraternity opened the doors of its first Shriners Hospitals for Children® in 1922, Shriners have contributed greatly to the health care system through their fundraising and volunteer efforts," First Lady Deanna said. "For that reason, I think expanding Shriners International is one of the most important things we can do for the children."

Proceeds from this yearlong initiative will be used to support new and ongoing efforts to recruit and retain members. An example of one such effort is beashrinernow.com, a Web site where interested men can learn about Freemasonry and Shriners International. The site includes an historical overview and information about the Shriners organization. It explains the connection between the fraternity and Shriners Hospitals for Children®, and includes a tour of one of our hospitals, patient success stories and hospital locations.

Another Web-based effort designed to help existing members stay involved and interested in our organization is Shriners Village. The site is a new Web community created exclusively for Shriners. Fraternity members can visit www.shrinersvillage.com to read the latest news, features and events from Shriners International and Shriners Hospitals for Children®, watch videos and download education and temple-related business materials.

Other exciting efforts include the Membership Development Specialists (MDS) program, which consists of a team of 30 Shriners who have demonstrated talents for building relationships and promoting activity in Shriners International. Each specialist works with five or six temples to help them reach their individual membership goals.

As First Lady Deanna makes her visits throughout the Imperial Year, she asks that in lieu of personal gifts, nobles and ladies make a donation to "Membership – The Heartbeat of the Shrine." With each donation of \$30, they will receive their choice of a beautiful two-tone bracelet for the ladies, or a handsome gentleman's tie featuring images of children and hearts.

Completed order forms may be given to the First Lady. Order forms, along with donations made payable to Shriners Hospitals for Children, can also be mailed to Shriners International Headquarters, First Lady's Program, Membership Department, P.O. Box 31356, Tampa, FL, 33631.

Additional order forms and return envelopes can be obtained from the membership department at Shriners International Headquarters by calling (800) 537-4746 or by sending an e-mail to membership@shrinenet.org.

Donations to the program can also be made online at www.shrinershq.org/ShrinersHQ/FirstLadyDeannaProgram.aspx

CONTRIBUTIONS (OR GIFTS) TO SHRINERS INTERNATIONAL ARE NOT DEDUCTIBLE AS CHARITABLE CONTRIBUTIONS FOR FEDERAL INCOME TAX PURPOSES.

Shriners move ahead with Montreal hospital

CBC News—*Shriners Hospitals for Children* says it is moving forward with plans to replace its existing hospital in Montreal with a larger facility.

The Shriners Children's Hospital in Montreal is seen here in 2005, its 80th year. (Ryan Remiorz/Canadian Press)

The \$100-million hospital will be built on two hectares next door to the Montreal Children's Hospital, part of the McGill University Health Centre in the city's west end. It will replace the current hospital, an 85-year-old facility in dire need of repair on Cedar Avenue at the base of Mount Royal.

Thursday's announcement came after a decade of delays, including a failed bid by the Ontario city of London in 2005 to move the facility there.

There were also allegations that the soil at the planned Montreal site was contaminated. Plans for expansion were also almost entirely derailed by last year's recession.

But Quebec "fought hard to ensure that the hospital stayed at home," the province's health minister, Yves Bolduc, said Thursday.

"The construction project ... is part of the investments we have made to upgrade our infrastructure in the health-care system," Bolduc added in a statement.

"We have known for some time that a new hospital was needed and we have focused our efforts on making this become a reality for our patients" said Gary Morrison, former chairman of the board at Shriners Hospitals for Children Canada.

Hospitals across N. America

Shriners officials said the new hospital, which will include 22 single-patient rooms, four operating rooms and more than 2,300 square metres of research space, is expected to be complete by 2014.

The Shriners, a Masonic fraternity based in Tampa, Fla., operate 22 hospitals, including 20 in the United States and one each in Canada and Mexico.

The hospitals specialize in pediatric orthopedics, burns, spinal cord injuries and cleft lip and palate. The Montreal facility is bilingual and provides elective pediatric orthopedic care.

Former patient Nathalie Cinman of Montreal, who suffers from osteogenesis imperfecta, or brittle bone disease, said she doesn't know "where [she] would be" without the Shriners hospital and welcomes the new facility.

"I maybe wouldn't be healthy enough to speak with you and I think that just eliminating waiting times for children is going to be an amazing thing," Cinman said.

A New Smile For Nikki

Born in China with a severe cleft lip and palate, Nikki was adopted into a loving family here in the U.S. Little did she know, there was a second family waiting: Nikki's new 'family' at Shriners Hospitals for Children®. We were waiting to give Nikki a brand new smile... and what a wonderful smile it turned out to be!

During the summer of 1996 in China, a baby girl was born with a cleft lip and palate. Meanwhile – some 6,000 miles away in Illinois – Al and Janet Gozzola were submitting adoption papers.

Nearly a full year passed before the call came that would connect these three lives forever.

"We left immediately for the [adoption] center," Janet says. "As soon as we arrived, we were shown pictures of our beautiful new daughter and quickly realized that she was born with a severe cleft lip and palate."

The Gozzolas knew there was a chance their baby might have a facial cleft. That was because they made clear on their application they had no problem accepting a child with this type of birth condition – one which is among the most common.

The advance notice gave Janet time to research care options before traveling to China to get Nikki. She looked into many of the hospitals that perform cleft lip and palate surgeries. But after speaking with Mary O'Gara, director of the cleft/craniofacial program at Shriners Hospitals for Children® — Chicago, Janet's mind was made up.

Shriners Hospitals for Children® provided the best medical treatment plan for their daughter for a number of reasons.

"Nikki was already over one year of age and had not had any corrective procedures done yet," Janet explains. "The multi-disciplinary approach of the cleft/craniofacial team outlined exactly what to do and they got to work immediately preparing her for the first surgery."

Typically, babies born with cleft lip and palate undergo

repair surgery when they are between two and four months old. And many will need eight or more operations – surgeries that must be precisely timed as they grow – right up through the age of 18.

