POTENTATE'S MESSAGE

It is really hard to believe that our 100th. Anniversary year is three quarters over. What an incredible time it has been. It has been a terrific year, and Vi and I want to thank each and every Shriner and their Ladies for helping to make this year exceptional. As of July 17th, every club has been visited and presented our "State of the Nation" address. We met and visited so many wonderful people, all with the same purpose of "having fun helping kids". You have made "Celebrating a Century of Caring for Kids" a time to remember.

We need to acknowledge the areas of the province that had such a wet spring that many of their crops were not even seeded. This is always a very trying ordeal for our many farm members and our thoughts are with you all. On a brighter side, when summer decided to show up: it did in spades. July and August have seen terrific weather. By the time you read this, parade season will be over. Thank you all for your participation and for putting the face of WA WA Shrine in front of the public.

Since the last issue, so much has happened. This year's circuses were a huge

success! The final numbers aren't in, but it looks like we will do the same or better than last year, with fewer dates. Saskatoon especially deserves an "atta boy" for such a resounding result this year. I would also be remiss if I did not mention my own club, Moose Jaw and their 2nd Annual Children's Festival. It was bigger and better than the first one, and I am sure they are looking forward to next year with some more new ideas. Way to go!

Vi and I are so proud of the Moose Jaw Club for making sure that this year's ceremonial was an overwhelming experience. The feedback we received from out of town members was very positive. I know a few people had poor sight lines at the banquet, but all in all the evening was fantastic. We were so proud to be able to honour Ill. Sir Al Munroe and Noble Vern Traill at that time. All of us could take lessons from these two on how to make a club and a Shrine Centre successful. The number of units in the parade was by far the best turnout in years. We need to continue this for next year to bring back the camaraderie and fun that is such an important part of our mandate. As always, it would have been great to have had more candidates. The quality of this year's class was excellent and the class candidate, James McGregor, gave a very moving address about their experience and their commitment to the Shrine and its philanthropy.

This year's Imperial Session was held in Denver. We were honored to host The Most Worshipful Grand Master Dennis Skuce and Lady Vivian during that meeting. During the meetings, the discussions and voting were very interesting, to say the least. Thank you to all of the members of WA WA who attended. A special thanks to the Members of the Equestrian, Motor Patrol and

Oriental Bands from Moose Jaw who accompanied us there. It took a lot of help from them all to get the horses down and back in good health. Once again the International Shrine Horse Patrol were superb hosts.

We also had the largest contingent to a Midwest Summer Session in Winnipeg that I can remember. Our hospitality room was well attended on both nights. We also had more than 100 nobles participate in the two parades. Well done guys. Also, rumors abound that Saskatoon is considering a repeat performance in Grand Forks next year. We will hold them all to that.

Thanks to all who were able to attend the summer party. It was a great day weather wise and even better socially. We must apologize for not finishing the bocchi game, but kudos to Katherine and Don Capewell for having the highest score before we all got side tracked!!

We will be having a one day full "Hot Sands Ceremonial" in Saskatoon on November 12th. It is imperative that each club and unit commit to having candidates at this important function so that we can have positive membership growth this year. Please continue your efforts to enlist candidates from your local lodges; you help keep the Shrine alive and well.

In closing, Vi and I are extremely proud to serve you as Potentate and First Lady this year. Your support and help throughout has been appreciated more than we can ever say.

We look forward to seeing you all again soon.

*Fraternally yours,
Ill. Sir Bevin Leipert*

**If your club has not been mentioned in this edition,
you didn't send us any information!**

Editor

RECORDER'S MESSAGE

Well, it appears summer is departing faster than it arrived. How can it be September already? I hope you all had an enjoyable summer and likely a busy one. Another successful parade season has ended. Thanks to all that were out waving the Shrinedom flag from Medicine Hat to Winnipeg and many points in between. By all reports WA WA Shrine presence was

visible in many parts of Saskatchewan and several locations beyond our borders. A job well done. Thanks to all who participated and to those who could not; maybe next year.

To recap, much has happened over the summer beginning with the Shrine Circus making its annual tour of the province. Again this year due to the tireless effort of many Shriners, their Ladies, family and friends, the circus was another great success. It is one of WA WA's major fund raisers and without it we would be facing some real financial hardships. Thanks to all for a job well done; be proud of yourselves.

Following the circus, was the Ceremonial held in Moose Jaw. Sixteen Candidates were initiated into the wonderful world of the Shrine. To them, we say congratulations and welcome; get involved and have fun. There is no other organization like the Shrine. The Ceremonial festivities went well thanks to the dedicated organizing committee and all the events were well attended.

Imperial Session was held in Denver. WA WA was represented by delegates from the Divan. It was a busy session of

which we will hear more.

Provincial golf was hosted by the North Battleford Shrine Club. The location was great, the golf was great and the fellowship was even better. Well done. Events like this are a wonderful way of bringing Shriners and friends from all over the province together for an enjoyable time and to get to know one another. If you are able, try to attend one. You'll be glad you did.

WA WA had a great turn out of 179 registered for MSA in Winnipeg. They knew we were there. Well done with a great presence.

Our next Stated Session is November 9th. Mark your calendar. Also, two other dates you will want to keep in mind. A one day Hot Sands is scheduled for November 12, 2011 in Saskatoon. Our 100th Anniversary year is coming to an end and it would be great to celebrate the year with a positive growth number in our membership, so shake the bushes and see how many Candidates each of the Clubs can come generate. The other date to remember is the Annual Meeting to be held January 14 & 15, 2012 in Regina. Another opportunity for a province wide get together.

As always I cannot go through an issue of the Warblings without commenting on Annual Dues; sometime I hope I can. Just a reminder to some Nobles that year end is approaching and, for a variety of reasons, some annual dues are outstanding. As of this printing, we still have approximately 120 Nobles who have not paid their dues. Please attend to this as soon as possible. We hate to lose anyone because they forgot to pay their dues. Remember that as of September 1, the office is back on normal hours - open 9:00am to 3:00pm. Dues can be paid by personal cheque or by credit card (MasterCard or Visa) by contacting the office at 569-2294.

Have a great fall!

Yours in the Faith

Noble Don Capewell

IMPERIAL 2011

At the 2011 Imperial Session held in July in Denver Colorado, Imperial Sir Michael Severe of El Jebel Shriners was elected Imperial Potentate. Also elected to the office of Imperial Outer Guard was Imperial Sir Jim Smith of Ben Hur Shriners. We want to welcome to the International Shrine family the nobles of Emirat Shriners. Emirat gained its Charter at this session. Emirat, our 194th temple, has the jurisdiction of the continent of Europe with the exception of Austria, Great Britain and Norway. Granted dispensation for operation this year is Agila Shriners on the Island of Mindanao in the Republic of the Philippines.

