Wow, time flies when you're having fun! As our year draws to a close, Lady Betty and I look back on the events that occurred throughout the year, the time we spent with our friends we don't get to see to often and of course the meeting and making of new friends. It doesn't get any better than that.

The AGM was well attended and we thank you all for making it a great start to our year as Potentate and First Lady.

Next on the agenda was MSA Mid Winter (Sioux Falls), followed by Ceremonial. Saskatoon so graciously agreed to host ceremonial. They did an excellent job in planning all the events. Thank you very much Saskatoon. Twenty-two candidates became Nobles at the ceremony; we welcome you and your Ladies to WA WA. Membership is very important and must be one of our top priorities. Membership Chairman Noble Bob Keep will be coming out with new plans for recruiting, please assist him whenever you can.

We now have an official hospital opening date which is August 20th, 2015. Information regarding attending the opening will be distributed in the future. Presently WA WA has contributed just over \$800,000 which is just over 500 percent of it's original commitment. You should be proud of WA WA as we are the number one amongst Canadian Temples. The hospital has a program which will allow for the name of a donor in excess of \$100 000 to a room in the hospital. The estates of Maria Tetarenko and Ill. Sir Bevin Leipert qualify and will have rooms in their honor.

As you can see we are getting close to summer and it's activities. The golf tournament was held in Prince Albert this year and big thanks go out to them for the excellent work they did in hosting the Tournament. It will be in Regina in 2015.

Imperial was attended by Divan members and the WA WA Drill Corps and Noble Bob Keep and Lady Liz. A good time was had by all.

Many of our Clubs/Units participated in parades all across the province and also outside the province. I am pleased to see this happening as it promotes the Shrine and WA WA. Congratulations to all of you for the fine work you do in promoting WA WA Shriners. Lady Betty and I visited some of the clubs this summer; the hospitality was excellent, thank you.

We are now looking forward to our fall visits, installations, cold sands and long service awards as they will continue into early December. There is a possible four or five new Nobles.

Last, but not least, I want to congratulate our new recorder David Paul, Administrative Clerk Lisa Dunbar, Secretary Georgia Crone and Treasurer Marlowe Smith for their dedication to looking after our day to day business. David is doing an excellent job in renting out our facility for additional revenue and making improvements to administrative functions in the office.

It's time for one last message before I go. I want to thank the Divan and their ladies for their support during the year, it has made my work and Lady Betty's much easier, "Thank you". Also, a special thanks to our ambassadors who were always ready and willing to assist us. To the WA WA nobility thank you so much for making our year a very enjoyable one. Then there's Lady Betty, I thank you especially for your support and guidance throughout the year.

Thanks again WA WA for a wonderful year.

Faternally yours,

Ill. Sir Ken Eskdale

POTENTATE MESSAGE

David, Georgia & Lisa would like to say a BIG thank you to Ill. Sir Ken Eskdale for his commitment and support in 2014. He was always eager and supportive for the new ventures the office implemented and gave useful advise. The Ill. Sir was always great for bringing coffee as well and Lisa had a few good chuckles listening to him and the Recorder bicker like the Odd Couple lol.

Ken is a very hands on Potentate and strives to make positive changes that would not only help the Shrine during his year but for many years to come, which is the formula for leaving a true legacy. We would like to wish him the best of luck on the new responsibilities he will take on with the Shrine in 2015 and know he will put in 110% just like he did this year.

RECORDERS MESSAGE

We are well on our way to all the new and major changes we have made in the office to be more productive, and major cost savings. After 8 months of hard work things are coming together and we are seeing results.

Our building rentals and awareness campaign is generating revenue, awareness on who we are, what we do and most of all about our Hospitals.

Thank you to all that have helped and I look forward to more growth in 2015, new Nobles and families, more activities in our building and promoting our units.

There is a Stated Session coming Nov.18th at 7:00 pm. and we encourage everyone to attend. We also encourage to bring in new members and work to grow our units and create new and exciting ones that will attract younger members.

First Lady Betty's Project

As the year is coming to a close,
And the duties of the First Lady are dwindling
You ask how our year is going
And it seems it is almost ending
The generous spirit of the people
whom we have had the joy of visiting
Will stay in my heart forever

of the many happy visits she will be able to have in the upcoming year.