So upon returning from China with their new baby girl, the Gozzolas' journey continued, with the cleft/craniofacial team at Shriners Hospitals for Children® — Chicago. They hoped Nikki would quickly recover from her first surgery – a successful operation to repair her cleft lip and palate, and to place ear tubes. Since then she has returned every six months for check-ups, and for an alveolar bone graft to correct her gum line.

Nikki's parents also hoped she would adjust well to the changes. And has she ever! After additional dentistry and tooth capping, Nikki now sports a full set of braces. "Her teeth are gorgeous!" says Janet. In her spare time Nikki can be found drawing, listening to music and spending time with family at their cottage in Wisconsin.

Mom Janet sums it all up, saying "I have comfort in knowing that Nikki will be cared for with compassion and respect for the remainder of our years with Shriners Hospitals for Children®. I know we chose the right hospital for Nikki."

Born in China with a severe cleft lip and palate, Nikki couldn't have surgery until she was over a year old.

HOSPITAL REPORT

Clubs & Patient Trips Booked to Date and Number of trips to hospitals booked

<u>Club</u>	<u>Trips booked</u>	<u>Unit</u>	<u>Patients booked</u>

Total	39		39

Patient files:

Active patient files Jan.1, 2010	69
Current active patient files	74
New patients,	4
No longer patients	
Re-instated.	1

The number of patient trips is down a little from last year but the number of new patients is up and there are several applications pending at this time. At year end I will move a number of patients to the inactive role. If they are over 18 or have not had a trip for 5 years they become inactive and I have not checked files for a while.

If you have any questions or concerns please feel free to contact me. I am also available to travel to clubs if requested.

The new hospital is advancing at a quicker pace now so keep up to date with progress on the internet at www.shrinershospitals.org and go to Canada.

Submitted by

Ill. Sir Brian Donbrook P.P.

WA WA Shriners Hospital Chairman

Donor Relations

In the words of Imperial Sir Ralph W. Semb, Chairman Board of Trustees, Emeritus, Shriners Hospitals for Children,

"The Canadian Hospital in Montreal on the Glen Campus is moving forward. Imperial Sir Jerry Gantt and I, along with Chairman Maxwell and staff have been working hard with McGill, the City of Montreal and the Province of Quebec to get the project underway. However, as you may well expect, the funding will be a key issue as it moves forward.

I am asking you, Ron as a member of WA WA Shrine Center, to help us get

this Capital Campaign for the Canadian Hospital the support it needs. This is a request for All Canadians and for those along the US Border who utilize this facility. Your Shrine Centre will be getting a call from Imperial Sir Jerry Gantt and our Donor Development Staff. They will be looking for foundations, charitable organizations and the Provinces who may have any funding. Please help us raise as much money as possible, so that we can help offset the cost of this construction without endangering our present endowment fund."

I am sure that all Shriners in the Province of Saskatchewan have been wait-

ing for this great news. Imperial Sir Ralph is asking each and every one of us to be a part of this huge fundraising program. Individuals, foundations, charitable organizations, private companies, corporations and Governments are being asked to be a part of this project. I encourage everyone to do his part in this project; donate if you can, encourage others, even though they may not be Shriners, to become involved. We will keep you informed as more information becomes available.

Noble Ron McEachern

Making an Online Donation to Shriners Hospitals for Children

Did you know you can make donations on the Shriners Hospitals for Children Web site? Giving online is simple and offers many options, including the opportunity to:

- Designate your gift to a specific hospital.
- Give a tribute gift in honor or memory of someone special.
- Make a monthly contribution, or make an ongoing, annual commitment through the Annual Gift Campaign.
- Credit your donation to your temple.

To make an online donation, follow this step-by-step process.

1. Visit the giving section of the Shriners Hospitals for Children Web site at www.donate2shc.org.

There, you'll find information about planned giving opportunities, special campaigns, and other ideas for how you can help support our mission.

2. Click on the "Donate Now" button (located in the left navigation bar or at the top of the page) to go to the secure online donation form. Choose a hospital you would like your donation to be credited to, or choose "Shriners Hospitals for Children" if you would like your donation to be used where it is most needed. Then, enter the amount you would like to donate. If you would like to donate that amount each month, click the "recurring gift" check box. Your gift will be automatically processed each month. You can change the details of your recurring gift at any time.

3. If you would like to make your gift in honor or memory of someone, check the box for honor/memorial donations, and fill out the requested information. You can choose to print a special certificate upon completing the donation process, or request that an acknowledgement of your gift be mailed on your behalf. If you don't want to make a tribute gift, simply click "next" to move on.

4. Enter your name, address and billing information. To make an online gift, you must also enter an e-mail address. At that time, you can choose to receive e-mail communications from Shriners Hospitals for Children, including a monthly e-newsletter with stories about patients, research efforts and more. (Note: If you choose not to receive e-mail communications, you will still receive your donation confirmation via e-mail.)

5. Click "next" and carefully review the transaction summary page. When you are sure you entered everything correctly, click "submit." To avoid multiple charges, click the submit button only once. After your gift has been processed, an e-mail with your gift information will be e-mailed to you for tax purposes.

Shriners Hospitals for Children relies on the generosity of donors – Shriners and the general public – and values your support. If you need further information or help while visiting the Web site, please call the Shriners Hospitals for Children Office of Development at (800) 241-4438.

DRUM CORPS

Summer has been a very busy time for the Corps. Our parade and show season kicked off with the ceremonial in June where we performed our Phantom show in front of the legislature. With a full complement of Corps members it was an awesome show.

There was no time to rest as a few days later we were off to Moose Jaw for their Exhibition parade. Moose Jaw residents turned out in their usual high numbers and gave the Corps a warm welcome all along the parade route. Our thanks to the Moose Jaw Shrine Club for their warm hospitality after the parade.

No sooner had we finished in Moose Jaw when we packed up and left for the Imperial Sessions in Toronto on July 4th. We all had a new experience in travelling with not only our luggage but taking all our

Our Illustrious Sir and other Drum Corps Nobles who were unable to march but led us in the Imperial parade with the assistance of a nice red convertible. Only complaint they all had was that the air conditioning didn't seem to work well.