Bucs, Hess Initiate Gridiron Giveback for Shriners Hospitals for Children

(TAMPA, Fla) This season, the Tampa Bay Buccaneers and Hess are teaming up to make a difference in the lives of children with the 2011 "Gridiron Giveback." Beginning with the Buccaneers' preseason opener on Thursday night against the New England Patriots, and continuing throughout 2011 at each home game, Hess will make a donation to Shriners Hospitals for Children® —Tampa. This initiative will directly impact the specialty care that young patients receive and enhance the high-quality treatment and support provided by the hospital's pediatric health care professionals in Tampa.

"The Buccaneers are proud to work with Hess and Shriners Hospitals in the name of helping children," said Buccaneers Co-Chairman Bryan Glazer. "I can't think of a better focus for Hess' community-minded initiatives than the health and wellness of our kids."

Through the "Gridiron Giveback," Hess will make a donation at each home game for a total of \$150,000 in 2011 to fund much-needed services and facility upgrades including:

- A sun cover for the playground to provide shade for recreational therapy
- A rock climbing wall for patient rehabilitation
- Customized wheelchairs that adjust to patients' needs
- A treatment recliner for spinal surgery patients
- A sewing machine for orthotics and prosthetics
- Educational iPads to teach patients about their surgery

"Developing programs like Gridiron Giveback

is part of our commitment to the communities we serve daily," said Rick Lawlor, vice president of retail marketing for Hess Corporation. "We're delighted to lend our support to Shriners Hospitals for Children — Tampa and help raise awareness about the wonderful work they do for the kids in their care."

Hess is one of the leading independent gasoline-convenience retailers on the East Coast with more than 1,360 stations and convenience stores in 16 states including 290 locations in Florida.

Shriners Hospitals for Children — Tampa is a 60-bed pediatric hospital, research and teaching center, providing comprehensive medical, surgical and rehabilitative care to children with orthopaedic conditions. The hospital is part of the 22-hospital health care system that provides specialty pediatric care, regardless of the patients' ability to pay.

"The patients, families, staff, Shriners and leadership of Shriners Hospitals for Children —Tampa are grateful to Hess for its donation that enhances our expert care," said Bethanne Demas, director of public relations, outreach and marketing for Shriners Hospitals for Children — Tampa. "We are very excited about the Gridiron Giveback and the impact it will have on our kids."

At each home game, the "Gridiron Giveback" will be showcased through a feature video aired on Raymond James Stadium's BucVision boards. The videos will highlight different children who have been impacted by the program and will be hosted by 11-year-old Leigh Dittman of Tampa.

"What's really awesome about it is the fact that the two different groups are coming together to help one cause and this cause helps almost one million kids," said Dittman. "We are almost at a million, so that's pretty cool. It's just amazing how they are coming together and donating \$150,000. It's amazing — basically, there is no other word to say."

Dittman, a patient ambassador for Shriners

Hospitals for Children, has battled osteogenesis imperfecta (commonly known as brittle bone disease) throughout her life. At the remarkably young age of three, Dittman asked her parents what she could do to return the favour to the hospital that had provided her some much-needed care and support.

What resulted, with the help of family and friends, was the inaugural Leigh Dittman Charity Event to benefit Shriners Hospitals for Children. This September will mark the eighth annual fundraiser hosted by the young girl, who still routinely gets treatment at the hospital that has cared for her throughout her life.

A huge Buccaneers fan, Dittman's close relationships with Buccaneers players and organization officials has also helped strengthen the team's ties with Shriners Hospitals for Children — Tampa and the Buccaneers' ongoing commitment to supporting pediatric care. And it makes her a perfect fit to host the Gridiron Giveback videos for fans to enjoy at Raymond James Stadium.

"It means a lot, because first the hospital helps but you don't really know what to do to say thank you for all the work that they've done," said Dittman. "This is just one thing we came up with... and being on the jumbo screen is pretty cool, too."

Every year, Buccaneers players, coaches, cheerleaders, alumni and staff donate their time and efforts to helping Central Florida's children, families and underserved populations. Through team donations, engaging community initiatives, NFL outreach programs and appearances, nearly 1,000 non-profit organizations benefit from the team's charitable endeavours throughout the year.

Thanks to their generosity, Hess will now have a lasting legacy with one of the premier children's health care facilities in the Bay area.

"It's just amazing to think that it's going to be helping all different kids throughout the hospital and some kids that need surgery and casts and equipment," said Dittman. "It means a lot to know that you are helping kids."

DID YOU KNOW???

This and other interesting stories and information can be found at the new Shriners International site, www.shrinersinternational.com

DISTRIBUTING FOOD AND OTHER AID TO FAMILIES IN NEED AFTER A NATURAL DISASTER OR DISEASE EPIDEMIC WAS ONE OF THE SHRINE'S EARLIEST PHILANTHROPIC ACTIVITIES

From its earliest days the Shriners were known for their philanthropic efforts across the country.

During a yellow fever epidemic in Jacksonville, Florida, members of the new Morocco Shrine and Masonic Knights Templar worked long hours to help the sick. In 1889 Shriners came to the aid of the Johnstown, Pennsylvania, flood victims. In fact, by 1898 there were 50,000 Shriners, and 71 of the 79 temples were engaged in some sort of philanthropic work.

By the early 1900s the fraternity was growing quickly. And as the fraternity was growing, so was the support for establishing an official charity. Most temples had local philanthropies, and sometimes the Shriners' organization offered aid. After the 1906 San Francisco earthquake Shriners sent \$25,000 to help the fallen city. Shriners contributed \$10,000 for the relief

of European war victims. But neither of these efforts, nor the projects of individual temples, satisfied the membership.

The idea to establish hospitals for children was brought to the membership in 1919 by Freeland Kendrick (P.I.P., Lu Lu Shriners, Philadelphia) after he visited a Scottish Rite Hospital for Crippled Children in Atlanta. This visit made Kendrick aware of the overwhelming need to care for children with orthopaedic disorders.

During his tenure as Imperial Potentate in 1919 and 1920 Kendrick traveled more than 150,000 miles, visiting a majority of the 146 Shrine temples and campaigning for an official philanthropy to be established.

Shriners Hospitals
for Children®

Shriners Hospitals for Children: Why They Are Special

There are 22 Shriners Hospitals for Children® in the U.S., Canada and Mexico. The renowned hospital system provides expert pediatric specialty care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the patients' ability to pay. Shriners Hospitals for Children has helped nearly 1 million children overcome seemingly insurmountable odds and do more than they ever thought possible.

A History of Specialty Care

The first Shriners Hospitals for Children – opened in the 1920s – were established primarily to care for children who had contracted polio. Today, there are 19 Shriners Hospitals for Children providing care for children with all types of orthopaedic conditions, including clubfoot, hip disorders, limb deficiencies and deformities, scoliosis, and orthopaedic difficulties related to cerebral palsy and other neuromuscular conditions.