As the Shriner's booth at the farmer's market was a stopping place for Shriners or relatives who had long since stopped attending functions, who enjoyed telling us of their past and future. As Barry and I were tying balloons, and I was calling out and encouraging kids to line up for face painting. Lisa was so ready to do everything to make our presence in the community a success and David so gung-ho with ideas for renting out the facility. This has been an outstanding year and I am so glad I got to be a part of it.

Thank you for attending functions, whether it in body or spirit, thank you for your support, your gifts and donations and thank you for being a part of the Shrine.

It has been a joy to witness the dedication of the Ladies and Nobles who are so proud to belong to our WA WA family and to be able to sit and visit, to enjoy their lovely teas, meals and hospitality and realize we are on big family. Our Ladies Auxiliaries in Swift Current and Regina have had a busy year and their generosity, creativity and hard work are to be admired.

I prepare the travel basket for the incoming First Lady and think

Donor Development

As we approach the end of 2014, may I take this opportunity to thank each and everyone who has made a donation to the WA WA Shrine Patient Transportation Fund and also to Shriners Hospitals for Children-Canada. Several families have made major donations that will help our children for many years to come.

In the last edition of the Warblings I said that we had received the new edition of "Leaving A Legacy of Hope", this brochure deals with a General Bequest, the Bequest of Residue and the Bequest of Percentage of Residue. There is also information on Donor Appreciation Programs and other Planned Giving opportunities such as Gift of Stock, Life Insurance etc. This brochure is available at the WA WA Shrine office in Regina, phone 306-569-2284, call and it will be mailed to you.

With the information in this brochure and a talk with your financial adviser you can make the years ahead much better for our children attending and receiving the care they so desperately need in our hospitals. I wish you all a happy and prosperous 2015 and please keep our children in mind.

Noble Ron McEachern,

Donor Development Director

From the office of Leipert Financial - Bevin

For most it is natural that if we're successful, we want to give something back to the less fortunate and help them. This was true for Bevin, he believed in the WA WA Shrine Transportation fund and he cared about the children that were helped. That is why he used life insurance as a way to leave a larger gift than one might think possible. Please consider life insurance as a tool for Charitable Giving.

Who Else Wants To SAVE Up To 37% On Their Home Insurance?

For me, the most important thing is reasonable insurance rates, and your company for me has been the best price I can find.

The Indian Head Shrine Club held it's annual Rose Day in June selling more roses than expected. A Shrine / Mason Bar-B-Que was held at the acreage of Noble Irv. Escott with a good turn out of members and invited guests.

Ill. Sir Ken Eskdale installed the 2015 Club Officers and presented Noble Escott with his 25 year membership pin. Club President Noble George Dragan presented Ill. Sir Ken with cheques from the rose day project, the coin boxes and a gift for he and Lady Betty.

The Club assists at the Mainline Music festival in Indian Head and delivers "Meals on Wheels" in January.

The WA WA Steel Band only played in two parades this year. Age is taking it toll, so the band trailer is to be re-modeled to lift the roof without too much stress on the Nobles.

The band is always looking for new players. Reading music is not a requirement because the leader just plays what's in his bald head!!

Great Club Promotion!

Moosomin Shrine Club ended a busy season by once again delivering Meals on Wheels in October which the Club looks after two months each year.

Our Go - Cart Patrol Unit put the carts away in storage following a busy parade season led by Noble John Berns. Good job Nobles.

October also saw a fantastic public relations and fundraising project with the Eli Barsi supper and concert at the Conexus Community Centre. Eli, and special guest Ray St. Germain, put on a great show and members of the Moosomin Philippine community provided tremendous help with food prep and serving.

The highlight of the evening was a presentation by Carter Brown and mom Jennifer! Carter told his amazing story, what a wonderful Ambassador for our Shrine Hospitals he is, hardly a dry eye in the house.

We also had fine coverage from our local paper, the World Spectator, which ran extensive coverage before and after the event, which happened to coincide with the paper's "Get Involved" edition.