The full Drum Corps

bulky and sometimes heavy instruments along as check in baggage. The Corps performed our Phantom show for the assembled Nobles just before the start of the official meeting. Then we took part in the Imperial parade in Toronto, which was a very hot one with temperatures nearing 35C and a humidex nearing 44C. While we all made the entire route in the heat, I think we all lost a couple of pounds.

Our thanks to Nobles Howard Louie, Ernie Butts, Bill Heenan and Ken Shaw who, while in Toronto attending the Imperial, agreed to help us out by being flag

bearers for the parade and our show. Also an acknowledgement to Noble Malcolm Gutfriend who, although residing in Ottawa, maintains his connections, and some of his playing ability, with the Drum Corps and was able to join us in Toronto.

The Corps filled the rest of our stay with attendance at a Blue Jays ball game (which unfortunately they lost despite our attendance); a group evening out at the Jersey Boys stage performance which was enjoyed by one and all; sightseeing trips and, of course, the mandatory shopping enjoyed

Toronto Imperial Parade—amazing part is that they are all in step

Nobles Howard Louie, Ernie Butts, Bill Heenan and Ken Shaw who accompanied the Drum Corp to Imperial and were greatly appreciated as flag bearers

by the Ladies. Upon our return from Toronto, we did not have any time off as we had to put some additional practice time into our Phantom show to prepare for our Medicine Hat trip. This was due to the incorporation of some members who were unable to come with us to Toronto (or it could be that we just need the practice). At the Hat we performed our show in the Bands in the Park evening sponsored by the Exhibition committee and again the next day at

the Medicine Hat Shrine Club for the assembled Nobles, Ladies, and the Al Azhar Potentate III Sir Eldon Wells and his Lady Marlene. The Exhibition parade and the next day's Children's parade were truly enjoyable as the entire city turns out for the parades and they give us a warm reception every year. Special thanks to the Medicine Hat Shrine Club for their wonderful hospitality.

We had just returned from Medicine Hat when we were parading once again at the Queen City Exhibition Parade. Again another very hot day but we all made the long parade route albeit very tired at the end. Many thanks to the Regina Shrine Club for lunch and refreshments

Noble Wayne Flatten "jamming" with a fellow bell player from Ramesis temple just before the Corps paraded into the Imperial Public Session.

Not sure who taught who what but it sure sounded neat.

after the parade.

While our season is almost over we are already looking ahead to our floor show for next year which will be something new and exciting for us to learn and for everyone to watch.

Our thanks to Noble Andy Anderson who filled in as Lieutenant in Medicine Hat and at the Queen City Ex Parade. The Corps and all the Ladies extend our wishes for a speedy recovery to our Lieutenant III. Sir Don McDougall. Please

hurry back Don, as our fill-in Lieutenant is really rough on us!

Battlefords Shrine Club

Noble Kevin Monsebroten present a \$5000.00 cheque for the Transportation Fund to Noble Gord Berg & Lady Pat

The Battlefords Shrine Club has been very active this spring and summer. Because of our activities we were able to make a presentation to our Liaison Officer Noble Gord Berg and his Lady in the amount of \$5000.00 for the Pa-

tient Transportation Fund. Pictured here is our President, Noble Dave Dishko making the presentation. Our Circus was busy and we had a good crowd in May. We at-

tended parades in Unity, Battleford, Livelong and North Battleford. All went well except the Battleford parade where the weather caused the complete

cancellation of the parade. We continue to meet on the second Sunday of each month. We are proud to be hosting the annual Shrine Golf next summer. Watch for further information.

PROVINCIAL
CURLING
NOVEMBER 19-21

In other club news, our bicentennial circus on June 1st was very successful. Our scooter unit participated in six community parades this summer. We had two candidates initiated at Ceremonial in Regina in June. The summer golf social was hosted by Noble Reed Gibson and Lady Sylvia at Alameda. Our Liaison Officer, Gord Berg, accompanied by Ill. Sir Dick Gutfriend and Lady Elaine attended the fun event. And finally, and most importantly, our 9 children continue to do well at our Hospital and improve with each visit.

LAST STOP, SIOUXLAND
(5 Days, 5 States)

The Band is now stood-down until the Quarterly Meeting on September 16th. Starting with Band Camp in late April, we made 14 separate appearances, the last three at the MSA in Siouxland. This MSA was uniquely challenging as to travel; North Dakota, Minnesota, South Dakota, Iowa and Nebraska being the States touched. It was also challenging considering the weather in Siouxland, hot and sticky with Cicadas, threatening to drown us out. But in typical Shrine fashion, we persevered with even two of our walking wounded in the last parade, albeit more sore of waving arms than aching feet.

On a sad note, two of our number

made off on the Black Camel. The first rider, Dr. Borden Bachynski, was no doubt our most persistent associate member, an ever-enthusiastic supporter and constant morale builder with his wry sense of humour and brilliant wit.

The second rider was Jack Jameson, CD., QC., aka The Drum Major, the Colonel, or figuratively "The Keeper of the Rules." Jack had a particularly moving funeral at his home church, St. Mary's Anglican. After a well-ordered service, Jack made his exit to the strains of All Blue Bonnets Over the Border rendered by the piper, Noble Don Felstrum. This was followed by the Last

Post, three volleys by the firing party from The Royal Regina Rifle Regiment and Reveille. A fitting send-off to a prominent lawyer, a dedicated churchman, a pillar of our Band and a Great Soldier.

Maybe it's just better media coverage, but the world seems to be suffering from a growing infestation of "rats". You'd think it was permanent Christmas at the garbage dump. The Shrine, as typified by the latest MSA, gives a beacon of hope in this fest of gnawing. Be proud of yourselves, if there ever was an anti-rat organization, you're it!