In the mid-1960s, Shriners became aware of a lack of medical expertise in pediatric burn care and opened three hospitals specializing in acute and rehabilitative burn care. These hospitals are the only ones dedicated exclusively to the treatment of pediatric burns and related conditions. A fourth hospital in our health care system offering treatment for burns also provides care for orthopaedic conditions, spinal cord injury and cleft lip and palate. These hospitals continue to be pioneers in pediatric burn treatment and research and are recognized as leaders in the development of improved and innovative treatment techniques.

In the early 1980s, the Shriners fraternity opened the nation's first pediatric spinal cord injury rehabilitation centers. There, patients find the complete range of services needed to recover to the fullest extent possible.

Cleft lip and palate was officially added to the hospital system's treatment disciplines in 2005. Facial clefts are one of the most common birth effects in the U.S. Despite the frequency of its occurrence, and the severity of the deformities, care for patients with cleft lip and palate can be difficult to obtain. Shriners Hospitals for Children is committed to improving care for children with this condition through a comprehensive, coordinated program of clinical excellence, teaching and research.

Meeting the Need

Admission to our hospitals is based solely on medical need. All children, under the age of 18, are eligible for care if there is a reasonable possibility they could benefit from the specialized services available. All services are provided regardless of a patients' ability to pay.

Sharing Knowledge and Expertise

Shriners Hospitals for Children is dedicated to conducting innovative research to provide answers to complex medical difficulties affecting children. The organization's research efforts not only benefit our patients, they contribute to the overall body of medical knowledge.

The health care system is also proud of its role in medical education. In the past 20 years, approximately 9,500 physicians have received residency education or postgraduate fellowships at our hospitals.

Continuing the Mission

Every day, Shriners Hospitals for Children is changing the world through caring for kids. At 22 locations throughout North America, patients receive expert care that allows them to overcome seemingly insurmountable odds and achieve more than they ever thought possible. The health care system depends on the generosity of donors to carry out this mission of improving the lives of children. To learn how you can help, visit www.donate2shc.org or call 800-241-GIFT.

2010 Patient Care Statistics

In 2010, Shriners Hospitals for Children® cared for 124,265 patients, including 31,212 new patients, and provided many services, including the following:

- 290,957 outpatient, outreach and telemedicine clinic visits
- 57,264 orthotic and prosthetic devices
- 320,338 physical therapy treatments
- 152,731 occupational therapy treatments

FOR YOUR INFORMATION

This letter to the editor appeared in the Regina Leader-Post after the Shrine Circus was held in Regina on May 21-23, 2011 at the Southland Mall parking lot.

SHRINE CIRCUS

Great show under the 'Big Top'

The Shrine Circus was in town last weekend and gave six amazing shows to thousands of children and their parents.

Families came from small towns to see the elephants and all the other wonderful acts under the big top. Where else can a child ride an elephant on the Prairies?

I wonder why the *Leader-Post* gave no mention of this yearly event? The Shiners and their families work hard to bring this family friendly event to Regina. The circus is a fundraiser for the Shrine Children's Hospitals that provide free orthopedic and burn care to children.

Shiners do their best to make sure everyone has a great time. The laughter and cheers could be heard blocks away.

Thank you, Regina, for coming to a great show and supporting the Shrine kids. I loved the show.

DIANE TURNER

Regina

This summer we covered the province... and more!!!

Thank you to the tremendous efforts of all the Shrine Clubs and Units throughout the province in 2011, WA WA had representation at parades & shows in the following towns: Battleford, Bengough, Burgis Beach, Christopher Lake, Clear Lake MB, Creelman, Denver CO, Elkhorn MB, Fort Qu'Appelle, Gull Lake, Helena MT, Indian Head, Live-long, Lloydminster, Lumsden, Maple Creek, Medicine Hat AB, Mel-fort, Melville, Moose Jaw, Moosomin, Nipawin, Noth Battleford, Odessa, Ogema, Paddockwood, Pelly, Prince Albert, RCMP Depot Regina, Regina, Regina Beach, Saskatoon, Shaunavon, Swift Current, Theodore, Unity, Virden MB, Weyburn, Winnipeg MB, Wynyard, and Yorkton

We want to thank Dr. Neil Saran for his informative talk at our June 2011 Cere-monial.

Neil Saran, MD, FRCSC, is an orthope-dic surgeon who practices at the Shrin-ers Hospitals for Children[®] - Canada in Montreal and at The Montreal Chil-dren's Hospital. He completed his Fel-lowship in Pediatric Orthopaedics, with primary focus on the spine, at the Uni-

versity of British Columbia in July 2010. He also completed his Masters in Health Sciences (Clinical Epidemiol-ogy) at the University of British Colum-bia. Previous to this, he completed a Fellowship in Pediatric Orthopaedics and Scoliosis, at the Texas Scottish Rite Hospital for Children, Dallas, Texas, prior to which he was Chief Resident, Orthopedic Surgery, McGill University, Montreal, Canada.

Dr. Saran is licensed by the Collège des médecins du Québec, the College of Physicians and Surgeons of British Co-lumbia and is a Fellow of the Royal College of Surgeons Canada. He is the recipient of numerous awards including the Excellence in Education Award 2010 in Orthopedic Clinical Training and Mentorship for resident physicians, medical students and staff, British Co-lumbia Children's Hospital, 2010; Founders' Award for best basic science

presentation - 2009 Canadian Orthopaedic Association / Canadian Orthopaedic Research Society, and 2009 T. Boone Pickens Spine Research Award, Texas Scottish Rite Hospital for Children. He also is the lead author of several peer reviewed articles, as well as the author of several chapters on limb length man-agement. He has authored or co-authored numerous research presenta-tions and his current research includes examination of a number of osteopathic disorders.

Dr. Saran is a candidate member of the Pediatric Orthopaedic Society of North America; a member of the American Orthopaedic Association - Emerging Leaders Member, and a member of the Canadian Orthopaedic Association and the American Association of Orthopaedic Surgeons.

BATTLEFORDS SHRINE CLUB

The Battlefords Shrine Club has had a busy summer. Our new scooter unit performed in Unity in June, Meota and Battleford in July, and Prince Albert, Saskatoon and North Battleford in August. We had 5 scooters in PA and Saskatoon. We want to thank the nobles from Prince Albert and Saskatoon for both their hospitality after their parades and also for joining us in North Battleford for our parade. We also hosted

the provincial golf tournament, which was a success. We do not hold meetings over the summer, but are looking forward to getting back at it in September.