"Get Involved" promotes readers to join local volunteer organizations, profiling what they do in the community. Moosomin Shrine Club was front and centre with our information and photo's of projects like the Eli Barsi concert.

BATTLEFORDS SHRINE CLUB

The Battlefords Shrine Club had a busy summer. We held a barbeque in June that was well received by the community. The Odyssey car stopped here on June 25th and we had the news media present as well as a few of our local politicians. It was a successful stop on their journey across Canada.

Our Scooter patrol attended parades in Prince Albert, Saskatoon, Battleford and North Battleford. We were joined in our parade in North Battleford by Shriners from around the province. A big thank you for joining us. Our presence was so large we spread out almost a whole block long.

We continue to meet on the second Sunday of the month where we have the Scooter patrol cook breakfast. If you are traveling through the Battlefords during our meeting time we would love to have you.

We look forward to having our new executive installed in November and to a busy 2015.

L to R: Nobles Don Finan, Bill Pizzy, Pat Hutchison, Glenn Hunter, Chuck Keilback, Tom Dutton, Bill Fitzsimmons and Wally Bayne.

Prince Albert Shrine Club

On October 11th the P.A. Shrine Club held a breakfast meeting. In attendance was our liaison officer, Noble Harry Martin. Several items were discussed at length. One item was ways of getting ourselves more in the public eye: what we presently do and what we could be doing to get the public knowledgeable. We are MUCH more than parades.

Noble Harry presented a plaque on behalf of WA WA to Noble Ed La Marche who represented the winners of the WA WA Golf Tournament held in Prince Albert on July 25th-27th.

Plans are presently underway for us to again "Ring The Bells" for the Salvation Army in December.

Our next meeting is scheduled for November 29th. This will be a catered dinner at a local restaurant and will be attended by our Potentate, Ill. Sir Ken Eskdale.

Ramblings from Speedy Creek

It is hard to believe that I am now reporting for the final edition of this year's Warblings. Where did the summer go? The Swift Current Shrine Club has had another successful year in terms of parades, the motorcycle raffle and other Shrine activities.

Many thanks are extended to Ill. Sir Ken and Lady Betty for another year of solid leadership for our great organization. One does not appreciate the dedication, commitment and time that our Potentate and the rest of the Divan do in making "kids smile, be happy and healthy".

Special thanks are extended to all members of the Swift Current Shrine Club for another year of a job well done. When in Swift Current, we have the philosophy of making sure it is done right and we do it right.

The membership had the pleasure of entertaining the Potentate and his Lady at our October meeting. Of course, this was the night of the "big draw" for our motorcycle raffle. Illustrious Sir and Lady Betty spoke eloquently about what we are and what we stand for - thank you. Great food and fellowship was the theme for the evening.

For your information, the winners of this year's raffle are as follows:

- 2014 Harley Davidson - Harley Hagman (S. Current)
- \$1000 Cash - Mervin Watson (Success)
- \$500 Cash - Myrtle Donaldson (S. Current)

Special thanks are extended to Nobles Bill McCaan, Herb Butz and Biss Wiskar for the great work they did in making this raffle a success. Somewhere in the neighbourhood of \$20,000 will be turned over to the Shrine Centre.

Don't forget, the Swift Current Shrine Club meets the 3rd Wednesday of each month. Supper, fellowship and friends make for a great evening. Join us at "The Hut".

PARKLAND SHRINE CLUB

Our annual Madge Lake Golf Tournament was held on Sept. 21st this year, later than usual due to weather conditions on the planned date. There were rumours of a "Ping" in from another lake with a golf course in the area. The runner up team attempted to counter this threat with a "Supena" from Yorkton but, alas it was not to be. Attendance has been dropping and it might be that the time and location will be changed.

Remembrance Day wreaths were placed in Yorkton, Melville and Kamsack on Nov. 11th.

L-R: Runners Up Noble Bill Ruehlen, Wes Supena, Lady Bernice Makowsky & Noble Stan Stone

The Parkland annual meeting is scheduled for Sunday, November 16th. Ill. Sir Ken Eskdale plans to attend and will install officers for the upcoming year. We also have a speaker booked - Dr. Faye Myers from Parkland Community College will talk about the new Trade School now under construction in Yorkton.