Summer has quickly come and gone as well as participation in community parades. 2010 was a busy year for the Parkland Unit with the Tri-Wheelers attending 7 parades and the Flag Corps section taking part in 4 parades. We were fortunate to have taken part in 4 parades where the community was celebrating their 100th Anniversary. These locations were Ituna, Canora, Kamsack and Goodeve. The Tri-Wheelers were honoured to have taken part in the Goodeve Parade in which former resident, 111 year-old, Pearl Lutzko also participated. Pearl is currently the oldest resident in Saskatchewan and the 2nd oldest in Canada. Parkland is very thankful to all the Nobles who gave their time and effort to our parade participation and we look forward to the summer of 2011.

Moose Jaw Shrine Club

The nobles of the Moose Jaw Shrine Club had a very eventful summer in 2010. Coming off a very busy spring which included the Little Chicago Fundraising Dinner, the nobles were in full and active duty by time the parade season came around. Before these gentlemen could start to mount the horses, rev the engines, and tune the instruments; there was much work that needed to be done! This year the Moose Jaw Shrine Club opted out of hosting the circus. For the first time, the circus would be replaced in Moose Jaw by the Moose Jaw Shrine Club Children's Festival. Headed up by chairman Noble Greg Marcyniuk, the Children's Festival held on June 5th, was a HUGE success! The one-day free-to-attend event was very well attended by thousands of people with over 2000 children enjoying the day. Both selling out, one show in the morning and another in the afternoon, offered the people from in and around Moose Jaw a day that left them wanting more. The Moose Jaw Shrine Club was very confident that they could pull off a great event such as the Children's Festival...and that's exactly what

happened. The attendees were amazed at the performers, musicians, magi-

cians, games, refreshments, petting zoo, face painting, dog agility show, and of course the bouncing castles and maze. There's no doubt that this year's festival was the first of many annual

festivals to be held in Moose Jaw. Sure, people did miss the circus show, but they truly loved the Moose Jaw Shrine Club Children's Festival!

No sooner was the Children's Festival wrapping up, than it was time for the Moose Jaw Shrine Club to hit the streets of Southern Saskatchewan. The Club's Equestrian Unit, Motor Patrol, Military Band, and Oriental Band toured the province with parades and stops at the Hometown Fair Parade in Moose Jaw, the Shrine Ceremonial in Regina, the Canada Day Celebrations Parade in Swift Current, the Saskatoon Berry Festival in Mortlach, and finally the Queen City Ex Parade in Regina.

2010 marks a great growth year for the Moose Jaw Shrine Club. Come fall, the Moose Jaw Shrine Club should see an additional 6 members join the club with all expressing wishes to become part of units and taking part of all that Shrinedom has to offer. It's been a great summer here in Moose Jaw!

Weyburn & District Shrine Club

As usual we have had a busy summer, both in our family adventures and our Shrine activities.

Soo Patrol (our min bike unit) participated in 3 parades – Ogema, Creelman and Bengough. We had planned to ride in Weyburn fair parade but with family vacations and other commitments we could not muster up enough riders.

We had our annual summer party at the Elias farm at Creelman. 23 Nobles and Ladies enjoyed the socialization and great hospitality shown by Joan, Bud and their family. However this year mama skunk and her seven babies did not show up but as we were finishing our excellent steaks we had a small rain shower – just enough to keep the farmers happy.

On Aug 19th we held our yearly hamburger and hotdog sale on the Weyburn Co-op deck. The crowd was smaller than usual (we did not sell as much as we had planned) but the publicity and socialization made it worth while.

On Oct. 14th in the Weyburn Legion, we will be having our Potentate's visit at which time we will be installing our Officers for 2011 and making some usual presentations to WA WA. Hope to see you all there.

*Submitted by
Ill. Sir Dick Gutfriend*

DRILL CORPS

The Drill Corps used this spring to prepare for all of the activities this summer. We took part in the annual Moose Jaw parade. This parade was followed during the Ceremonial when we performed our routine in front of the Legislative Buildings and an appreciative crowd. Not all was hard work as we held our annual golf and BBQ at Sherwood Forrest. As usual we all had a great time. Winning the tournament was the team of Al and Danette Strand and Jeff and Sandy Barker. This year we changed the format and kept the couples together. As I joined them in the toast there are still no reports of divorces as a result of the tournament. We want to extend a big thank you to Niki Selimos of Memories Dining for his generous support in supplying the Burgers and Brats for the barbecue. They were fabulous!

There was a continual question as to whether there would be Drill competition at this year's Mid-West Session. It was not determined until quite late that yes there would be competitions. We then had to scramble and Nobles had to adjust their sum-

mer schedules. We did manage to put together a 12 man Drill unit unfortunately without our Captain who was having some health problems. We loaded the bus with the Nobles and our Ladies and headed to Sioux City Iowa. We did have some good practices and under the leadership of Noble Ian Brown we represented WA WA at the competition. If you enjoy extremely hot weather you would have been happy. While we came third we all enjoyed the fun of competing whether it is first or some other position.

We were all saddened this summer when a former member Ill. Sir Les Tandler passed away. Les was a well respected Shriner. On a happier note we have added a new member, Noble Draper Chafe, to the Corps. We believe that Noble Chafe will fit into the Corps and we look forward to his participation in all of our activities. We decided to hold our 3rd quarterly meeting at the home of Noble Larry Couse. Noble Terry Yanko chaired the meeting and Noble Larry provided a

wonderful barbecued roast on his spit. Fabulous!

It's amazing how fast the summer has come and gone by so quickly. It seems like our nobles just got back from the south or west and here is Fall again and again they will be leaving as soon as the snow flies. Brrr. Until next time.

CHIEF OF STAFF

Our units have had another event filled summer with parades and performances. The red fez will have been seen by thousands of people throughout the province. A job well done nobles!

Ceremonial was another great success with eighteen new nobles joining our fraternity. The only concern was the number of units who attended the performances at the Legislative grounds on Saturday. Ceremonial has always meant to be a "Command" performance by all units within WAWA. All units were expected to attend the various shrine functions especially Ceremonial. This does not appear to be the case anymore. We must keep in mind that it is difficult at times for some nobles to attend due to pressing emergencies and age or health issues, however, having said that, I personally feel complacency has set in and no effort is made to attend. This also applies to the regular meetings of the shrine units.

This does not set a very good example for the newer members of our fraternity. They are the people who will be replacing us.