Noble Kevin Monsebroten

CYPRESS SHRINE CLUB

Cypress Shrine Club held its annual Summer BBQ on July 17th. The turnout was sparse but those that did attend had a great time. We were honoured by the presence of Ill. Sir Bevin Leipter and Lady Vi. The afternoon was hosted by Noble Les Potter and his Lady Bev. The weather and loca-

tion was perfect, and we dined on fantastic T-Bone steaks and corn. Thank you Ill. Sir Bevin and Lady Vi for attending

Noble Wayne Horsman

ESTEVAN SHRINE CLUB

Estevan Shrine Club Sponsors Camper

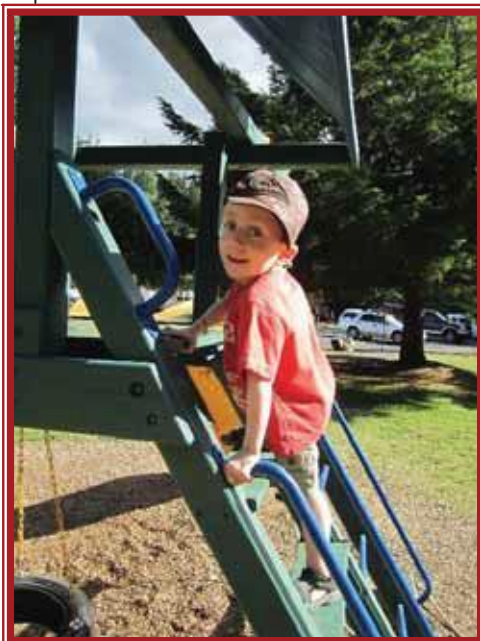

The opportunity to 'just be a kid' for a week is priceless and gives the children wonderful memories that gets them through some of the tougher things they go through during the year.

Carter was able to enjoy horseback riding, fishing, a hot air balloon ride, river rafting, laser tag, and many other ac-

Carter Brown of Milestone, SK, had the opportunity to attend Camp Attitude just south of Portland, Oregon once again this year. Thirty children with Osteogenesis Imperfecta (brittle bone disease) gathered for a week of fun where they could do all the things they normally don't have the chance to do. Of course children with brittle bones don't often ride horses or do water sports, but at Camp Attitude, they can! Adaptations are made to any activity so all the children can participate.

Carter has been a patient of the Shriners Hospital in Montreal since he was 7 weeks old and he has had 14 fractures in his life. The Estevan Shrine Club generously decided to send a donation with the Brown family to Camp Attitude to sponsor a child's week at camp this year. It was greatly appreciated and needed as the camp is free to all families and operates totally on donations.

tivities with his parents, Mike and Jennifer Brown, as well as his assigned buddy. Carter most often wanted to be left alone with his buddy to do his ac-

tivities, and with the training the high school students receive, the Browns were more than comfortable letting Carter spend the day with his new friend. They then had the chance to visit with other parents who know exactly what they have gone through and what to expect in the coming years. It was a fantastic opportunity for all and one they hope to do again!

GOOSE LAKE SHRINE CLUB

Goose Lake Secretary Joe Bertram, President Ian Carberry and Treasurer Doug Empey with hosts Lady Rowena and Noble Colin MacKeracher

Thirty-five Nobles and Ladies attended the bowling social in Rosetown on April 17th, along with special guests Ill. Sir Bevin Leipert & Lady Vi and Ill. Sir Bill Forrest & Lady Jan. At this annual event the Club welcomes home the returning snowbirds.

Once we finally received sunshine 24 Nobles, Ladies and guests again enjoyed the hospitality of Noble Colin and Lady Rowena MacKeracher at their home in the Saskatchewan Landing Provincial Park. Several Nobles and Ladies took in a round of golf; for some the scores were ahem...not quite "up to par". However, for this reporter and maybe others, the cost-per-stroke was a bargain! Really special was the feast of

zle stopped when the parade ended. As usual, another good lunch was enjoyed

at the Eston Seniors' 50-50 Club. The following day we attended the parade in Biggar, this time with perfect weather! A big lunch followed at the Masons' Hall. On July 23rd we attended Kerrobert's 100th Anniversary. Local

Pacific salmon that the MacKerachers provided! In June we hosted our annual fundraiser, "Rose Days". Sales were very successful again this year.

July 1st saw the beginning of our parade season as we took part in Eston's Canada Day Parade. A dozen nobles and several ladies attended. Except for Pres. Carberry (driving his truck), the float riders and mo-ped escort could have hummed "Raindrops keep falling on my head"... or maybe shouted "Don't rain on our parade!" Driz-

Goose Lake Rep. Noble Gerald and Lady Bonnie Busch hosted our Club. (Gerald's also the Eastern Star WGP.) Alas, with the vacation season, only 5 Nobles attended. Another "alas": Goose Lake's aging float had a breakdown, so the President's vehicle and a couple of mo-ped escorts were in the parade.

The annual "Golf & Steak" at Eston Riverside Regional Park was held on August 7th and was hosted by Noble Joe Bertram. Attending were 12 Nobles and 12 Ladies and guests.

Our upcoming events include parades in Kindersley September 24 and in Rosetown October 8.

MOOSOMIN SHRINE CLUB

Summer 2011 has been busy and fun for Moosomin Club!

We turned a serious challenge into a wonderful opportunity in May when we overcame the school teacher job action and took a happy group of grade two students to Yorkton for the circus.

With no teachers allowed to take part, the school unit bus was also unavailable.

With the great help of Teddi Taylor and several other parents and local sponsors, Taylor Buslines stepped up and made the trip possible. Nobles Al Jaenen and Phil Hamm report that the group had a great time and McDonald's, Yorkton were super fast and friendly serving our meal. Special thanks to Teddi, the Yorkton Shriners and all who made this day of fun happen!

Our Rose Day in June was another big success with about 500 bouquets sold. We enjoyed a barbeque with our ladies in the evening and thank Noble Bill Thorn for again chairing this project.

We were well represented at the Ceremonial in Moose Jaw and reports are the Nobles and Ladies had a great time. Thanks Moose Jaw!

Our Club led the way in organizing the

visit to Moosomin of Canada's 'Snowbirds' acrobatic team on June 22nd. We were represented on the Organizing Committee by Noble Bill Thorn and Noble John Berns. Our responsibility was managing ticket sales; a big job that was admirably accomplished. This event drew a huge crowd and was a major success for our community.

"What would the Moosomin Chamber Parade have been without the Shriners?" This was the comment heard around town as we made quite the impression with the biggest group of Shriners ever assembled in Moosomin. We are grateful to Estevan Club's Scooter Patrol, WA WA Drum Corps and T-Bird Patrol, as well as a very popular Clown for coming to Moosomin this year.

What great public relations for Shrine-dom, Nobles! It was a pleasure to host everyone for lunch and refreshments at the Lodge.

Our Go Cart Patrol was led this year by Noble John Berns, who did a fine job. The Unit attended the Ceremonial and several local parades, being well received wherever we went. A highlight for the Patrol was attending the

Chamber of Commerce Parade in Wausagaming (Clear Lake) Manitoba. With Dauphin and Brandon Units at the Mid-West Session in Winnipeg, organizers were thrilled that Moosomin Club agreed to attend. It was a beautiful summer day and the crowd of spectators was huge! We made a positive impact on the big crowd, receiving warm applause and lots of compliments and thanks. Noble Don Middleton and Lady Colleen hosted us at their new cottage with a delicious lunch and refreshments. Noble Don took several of us out for a tour of Clear Lake on his pontoon boat. It was a Feztastic day as we helped kids and had fun. Thank you Don and Colleen.