Calendar sales appear to be going well. Nobles, Masonic Lodge and Eastern Star will help man the Salvation Army Kettles in December for 2 days. We are also planning on one more parade - Yorkton Santa Claus Parade this month - weather permitting.

L-R: Nobles Al Makowsky, Don Beggs, Ladies Carolyn Ruehlen & Judy Stone

SASKATOON SHRINE CLUB

We've been busy this year and all the parades are concluded except for Drums & Bugles who will be performing at the Nov. 11th Remembrance Day Service at Sasktel Place. It's the largest service indoors on November 11th in Canada.

Friday night happy hour suppers are still a hit and continue through the rest of the year. Our children's Christmas Party is December 14th and is always a well attended event.

On July 26th, the Saskatoon Shrine Club celebrated the 70th birthday of one of our clubs Ladies. The dance floor was quite full when suddenly a man collapsed. He was unconscious. Fortunately, one guest was a doctor and two nurses were present and immediately began chest compressions. A defibrillator was available, and under the doctors supervision and guidance from the equipment the mans heart restarted and he was able to breathe a little. After almost two weeks in the hospital this lucky man was discharged with a pacemaker/defibrillator installed. He lived on a farm 70 miles from S'toon and at least 30 miles from the nearest hospital. If he collapsed at home he would not have survived the event. The doctor also confirmed that without the defibrillator, the outcome would have been uncertain. Many thanks to the individual who donated the equipment to the Shrine Club- it definitely saved a life!

LADIES AUXILIARY

The WA WA Shrine Ladies Auxiliary held their annual Oktoberfest on October 24th. We had a lively crowd and the meal was enjoyed by all. Guest Brian Lowe won the Beer themed raffle basket. After dinner everyone was entertained by "Rainbow" the clown. Thanks to Convener Sue Butz and all the ladies who helped make this a successful event.

Ladies from the Auxiliary had an opportunity in October to sell our raffle tickets, Shrine Calendars and mega bloks cars at the Regina Farmers Market. Talking to the public and hearing their connection to the Shriners has been a great experience. The Market is a wonderful opportunity to raise the Shriners profile in the community.

All Shrine ladies are welcome to join the auxiliary. We have 8 meetings a year including 3 dinner meetings. We raise money to support the Temple and promote fellowship among our members.

Auxiliary History 60 Years Ago

60 years ago the Ladies Auxiliary was already 30 years old. There were eight Auxiliaries functioning in the province. Each Auxiliary was assigned an amount to raise for maintenance of the Winnipeg Hospital.

The Regina Auxiliary, with 192 members, sent \$500.00 and Saskatoon, with 58 members sent \$200.00. In the first part of the year, meetings were held in the Palm Room of the new Shrine Temple.

The Saskatchewan Auxiliaries and Eastern Star Groups sewed and sent 2685 items of clothing and hospital needs to the Winnipeg Shrine Hospital plus \$1370.00. Saskatchewan had 50 Shrine children in 1955 and the Auxiliary made holiday's special for them by sending gifts for Valentine's Day, Easter, Halloween and Christmas.

The WA WA Ladies Auxiliary proudly purchased a new Royal typewriter plus flatware and dinnerware for the new Shrine Temple at a cost of \$2452.00. This year the ladies have started a long running tradition of supporting the Shrine Temple.

Proudly serving our communities
since 1937.

Good day Nobles!

This year is almost over and as usual the Pipe Band has had our elections of new officers.

President - Darrell Dickson

Vice President - Doug Campbell

Secretary - Ron Hitchcock

Treasurer - Glen Dalrymple

Congratulations to all. The Pipe and Drums also elected a new pipe major, Darrell Dickson. We know he will do an excellent job and hopefully the band will be out performing in the future.

The band had their annual mess dinner at the Shrine Temple on October 30th.

When October comes around---that means annual meetings and election time to change our officers for the coming year.

The parade at Lumsden was once again a success. It was nice to see a large contingent of Shriners in the parade. The Duck Derby followed, but haven't heard of any winners in our ranks, better luck next time.