The Imperial session in Toronto is now history. The Regina Drum Corps attended Imperial with Ill. Sir Don McDougall. Their performances and participation were received.

WAWA was well represented.

Mid West was in Sioux City and WAWA was represented by the Regina Pipes and Drums and the Regina Drill Corps will be in attendance. Next year Mid West will be in Winnipeg and I hope we have a good turnout from WAWA. It's close and it's in Canada. So let's start planning now.

Saskatoon Shrine Club

Mayor, Noble Don Atchison & Lady Mardelle

After a month of horrible weather Shriners were blessed with two glorious days in a row when the Provincial Golf Tournament was held in Saskatoon on July 24th and 25th. Someone accused the organizers of having connections with some higher power, but Saskatchewan was due for some nice weather. Forty-seven golfers competed in a Texas Scramble format at The Willows and Greenbryre golf courses. Every golfer received a prize at the banquet on Saturday night and the "Moose Jaw Six" helped keep the bar open as we watched the Riders embarrass themselves at the hands of the Stampedeers. Specialty prizes went to the following golfers:

Men's Long Drive day 1 and day 2 - His Worship, Noble Don Atchison
 Lady's Long Drive day 1- Lady Mardelle Atchison
 Men's closest to the hole day 1- Noble Bill Forrest
 Lady's closest to the hole day 1- Lady Doreen Morrison
 Men's closest to the pin day 2- Noble Al Stickney
 Lady's longest drive day 2- Lady Linda Ross

There was no lady's closest to the hole winner on day 2 (even though Ill. Sir Blaine Martin tried to lay claim to it). A draw was made and Linda Marchand was the lucky winner.

The men received gift certificates courtesy of Frank Atchison, and the women received spa treatments. The competition was intense for both days

LT Jim Mackay—Porridge Master and Noble Des

with the top five teams only separated by four strokes after day one. At the end of it all, the victorious foursome was Michael Mudrey, John McPhail, Heather Gray and Al Stickney with a two day total of 135 or seven under par. The winners were presented with the coveted WA WA Golf Plaque by Ill. Sir Don McDougall.

I really want to thank everyone for participating. Special thanks goes to the Saskatoon Drums and Bugles for providing the Sunday breakfast at our newly re-opened Masonic Temple and Shrine Club, and to Ill. Sir Don and Lady Jill for making the trip up to Saskatoon to share in the fellowship of the weekend, and make the trophy presentation. Thank you as well to The Saskatoon Shrine Club Secretary, Noble Craig Inkster, and my wife, Heather, for your assistance in making this an extremely fun and enjoyable event. We all look forward to burning up the course in North Battleford in 2011.

Saskatoon Shrine Boat Award

Dear Nobles & Ladies,

On behalf of the Saskatoon Shrine Boat Award Boat Committee, I would like to extend my gratitude and sincere thanks to all who helped out this year. Because of the continued efforts of all volunteers we are able to enjoy another good year with the total amount of ticket sales up from last year by a few thousand dollars (final numbers not in yet). The exhibition sales were a little slow for the first few days this year but the last couple of days were very busy and we ended up very close to where we were last year. The exhibition is a busy

time for all of the volunteers and I thank you for your time and your dedication to our cause.

We had a great time this year and enjoyed some fellowship while getting the job done. A special thanks goes out to Ron and the fellows from the Clown unit for the excellent job they did on Kids' Day. Many happy faces resulted from the food and entertainment from this unit. This year the Saskatoon Police Service was also on hand to talk to the kids and to distribute stickers and tattoos. A great job was done by the ladies in the tent and the cooks as well...good job folks! Thank you to all the volunteers who helped with the

Noble Mike Scarfe, winner Tim Patlok, and Noble Dave Hanna

setting up and tearing down; your help is much appreciated.

Let's keep up the good work and continue our efforts in the future.

Above is a picture of this year's winner, Tim Patlok from Wierdale, SK. He was extremely grateful and very excited. He plans to keep the boat as he has a young family who enjoys fishing.

*Fraternally,
Nobles Mike Scarfe and Dave Hanna
2010 Saskatoon Shrine Boat Award*

Prince Albert Shrine Club

Up until now, I have been looking for "more important" items to report on, and have truly neglected the things many would find interesting. Recently Noble Lou Lintick, with help from Bro. Norm Hook, undertook the task of rebuilding and metal cladding the outside stairway to the Club Room. This certainly improves our entrance way.

I regret to report Noble Murray McLaren is taking chemo treatment for Cancer. Nobles Lou and Bill have been assisting him by driving his car to Saskatoon so he could receive treatment. The Shrine Shuttle Service to the Cancer Clinic in Saskatoon has been fairly active. Noble Alan Babych has been sick and unable to get out to coffee row or garage sales, a real downer for him. Noble Ernie Freitag was out of hospital

and able to attend our last barbecue looking somewhat like his old self, but I understand he has been confined again. We wish him a speedy recovery.

Club President Noble Arnold made a Masonic symbol on a lawn chair and donated it to the Grand Lodge Committee to raffle off as a fundraising project. Grand Lodge here in Prince Albert was a huge success. Grand Master Rick (Noble) hosted a great session. Those in attendance said Prince Albert really knows how to do things right. To all committee workers, a big thank you!

The June barbecue had to be postponed until August 8th due to many members being away on holidays or other family commitments. We missed our Liaison Officer and Club President Noble Arnold and Lady Joy who could-

n't be with us but we did have an enjoyable meeting and dinner.

Golf teams are ready to participate in the upcoming Dr. Hjertas Golf Tournament. Good luck to all participants.

Since last reporting the Club has been busy with hosting three large bingos. We were also able to participate in several local parades including Nipawin, Melfort, Prince Albert, Saskatoon and North Battleford. The parade in Prince Albert resulted in a win in the Novelty Class.

Enough for now, see you next time around.

MSA 2010 Sioux City, Iowa

WA WA was well represented at MSA August 11 – 14. Abu Bekr Shriners are a considerable distance from Regina but several Divan nobles and Past Potentates, along with two WA WA units, made the trip to the city that is situated in three states—Iowa, South Dakota and Nebraska.