As we head into autumn we will be busy with two main projects-- You Are Being Served, chaired by Noble Ray Norgan, and the Shrine Calendar sales, chaired by Noble Ron McKay.

We hope to see everyone at the mini ceremonial in Saskatoon. It's been a great anniversary year!

PARKLAND SHRINE CLUB

Parkland Shrine Units participated in seven parade events in 2011 including Ceremonial in Moose Jaw, Yorkton Fair, Yorkton Nursing home Summer Fair, Theodore, Wynyard, Melville and Pelly. Two of the events, Wynyard and Pelly celebrated 100th anniversaries. As usual there was one date with two Parades on the same day - Wynyard and Melville. The Tri- Wheelers were in Wynyard and Flag float was in Melville. This was my first time being in a parade where it was raining before we started and it never really quit. I think our logic was that you can only get so wet. The photo from Melville shows the Nobles coping with rain. We have been asked to participate in a 100th Anniversary for 2012 in Norway and two of the late requests for 2011 had to be declined but will be considered for 2012. These are Roblin and Swan River, Manitoba. Thanks to the Nobles from Wyn El Wa for their participation in some of the events.

Madge Lake golf social was held on Sunday August 28th.

Parkland Shrine did not have any meetings during July and August so now we will have to prepare for 2012 Calendars, Grey Cup Pool, Annual meeting and Ill. Sir Bevin's visit in November. We will also have to decide on what form our 2012 Circus will be as our manpower situation is not what

we need to cover all the schools in our area. With some changes, this year's circus was another success enjoyed by many children and families.

Noble Murray Williams*

SASKATOON SHRINE CLUB

While things typically slow down around our club rooms in the summer as Nobles and Ladies venture to cabins, RVs and other leisure pursuits, that doesn't mean that we aren't very active in other ways having fun and helping kids. Perhaps the best example of that is our participation at the Saskatoon Exhibition each year when our Clown Unit hosts Children's Day. It was no exception this year when nearly three hundred children and caregivers (including some of our Shrine Hospital Patients) took part. Great work Clowns!

Of course no summer is complete without parades and there were many of them where Saskatoon Shriners showed off their various talents. The internationally renowned Drums and Bugles (can you tell that I'm a member?) travelled far and wide including a major road trip to the MSA in Winnipeg. As you can see from the photos this is one sharp unit! Other stops included Lloydminster, Prince Albert and right at home in Saskatoon for the Exhibition parades where we are always shown a very gracious welcome. On that note, 2011 marked the 60th year in which Lieutenant Emeritus J. R. Mackay participated. Well done, Jim! Much interest is already being shown in attending next year's MSA in Grand Forks, ND. You definitely want to be on that bus. Despite serious ailments for some of our Nobles, whom we pray for regularly, interest in the D & B continues to grow with several new members coming on stream this season. They are constantly building their musical talents and they make us all strive to be better at what we are doing. Thanks to everyone who has supported them with music and mentorship.

The Motor Patrol (they're a scary looking bunch with their big machines and bandanas) spiced up several parades as well this summer. Besides riding in parades they try to gather frequently for social rides to enjoy their motorcycles (and their outlaw way of life, ha ha!)

Illustrious Sir Dave Fairlie and the numerous volunteers who make up his local Shrine Circus committee

report another financial success based on Nobles and Ladies putting in many hours and a change of venue to a more central location in Saskatoon. Also on the fundraising front, our Boat Award, chaired by Nobles Mike Scarfe and Dave Hanna, benefitted from the many hours of ticket sales looked after by so many hard working volunteers by turning a tidy profit again this year. Volunteers on both these major projects were treated to a BBQ at our club last month, which in some small way thanks them for their selfless devotion to Shrinedom and the children who so greatly need our help.

As President Wayne Miner winds down his term (how many is that again? Is it as many as Jim Mackay's parades?) he is still excited about many events coming up in the fall including the Potentate's visit on October 1 and a Fall Ceremonial in Saskatoon on November 12. Entertainment Committee chair Dave Meyers and crew will do us proud in preparing not only these events, but upcoming Friday Night Suppers. See you all at The Club.

Saskatoon Drums and Bugles at MidWest 2011 in Winnipeg

SWIFT CURRENT SHRINE CLUB

It is hard to believe that we are writing for the third edition of the current year's Warblings. There is a saying that if you're having fun, time passes quickly and the Swift Current Shrine Club is having fun.

Our summer parties in July and August were well attended. I think the Nobility likes to leave the lake and renew acquaintances. The laughter and chatter were contagious and, as usual, the food was superb. Our summer parties are designed to bring Nobles and Ladies together and not to have a formal meeting.

[CONTINUED ON THE NEXT PAGE]

SWIFT CURRENT SHRINE CLUB

The band and clowns have been busy with their summer schedule. The clowns have been enjoying parading with their new quads – they are easier on the feet. Maybe in the future, we could purchase enough for all in attendance to ride.

The band and clowns participated in parades at Ceremonial, Frontier Days in Swift Current, Shaunavon, Gull Lake and Medicine Hat. The Medicine Hat parade is the best one the Drums and Bugles take part in. There is always a big crowd along the parade route and they show appreciation for the efforts of the units by clapping and singing along. It was great to see WAWA well represented by ourselves, the Regina Drum Corps, the T-birds, and the Indian Head Steel Band. The Shriners of Medicine Hat treat all units royally with great grub and hospitality after the parade. It was nice to

see the Drum Corps perform part of their new routine for all the Shriners after the parade. As Ill. Sir Past Potentate Don McDougall, said they

can hardly wait to get the full routine under their belt.

We are looking forward to the official visit of the Potentate at our October meeting. It is always a pleasure to have as many Divan attend as possible. That night is “the night” for the big draw for our annual motorcycle raffle. As usual, Noble Butz has done a great job in spear heading this project. If you haven’t got your ticket by time of publication, any Shriner in Swift Current would gladly get you one!