Ill. Sir Randy Ball once again hosted all the parade participants at his farm for which we owe him a great big thank you! the Drum Corps showed off their rendition of the music from the show The Jersey Boys. Great job!

Drill Corps at Lumsden Duck Derby Parade

The Drill Corps are now in the process of changing their drill! We feel it is time for a change.

We have done our rendition of the musical ride for quite some time. Our members are older and need something easier to learn for new comers.

We once again are hosting the Highland Christmas dinner. This will be our third time and with the help from the Pipes and Drums and the Armsworthy's we have made it a success.

Fall also means that some of our members are making plans to go south or maybe west. We hope that the Never-say-die who remain here have a good mild winter and best Christmas & New Year.

CHRISTMAS

WAWA KLOWN UNIT

From October 24th - 26th the Regina KlowN Unit held their KlowN Kamp at the King Hiram Lodge. They brought in professional Clown and Inspirational Speaker "Rainbow". It was an amazing weekend of fellowship, food and information.

Klowns from all over attended, there were also a couple of "newbies" looking to get into the business.

A special thank you to Lady Pat Birchall for all her planning and work.

The KlowN Kamp participants gathered on Friday, October 24th at the Ladies Auxiliary Oktoberfest where Rainbow entertained the crowd. Thank you to the Ladies Auxiliary!

Shrine Circus

The WA WA Circus is making changes in the financial structure of the colouring book that will require Units to pay the cost of advertising space if they are submitting only a page of "Welcome" to the circus and not providing kids activities or content.

However, if a Unit provides a content article such as you read in a magazine promoting their Units by providing history and activities then the article will be free of charge. This is our way of improving the quality of the overall publication.

Christmas Tree Safety

As you deck the halls this holiday season, be fire smart. A small fire that spreads to a Christmas tree can grow large very quickly

PICKING THE TREE

Choose a tree with fresh, green needles that do not fall off when touched.

PLACING THE TREE

Before placing the tree in the stand, cut 2" from the base of the trunk.

Make sure the tree is at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or lights.

Make sure the tree is not blocking an exit.

Add water to the tree stand. Be sure to add water daily.

LIGHTING THE TREE

Use lights that have the label of a recognized testing laboratory. Some lights are only for indoor or outdoor use.

Replace any string of lights with worn or broken cords or loose bulb connections. Connect no more than three strands of mini string sets and a maximum of 50 bulbs for screw-in bulbs. Read manufacturer's instructions for number of LED strands to connect.

Never use lit candles to decorate the tree.

Always turn off Christmas tree lights before leaving home or going to bed.

After Christmas

Get rid of the tree after Christmas or when it is dry. Dried-out trees are a fire danger and should not be left in the home or garage, or placed outside against the home. Check with your local community to find a recycling program. Bring outdoor electrical lights inside after the holidays to prevent hazards and make them last longer.

FACTS

ONE of every three home Christmas tree fires are caused by electrical failures.

Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.

A heat source too close to a tree causes roughly **one in every six** of the fires.

Chili

Breed: Labrador Cross
Gender: Female (spayed)
Age: 2 years
Size: Medium - Large

Chili's Story: Chili came into rescue in Feb of 2014 a stray from the MeadowLake district. Chili had just given birth to seven puppies, which we called the beans.

Chili is friendly and gets along well with people. With introductions she does well with larger dogs and is working on her reaction to smaller dogs. She knows her basic manners, sit, stay, lie, down shake a paw, she is spayed, up to date with vaccinations, house and crate trained.

This holiday season the Regina Office will have a bin for donations for Bright Eyes Dog Rescue in Regina. Any donation of dog food, treats and toys will not be turned away, but they do have a "wish" list of badly needed items:

- Small and medium exercise pens
- gas cards for transport of dogs...
- bleach & cleaning supplies
- monetary donations (receipts are automatically issued for donations over \$25, for smaller donations, please ask)
- high quality dry dog food - Adult & Puppy (not Senior or Weight management)
- Good indestructible chew toys such as Kongs
- Antlers and hoofs (as they are stronger than raw hides)
- Med. & Large dog beds

Unfortunately, most of the dogs needing rescuing are larger breeds which can be more costly to maintain. Thank you and have a happy holiday season.