One of the highlights of the weekend was the attendance of Imperial Sir George Mitchell and his Lady Deanna. Two other Imperial Divan Nobles - Dale Stauss and Wayne Lachut, along with their Ladies, were present. It was great to see all three of them at the competitions as they tried to be everywhere.

Your Divan Nobles Bevin Leipert, Bill Forrest, Ken Eskdale and Tom Torgrimson, as well as their ladies were treated to delightful counterpart events on Wednesday evening.

The next morning some of us golfed and the Divan ladies boarded air conditioned buses for a city tour which included shopping stops at local boutiques and a candy factory. I've got to tell you that golfing in 95 degree heat with a humidity of 75% was difficult. Fortunately, the golf scores were not important and the fellowship was great.

Thursday afternoon our unit buses rolled in. The Pipes and Drums and the Drill Corps were well represented. They arrived in time to do the first parade. It was really fun hearing the cheers of the crowd as we went by. Coming all the way from Saskatchewan was very popular and when the Pipes fired up, everyone was very impressed.

Friday was competition/presentation day. Our Drill Corps showed very well but the judges placed them third. Your Pipes had no competition but put on a presentation in a

nearby town which was well received. I was told that this locale had never hosted a Pipes and Drums show before. Their highlight was the generous presentation of four drums to El Riad Pipes and Drums. They are trying to establish a band and the 4 drums will really get them started on the right foot. Well done Pipers!

The Ladies luncheon was carried out with a delightful circus theme and was addressed by Dr. Kenneth Guidera, the Chief of Staff for the Twin Cities Hospital. He shared news about the proposed partnership with the neighbouring hospital that, similar to our Montreal Shriners Hospital, they are anticipating. He is a humorous speaker, a well loved doctor and also shared his experiences serving the children of Haiti soon after its disaster occurred.

Shrinerama on Friday night was enjoyable and was followed by a dessert bar. I need to tell you that many times throughout the weekend we were reminded of the super MSA which was put on in Regina in '06. Many throughout the Midwest continue to champion it and, personally, I don't think it will be bettered until we host it again!

On Saturday, we did the final parade. I'm glad to say that the temperatures had moderated somewhat so it was a bit easier on the participants. Following the farewell oasis, we all embarked on various routes home.

Let's have many more units in Winnipeg next year; MSA is great fun. Start planning now to go from August 3 – 6, 2011. I'll be there. Will you?

NOTICE OF STATED SESSION

"Es Selamu Aleikum"

The Nobles of WA WA Shriners are hereby notified and requested to attend the following Stated Sessions of the Ancient Arabic Order of the Nobles of the Mystic Shrine.

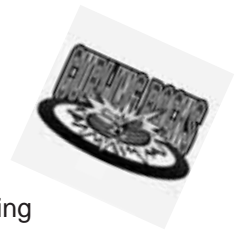

Tuesday, November 9, 2010 at 7:00 pm
WA WA Shrine Centre, 2065 Hamilton Street, Regina, Sk.

Matters relative to the operation of WA WA Shriners will be brought to the meeting.

Admission only by 2010 Dues Card
Fez must be worn.

Don McDougall, Potentate

Attest: Don Capewell, Recorder

Estevan and District Shrine Club are our gracious hosts for this year's WA WA Provincial Curling Bonspiel, November 19th through 21st.

The tournament will follow a Round Robin format with each Team guaranteed the same number of games. The winning team will be determined by the number of wins and, in the case of a tie, most points scored will be used. There is a limit of 28 teams, so be sure to register early.

If you are an individual curler or a couple with no full Team don't worry, register and we will be happy to place you with others. Deadline for all registrations is **October 31st**.

Draws will be played at the Curling Club, 811 Souris Ave, Estevan, S4A 2A5, beginning at 3:00 pm on Friday and 9:00 am on Saturday.

The cost of the event has not changed and will once again be \$100/curler and \$25/non-curler. The weekend events will include a Friday evening Social, Saturday evening banquet following the draws and a Sunday morning brunch. You won't want to miss Sunday morning as this is when we will be handing out the prizes!!

Hotels are hard to come by in Estevan so be sure to make book early!

Thank you from the Brown's

Good evening! I am so honoured that Don asked me to speak here again tonight. It has been three years since I first told you about our son, Carter at the 2007 Ceremonial. He was only six months old at the time and there were so many unknowns for us. I looked back at some of the things I talked to you about that night and although it's clear we were on the right track with Carter's care, we were still very scared and unsure of what the future would hold for him.

Jenn Brown, with Carter, delivers a heartfelt Thank You at Ceremonial 2010

In January of 2007 at three weeks of age, Carter was diagnosed with Osteogenesis Imperfecta, which we call OI and many others know as brittle bone disease. He had already suffered fourteen fractures in his arms, legs, ribs and vertebrae by that time. The outlook was pretty dim since he was presenting so severely and we were told he would have numerous fractures, extreme muscle weakness, loose joints, scoliosis, hearing loss, curved bones, brittle teeth, possible pulmonary issues and no chance of ever being able to walk. Many of the OI patients that are affected severely experience hundreds of fractures in their lifetime resulting in multiple deformities and pain, as we witnessed during Dr. Fassier's presentation last night.

We had been offered no hope of treatment here in Saskatchewan and were at a complete loss until we spoke to Noble Butch Maclean in Estevan. He knew of specific children with the same condition as Carter that had been treated in Montreal at the Shriner's Hospital and he was going to do everything he could to get us there as quickly as possible. The other patients were not as severe as Carter and had been diagnosed later in life, but we were still willing to try anything.

On that first trip to the hospital, Carter was seen by an amazing team of experts who knew exactly what they were dealing with. They started him on IV drug

treatments of pamidronate that were proven to increase bone density and rid the patient of the constant, achy bone pain that all people with OI experience. We hadn't thought they would start a 7 week old baby on any course of treatment, but it turns out that the best possible time to begin is when they are very young. We were told to return to the hospital every two months for Carter to receive treatment and to be followed by his team of doctors and therapists. The results of the infusion were almost immediate and Carter became a much more settled baby as soon as we got home after that first 3 day treatment. He started sleeping through the night because he was no longer in constant pain. We kept waiting for that next fracture to occur, but it never did.