Don’t forget that the Swift Current Shrine Club meets the 3rd. Wednesday of every month. Expect great grub and good hospitality. If you are in town, please don’t hesitate to drop in. **We are having fun!!!**

LEIPERT AD

MOOSE JAW SHRINE CLUB

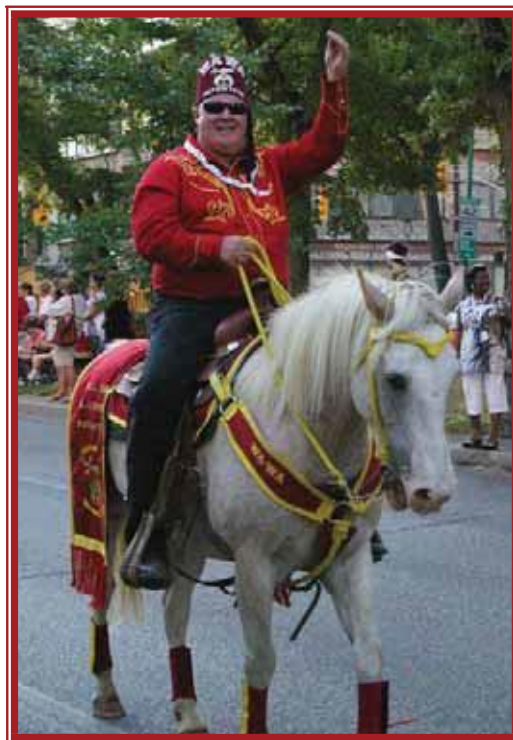

The Moose Jaw Shrine Club has had a very busy few months during the summer of 2011! Since kicking things off with the 2nd Annual Moose Jaw Shrine Club Children's Festival, the club has been hard at work celebrating Shrinedom, promoting the club and, of course, proudly parading around the countryside. This summer the club had units touring everywhere from right in our own back yard to Winnipeg and Denver and everywhere in between!

This year's parade season went by in flash with highlights coming in from the Rocky Mountain High: 137th Imperial Session in Denver. Lady Monica Hughes wrote in to tell us all about what happened in Denver:

The Equestrian unit and a couple members each from the Motor Patrol and the Hometown Fair Best Band award winning Oriental Band formed a convoy and went on an exciting adventure to the Imperial Session in Denver Colorado. The adventure started with a parade in Swift Current on July 1st, and then it was rush, rush, rush, Shrine style to get out of the country. The other Shrine clubs we visited along the way were absolutely wonderful, especially the Black Horse Patrol in Billings Montana. Wow! What a feed! The parade in downtown Denver was phenomenal involving numerous Shrine units from throughout North America. We met many new friends as well as old friends and a good time was had by all. Proudly, during the INSHP competitions, The Moose Jaw Hitch Team brought home the hardware with a Second Place trophy. There was much joy and merriment (most days) and in the end, we all brought home fantastic memories from Day 1 right through Day 9. Woo Hoo!!!!

With the tail end of summer upon us, the Moose Jaw Shrine Club is eager to get back into the club and continue growing their membership. In the spirit of growth and continued "gold" certification, the nobles have been hard at work re-

Ill. Sir Bevin Leipert riding "Curly" at MSA 2011 in Winnipeg

cruiting new candidates and resurrecting inactive members over 2011. With the impending Ceremonial and Hot Sands happening in November in Saskatoon, the Moose Jaw Shrine Club is doing everything they can to ensure a great turnout of new candidates for that weekend.

That's all for now! Stay tuned for more from the Moose Jaw Shrine Club and their efforts on growing the club!

Noble Chris Aparicio and in part by Lady Monica Hughes

The Equestrian Unit is not complete without the "Shovel Kings"!!

DRILL CORPS

The Drill Corps has taken on the duties and responsibility for carrying the flags for the WA WA Shriners under the direction of Noble Mel Douglas. Our first carry was at the 2011 Shrine Ceremonial held in Moose Jaw. Since then we have carried them in the Queen City Exhibition parade and also the two parades at the Mid-West Session in Winnipeg.

As there was no competition for us this year, we performed at the Forks in Winnipeg along with the Winnipeg Drums, the Regina Drum Corps and the small band from El Zagal. The weather was perfect and a good time was had by all.

We added an extra parade to our schedule this year. We went to the Town of McLean, which was a good country experience. They were happy to see us, as it was our first time out there. We also attended the Moose Jaw Exhibition parade. We ended our marching this year by

attending the Lumsden Duck Derby parade with other Regina units.

We wish to thank Noble Damon Cavan for joining our unit. Noble Damon joined the Shrine in 2010. We hope to have another new member from this fall's ceremonial.

We held our annual Golf Tournament and Barbecue at Sherwood Forest again and enjoyed another wonderful day. The burgers and bratwurst were supplied by Memories and they were great.

Now that we are in September the

hectic summer schedule is winding down. Some of our members will be thinking about going West and some will go South to get away from the winter. The rest will have to put up with the snow and ice. I guess someone has to do it.

Noble Lloyd Ramsdell*

Noble Ted Stadnick leads the Drill Corps Flag Unit at Ceremonial 2011 in Moose Jaw

PIPES AND DRUMS

Pipe Major Brent Blanchard is leaving for Lotusland. The land of laid-back weather and even better, laid-back folks. The land where the odd riot is OK; but Brent, don't play your pipes in public or you might get busted for busking.

Seriously, we from the country of boiling or freezing, sweating or shovelling, and spraying or being bitten alive, salute you. You've made it through the wire, send us a post card from the Ritz.

Brent leaves an enviable legacy

for WA WA in general, the Pipes and Drums in particular and the R C M P Pipes and Drums as creator, sustainer and inspirer. Individuals such as he cannot be replaced by other than

two if you're lucky.

Farewell Piper. Enjoy your Lotus Days. You deserve them.

The Band itself is striding toward winter after performing at Mosaic, Ceremonial, Regina Beach, three Sunset Ceremonies, MSA and two member weddings. Our final parade was the Lumsden Duck Derby which will be history when you read this. We'll continue to search for a replacement Pipe Major whilst soldiering on with our existing talent, the flower of which can keep things going on a team basis. We continue to recruit and train and have some good prospects visual. The strains of the Pipes and the beat of the Highland Drum shall not fade from the WA WA parade.

*Submitted by
Noble Graham Bradley*

Pipes & Drums at June Ceremonial in Moose Jaw

DRUM CORPS

Where has the summer gone? As with many of the other units of WA WA Shrine, the Drum Corps was busy busy busy with parades and seemingly endless practices for performing our show at the different venues throughout the summer. Our new Jersey Boys show would be much easier to perform IF we had the same nobles out for each show; however personal schedules prevent that, which results in the floor manoeuvres part of the show having to be slightly rewritten for each performance.

Our summer parade season started out, as always, with the Moose Jaw Exhibition parade. Moose Jaw can always be counted on for enthusiastic crowds along the parade route. Thank goodness it's all downhill! Our thanks to the Moose Jaw Shrine Club for their hospitality after the parade.

From Moose Jaw it was on to the July long weekend parade at Regina Beach. The Corps always enjoys a short but sweet parade especially when followed by a BBQ at the cottage of Noble Roy and Lady Jean Gaebel at Regina Beach.

To get us really warmed up for the summer, the Corps participated in the Indian Head parade and then the following weekend a bus trip to attend the Moosomin parade. For small communities it seems like our Lieutenant always takes the long way

around to let the whole town hear and see us. Our thanks to the Indian Head and Moosomin Shrine Clubs for their hospitality after the parades. Also our thanks to Noble Kirk and Lady Gwen Molder for their hospitality at Wolseley on our return from Moosomin.