We're still waiting for that next fracture 3 ½ years later. The constant fractures and pain that were supposed to be consuming his childhood have never happened because of the work of the Shriners Hospital. The treatment for children with OI was researched, developed, and tested in Montreal. It is the leading OI centre of excellence in the world and happens to be the place that our son gets his care. We have always felt so blessed that if our son is going to have this condition, he is going to get the absolute best care possible.

For those of you that aren't as familiar with the Shriners experience for a family that goes to the hospital, it is remarkable. Our flights and hotels are

booked for us and paid for by the Shriners, a Shriner is at the airport in Montreal to meet us and take us to our hotel, a Shriner picks us up in the hotel in the morning to take us to the hospital and then he will take us back to the hotel at the end of the day. It takes so much of the worry and planning off of the parent's shoulders when we already have so much to think about. Dr. Brian Donbrook does a wonderful job of keeping everything straight and dealing with my many emails as we get each and every one of Carter's trips figured out.

On our nineteen trips to the hospital, Carter has received his IV infusions, physiotherapy, occupational therapy, specialist appointments, surgical appointments, play therapy, x-rays, bone density scans and a whole lot of love from every person who has ever seen him there. The Shriners Hospital has a team-centered approach to dealing with all of their OI patients. Once a year the entire team gets together in an OI conference and discusses how the patient has been doing and what the next year will bring. Everyone is on the same page they put together a cohesive plan to ensure that patient gets the best individualized care possible.

Carter's plans have included continuing his IV pamidronate infusions, an MRI on his dislocated hips and two different rodding surgeries. Often an OI patient's femurs are quite bowed or bent because of fractures that haven't healed correctly. They need to be straightened during surgery and a metal rod is inserted to provide internal stabilization. Carter had one femur that was quite bowed and he was also born with dislocated hips so that presented another problem. The MRI showed that he virtually had no hip sockets and that the tops of his femurs were in terrible shape and pointing in exactly the opposite direction that they should.

The incredible Dr. Fassier performed Carter's first surgery in November of 2008 just before Carter turned two. It was a very complicated six hour procedure. Dr. Fassier had been planning on fixing Carter's hips and rodding both of his femurs, but with the disaster that was his left hip, he only was able to complete one side before there was too much blood loss. There is absolutely no doubt in our minds that if anybody else had been doing that surgery, Carter's hip would never have the function it does today. He challenged Dr. Fassier's skill and we are so thankful that he is such a fantastic surgeon. Besides fixing Carter's hip, Dr. Fassier straightened Carter's femur and inserted a Fassier-Duval telescoping rod, which he also happened to invent. The rod grows with Carter and will double itself in length, resulting in a much longer life for the rod and the protection it gives.

Carter was in a spica cast from his chest to his toes for 13 weeks to allow for sufficient time for his hip to heal. It healed beautifully and with the help of long leg braces that had been molded for him, he stood and took his first steps just a few weeks after getting his cast off. A large crowd of workers at the hospital gathered round to watch him do the impossible. Despite all of the challenges he had faced and a nearly irreparable hip, he was walking. The hospital provided a walker for him and after that Carter has never slowed down. He got rid of the long leg braces a couple weeks after that and started taking many steps at a time with his walker. This past October, seven months after he had taken those very first steps, he threw the walker away and started walking all on his own. He is the most determined little boy with an unbreakable spirit and has proven the world wrong so many times. He grabs the hearts of everyone he meets with his beautiful smile and the buckets full of personality he was blessed with.

Things were going so well in the treatment of Carter's OI that we had started to forget how cruel of a condition it can be....until we noticed that his back was looking a little funny and got an appointment with the spine specialist in Montreal. Carter's spine already had a 50 degree curve in it and he was diagnosed with scoliosis. They molded him for a

back brace that he now wears 23hrs/day in the hope that it will slow the progression of the curve. We know that some day he will likely be having spinal surgery to have a rod placed in his spine and when he is older, he will probably have a spinal fusion. It is one of the hardest aspects of OI to deal with since there are so many complications that can occur. However, Carter tolerates his brace incredibly well and never complains. His curve hasn't dramatically worsened, but the x-rays on our last trip did show that it had progressed a bit. Since we are now going to Montreal every four months for his infusions, they will be keeping a very close eye on it and we are hopeful that surgery won't need to happen for a few more years.

This past January, Carter had his other femur rodded and some minor repairs to that hip as well. He only needed to be casted for three weeks this time and he was up again walking independently a week after his cast came off. To see him walking as fast as he can into the open arms of Dr. Fassier, our hero, is truly one of the most incredible experiences of our lives. That man is the reason our son is walking and we will never be able to thank him or the hospital enough. Not only does Carter love him, it is clear that Dr. Fassier loves Carter right back! He is such a kind man who is so accessible to his patients. Just a few weeks ago, we did some post-op x-rays here at home to check on the healing in Carter's femur. We emailed the x-rays to Dr. Fassier, he checked them on his Blackberry wherever he was in the world...I think it was Europe this time...and he got right back to us to let us know everything was looking good.

In all my experiences, a child should never look forward to going to the hospital, but when Carter hears it's time to go to Montreal, he starts the countdown and just starts bouncing until he gets through those doors to see his friends. He knows everyone by name and they know him. He does think that he runs things there and last week he got about 6 people to come with him into the little room where his IV gets started. He was directing them all into

singing happy birthday to one of the nurses and catering to his every whim....I'm not sure that every child has their nurse bring them a jar of homemade pasta sauce so we can make spaghetti in our hotel room that night. They are our family too!

The love that we feel every time we go to Montreal is only mirrored by that of the love we feel from the Shriners. Don is Carter's new best friend and if he goes missing tonight, we'll know exactly where he has gone. The various Shrine activities we've attended throughout the province have been so much fun and it's a joy to see the work you do. Carter may run off to join the circus one of these days as he had such a great time being honorary ringmaster. He also got his very first experience in a bouncy castle last weekend in Moose Jaw at the Children's Festival when Bevin gave him a few special minutes of time alone so he was safe and having the time of his life!