Then on the bus for a road trip to the Medicine Hat Exhibition. This is one of the parades we really look forward to as the citizens of the Hat line the parade route three to four rows deep and always give us a warm welcome. The Corps performed our Jersey Boys show at the Bands in the Park to the general public and again to all the nobles and ladies who attended the after parade BBQ at the Medicine Hat Shrine Hut.

No time to rest as a couple days after our return to Regina the Corps was participating in the annual Queen City Exhibition parade. This is the longest parade the Corps participates in and it is always a testament to the determination of the Corps members. Long and hot as it was, we all made it through in one piece.

Again, no time to rest, as a few days later it was off to MSA in Winnipeg. In addition to the two parades, the Corps performed our new show in front of a couple hundred Shriners who had gathered for an after parade BBQ.

Many positive comments were received from Shriners and even members of the general public who observed the show from their high rise balconies which overlooked the parking lot where we performed. The

Corps had a second chance to perform our show for the general public at the Forks in Winnipeg and, after a technical glitch with our new sound equipment (we now have enough sound power to blow everyone away – if we can figure out how to use it), was well received. The Corps is getting so much sound equipment we feel like a travelling rock band – we almost need a tech savvy road crew with us which is something we will work on for next year. For any nobles still looking to join a unit, we can use someone who is savvy with sound equipment and you don't even have to know how to play an instrument, just like many of the rest of us!

The Corps wishes to extend its thanks to Noble Wayne Horsman of Indian Head, who has joined our new show to "jam" with us on his saxophone. Even though he lives in Indian Head, his diligence in attending our practices is greatly appreciated and the addition of his saxophone to our music received positive comments in both Medicine Hat and MSA. Thank you Wayne from all the Drum Corps.

The Corps finally got to take a summer break (actually we are too pooped to parade any more) over the rest of August with our last parade being the Lumdsen Duck Derby over the long weekend in September. This parade was followed by a wonderful BBQ and refreshments at the country home of Ill. Sir Randy Ball and Lady Audrey Colhoun. Now, it's back to practicing to expand and perfect our new show before many of our members become snowbirds.

As always, if any Regina area noble is still deciding what unit to join and is interested in seeing (and hearing) what the Drum Corps is all about, please feel free to come join us Monday evenings at 7:30 at the Regina Shrine Centre.

Noble Marlowe Smith*

SHRINE GOLF 2011

We had a great weekend for the Shrine Golf Tournament in the Battlefords July 22nd to 24th. There was a get together Friday evening at the Lodge that was well attended. We had a shotgun start on Saturday, followed by a banquet back at Ionic Lodge. Sunday morning, the Nobles from the Battlefords Shrine Club hosted a breakfast at the lodge that was enjoyed by all. Shotgun start at 8:30 Sunday morning had us finishing early right after lunch. Congratulations to the winning team of Don Berg, Olive Hein, Audrey Forrest and Gerry Armsworthy. Second place went to the team of Garth Sanders, Bill Fitzsimmons and Gordon Mair. Third place was Clair Philips, Irma Armsworthy, Chad Forrest and Glenn Hunter.

Will We Be “Gold” In 2011?

As all of you know, we were one of 29 Temples (out of 194) which obtained a gold standing in 2010. That means that we had positive growth. This was due to a lot of hard work by many of you. We introduced 46 new nobles last year – a fantastic number. To remain golden, we need a similar number in 2011.

Our June ceremonial in Moose Jaw resulted in 16 creations so we have a lot of work to be done. In our estimation, we will need a similar number of new nobles to stay “Gold”. Let’s do it. We need 30 this fall.

Has your club embarked on a program to get new nobles? Can we help? I’ve heard that Wyn-El-Wa, Prince Albert, Saskatoon and Regina have candidates for this fall’s ceremonial. We need 1 or 2 from each of you. Sixteen clubs @ 2 each = 32 new Shriners and we would be GOLD.

We have decided to hold a full ceremonial in Saskatoon on Saturday November 12th. It will include a Hot Sands 2nd Section. Included on the next page is the proposed format including cost. You will see that it will be inexpensive for you and your lady to attend. We know it will be a lot of fun and, for your ladies, perhaps some time to do some Christmas shopping. We are planning to send a bus from Regina. There will be some seats available at a cost of \$20 per person. We will leave Regina at 7:30 am and return to Regina by around 10 pm. More details will be sent to your clubs when they are completed.

Another big change in the process is transferring the membership chairman’s role to Noble Chris Aparicio. You all will hear much more from him and when he returns from the Membership Seminar in Tampa in mid October; he will be like a race horse at the gate, so get ready to be busy.

We would like to give you some background about Chris so you may get to know him better.

Chris Aparicio was a patient of the Shriner's Hospital from just six months after birth until he was 14 years old. Chris grew up in the Shrine as a patient and knew at a very young age that he, like his grandfather Noble Vern Traill, would some day become a Noble in the Mystic Shrine. At the age of 29, Chris became the youngest Master Mason at Moose Jaw Lodge #3 and very quickly embarked on his life in the Shrine.

A very active member of the Moose Jaw Shrine Club, Chris has been a member of the motor patrol, Gourmet Club, Lottery Dinner Committee, director on the executive for the Moose Jaw Shrine Club and currently heads up the communications for the Moose Jaw club. He now sits in the role of 1st Vice-president and will be President for the 2011/12 year.

One of Chris' first roles as a new noble was the position of New Noble Liaison. It was in this role that Chris formed

a passion for the promotion of the club and Shrinedom. As the incoming Membership Chair for WA WA, Chris has big hopes for growing the membership here in Saskatchewan. It is his goal to maintain the "gold" status of WA WA by ensuring that we see positive growth year after year.

Chris plans to be in close contact with the membership team at each club in the province to assist and facilitate in each club's growth. New ideas and implementation of great existing ideas will be the recipe to growth to start and we will work together to recruit, retain and reinstate as many members as possible for the next number of years and so forth.

Chris encourages any and all nobles that have ideas and/or thoughts on how we can work together to grow the Shrine membership here in Saskatchewan, you are free to call him at (306) 630-6880 or email him at caparicio@rawlco.com

Finally, let us just say that you would be amazed at how many new nobles we can get if you simply show your passion for what we do and by simply asking your friends and acquaintances if they would like to join our wonderful fraternity.

Noble Bill Forrest
Membership Chairman
billforrest@wawashriners.org

Saskatoon Masonic Hall (Job's Daughters)
Remembrance Day Ceremony at Credit Union Centre Nov 11 10:00 AM
Wear your Fez! (We always get a great turn out for this)
Shopping – the Malls are open

"The problem with winning the rat race is you're still a rat."

~ Lily Tomlin

None of us likes to lose; we all want to be winners. But what, exactly, does winning mean? And what if we decide we don't want to compete? Does this automatically make us a loser?

Maybe it's time we got rid of the idea that life is a kind of race. What if, instead, we saw life as a kind of dance, where the idea isn't to win but to learn new moves, execute them gracefully, and, above all enjoy ourselves?