Three years ago, I told you that maybe, just maybe some day we would see Carter walk. We were filled with hope for the future because of the Shriners Hospital and the work you do to ensure that it is there for families like us. All of our dreams have come true in ways that we never even imagined at that time. This doesn't mean that we won't have more challenges in the future, but we know that we will be provided with the tools and help to overcome them. The care our son receives is second to none and that's all a parent can ask for. From the bottom of our hearts, we want to say thank you again for your support, your work, and your love. Thank you.

Jenn & Carter Brown with Dr. Fassier

LEADERSHIP LOST BUT NOT FORGOTTEN

An article by Pamela Cowan—Leader Post

Les Tendler, a long-time Regina resident and a pioneer in the credit union movement, died July 24 at the age of 83.

As general manager of Sherwood Credit Union, now known as Conexus, Tendler was an integral part of laying the groundwork in 1973 for many financial services firsts in the province and Canada — including the first automated teller machine (ATM), the debit card and teleservice.

Ed Gebert started working with Tendler in 1951 when they were employed by the Saskatchewan Co-operative Credit Society. Over the years, they played major roles in a banking revolution.

Gebert was vice-president of finance and operations for Regina's Sherwood Credit Union and Tendler was CEO when Sherwood set out to develop an online banking system from scratch.

Sherwood worked with Co-operators Data Services Ltd. (now called CGI), Credit Union Electronic Transaction Services (CUETs), and Credit Union Central of Saskatchewan to create the ATM system. Canada's first ATM opened at Sherwood Credit Union's north Albert Street branch in the spring of 1977.

The next step in the evolution of electronic banking was the development of the MasterCard payment card — the forerunner of the debit card.

"Les was a great leader and a great mentor," Gebert said. "People had a lot of respect for him and he had a lot of respect for people."

Mal Edwards was vice-president of retail operations with Sherwood Credit Union during Tendler's era.

"When Les and I started back in the '50s, it was a very small organization, but they were exciting years," Edwards said. "As CEO, Tendler was the man who said, 'yes' or 'no' to all those changes ... As a people organization, we tried to develop systems that were leading in Canada at that time."

Until Tendler retired in 1988, he held numerous leadership roles within the credit union system.

"Les was an excellent leader, relatively quiet, always knowledgeable about things, people and events around him and he was a good family man," Edwards said. "He loved a good party and in those early days we were a very close-knit family. We worked hard and we played hard."

During his 40-year stint in the credit union movement, Tendler took a hand in Credit Union Central of Saskatchewan, the Co-op Security Board, the Credit Union Deposit Guarantee Corp., the Canadian Co-op Society, CUETS, Co-op Trust, the World Council of Credit Unions, the Co-op Superannuation Society and The Co-operators group of companies.

The community-minded individual also belonged to many organizations including the Wascana Kiwanis Club, the Regina United Way, the Wa Wa Shrine, the Saskatchewan Roughriders Football Club, the Regina Exhibition Association, Group Medical Services, Luther College and Lutheran Seniors Care Home, the Canadian Liver Foundation, The Breakfast Club, the Tartan Seniors Curling Club, the Marian Park Condo Assoc., and the Regina Gyro Club.

A celebration of Tendler's life was held Friday at St. Mark's Evangelical Lutheran Church.

The loss of a great Shriner—Dr. Borden Bachynski

I am pleased to have been asked by the family to offer a few words concerning Borden's involvement in the Shrine. Borden became a member of the WA WA Shrine Center in 1971 under then Potentate Al McGowan. Almost immediately after having the red fez of a Shriner placed upon his head, Borden became a member of the Directors Staff. He served as President of the Unit in 1977. The Directors Staff has the responsibility of ushering new candidates through the Ceremony of Initiation. The first step a new candidate must take is to undergo a medical examination, and of course Borden being a doctor, had that responsibility fall on his shoulders. I am estimating Borden must have performed a minimum of at least 2500 medicals on new candidates over the years.

At all Shrine gatherings, Borden could always be seen taking pictures. I would not even begin to estimate the number of photos he has taken, but it is safe to say he kept the film industry in Saskatchewan solvent for many years. Thank goodness for the coming of the digital era. Many of these photos were placed in albums identified by the particular event they were taken at and in subsequent years, at similar events, these albums would be circulated and you could hear such remarks as "look, that fellow is wearing the same shirt again this year" or "heavens, I don't remember looking like that" - great memories!

The philanthropy of the Shrine is of course, Shriners Hospitals for Children. Children with debilitating orthopaedic conditions, painful burns and scars, spinal cord injuries, cleft lip and palate are all eligible for care at one of our hospitals. When an application for treatment at one of our Shriners Hospitals is received, that application was first reviewed by Illustrious Sir Doctor Borden Bachynski. Borden made the decision as to whether or not that child would benefit medically at one of our Shriners Hospitals. With a current active patient roster of some 75 children, Borden spent many hours studying and reviewing the child's medical history prior to recommending the application be referred to one of our hospitals. For the time and effort spent over the years, Borden has been recognized by Shriners Hospitals for Children.

Borden was selected to Divan in 1978 and advanced through the various offices of the Shrine to become the top Shriner in WA WA Shrine in 1987. I am proud to say Illustrious Sir Borden placed me on the Divan in 1987, the year he was Potentate.

Friday nights at the Regina Shrine Club, Borden and Margaret could always be found at their favorite table enjoying Happy Hour and of course Borden with his little sip of scotch. Borden's presence at this event will be missed, as he always had a photo or a joke to share with all assembled.

As we look back over the years, there is little doubt Borden has made a tremendous contribution to WA WA Shrine and the Shrine in general. On behalf of the entire Shrine family, let me express our sympathy to you Margaret and to your entire family on the passing of a dedicated Shriner, a great individual and a true friend to all. He will be missed - but not forgotten.

Noble Don Bennett