I want to win as much as the next person, but I don't feel obliged to accept someone else's definition of winning. My own definition of winning is to maintain my integrity, optimism, and compassion in the face of events that threaten these qualities.

Ill. Sir Happy Schuur

DONOR RELATIONS

The following is adapted from an email by the Imperial Potentate, Imperial Sir Mike Severe. "After reviewing our organization, I realize that we need to separate the leadership function of Donor Development and Public Relations, as it currently exists, to deliver...needed enhanced concentration and results. From my vantage point, success will come from this new focus on Donor Development and a system that involves all Shriners as well as our excellent professional staff. In ushering a "new era," stress will be placed on revitalizing the fraternity while linking more closely both the Shriners and our hospitals. Emphasis will be on energizing the base-- our Shrine temples--while maintaining a stronger national presence. Every Shrine temple will be part of "local focus." Donor Relations will hereafter be known as Donor Development."

From the desk of H.I. Stroth, Corporate Director of Donor Development. "What to expect from our new relations semi-

nars. Our spring 2012 Donor Relations Seminars will include volunteer education supporting Donor Relations committee members working with fellow Nobles, existing donors and members of the local community to obtain gifts. These sessions will also include information and training in planned giving initiatives such as charitable gift annuities, bequests, trusts, property donations, etc. Attendees will receive reports and updates on regional and national Donor Development programs, keeping everyone in the loop on our progress. To continue providing the highest quality care for the children and support for their families, we must adjust to the external factors in the world around us and plan carefully for a vibrant long-term future."

*Submitted by
Noble Ron McEachern,
Donor Relations Director*

 Initiated: June 13, 1979
 Deceased: August 22, 2011

Nobles of Fame, Distinction and Honour

FOURTH IN A SERIES
By Noble Michael A. Parkes
Editor-in-Chief

What can you say about a Noble that has been in, at last count, 197 movies, is 92 years old and still going strong. One word comes to my mind, hurrah!

Ernest Effron Borgnine was born January 24th, 1917 in Hamden, Connecticut to Charles and Anna (an Italian Countess, née Boselli) who had emigrated from Ottiglio, Italy.

Borgnine joined the United States Navy in 1935 after high school. He was discharged in 1941, but he re-enlisted when the United States entered World War and served until 1945 (a total of ten years), reaching the rank of Gunners Mate 1st Class.

After the war he returned to his parent's home with no job and no prospects. It was his mother who suggested that with his forceful personality he would be perfect for a stage career. To his mother's surprise he took her suggestion to heart. In 1947 he landed his first stage role in "State of the Union". During 1949 he debuted on Broadway in the role of a nurse in the play "Harvey".

In 1951 he moved to Los Angeles where he received his big break in the blockbuster movie "From Here to Eternity" alongside Burt Lancaster. I remember him giving an interview many years back. Apparently a friend of his suggested that he drop the front of his pant down slightly so that his stomach protruded to give the impression of an overweight slob. He attributed that move to his getting the part.

I guess we have all seen Ernie, in many movies over the years, and like you I have some that are my favourites. I guess the big one for me is the Sam Peckinpaw movie The Wild Bunch. I confess that I watch that movie at least 5 or 6 times a year and have owned it in VHS and now DVD. If you have never seen this movie, shame on you. In my books it is the best Western ever made, bar none.

Not mentioning McHale's Navy would be an omission many people would not forgive. Although a fan of that show, I don't think it gave Ernie the depth of acting that he is more than capable of even though he received an Emmy Award nomination for Outstanding Lead Actor in a Comedy Series. The

series ran for four years and was cancelled at the end of the fourth season in 1966.

Ernie holds the 33rd degree of the Scottish Rite of Masonry and has long been active in the craft as well as being a Shriner. He also is recipient of the Grand Cross, which is the highest honour for service to the Scottish Rite.

I know that all Masons and Shriners worldwide join me in wishing Brother and Noble Ernie, good health and longer life. If anyone deserves to celebrate a 100th birthday, it is Ernest Borgnine.

AN EXCERPT FROM GENERAL ORDER NO. 1: FUNDRAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 USE OF NAME "SHRINERS HOSPITALS FOR CHILDREN." The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§503.10 The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fundraising for Fraternal Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any fundraising activity without the express written consent of the potentate of the temple having jurisdiction thereof.
- (b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.
- (c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.11 of the fraternal and charitable bylaws.
- (d) The temple potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and additionally, as may be required by the temple bylaws.
- (e) A copy of the temple potentate's written consent shall be mailed to the Executive Vice President, Imperial Council. Further, such written material pertaining to the fundraising activity, as requested by the Executive Vice President, Imperial Council shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children, and said activity shall not be in the jurisdiction of any other temple. Permission therefore must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Chairmen of the Boards of Directors and Trustees. This request for written permission shall be sent to the Executive Vice President, Imperial Council, P.O. Box 31356, Tampa, FL 33631-3356.

However, a joint charitable fundraising activity with another §501(c)(3) charity may be authorized provided that a minimum of 50% of the net proceeds are for the benefit of Shriners Hospitals for Children, and the Chairmen of the Boards of Directors and Trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

- (b) 100% of net proceeds (as defined in the Charitable Fund Raising-Approval And Reporting provisions of any existing General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient

Transportation Fund, pursuant to the Special Purpose Funds provisions of any existing General Order. Provided, however, if the Chairmen of the Boards of Directors and Trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution.

- (c) The temple shall report the result of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fund Raising-Approval And Reporting provision of any existing General Order.
- (d) This section shall not apply to activities exempt under §335.4(b) of the bylaws of The Imperial Council.
- (e) Each independent corporation or entity that receives the permission of the Chairmen of the Boards of Directors and Trustees to raise money for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to §334.6 & §337.8 of the bylaws of The Imperial Council, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclosure:

- (a) Every fundraising activity must contain factual information on its solicitation material, tickets, programs and documents, including all electronically transmitted materials, regarding the use of the proceeds.

Examples:
"Proceeds are for the benefit of (_____) Shriners (_____) Shrine Club) activities."

"Proceeds are for the benefit of Shriners Hospitals for Children."

- (b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on the solicitation material, tickets and documents that "payments are not deductible as charitable contributions."
 - (c) There must be compliance with the Revenue Act of 1987 provision of any existing general order by U.S. temples.
- ### 4. Compliance with Applicable Laws:
- It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fundraising activities.

5. Financial Records:

- (a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.
- (b) The temple must retain such detailed financial records for a period of seven (7) years.
- (c) There must be compliance with *Financial Reporting on Charitable Funds and Activities* provision of any existing general order.

6. Notification to Nobility:

A copy of the *Fundraising Activities* provisions of any existing general order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, Noble or temple which violates a provision of *Fundraising Activities* is subject to discipline pursuant to the bylaws of The Imperial Council.
