It is difficult to believe that one third of our journey as Potentate and First Lady has gone by so quickly.

Feb 13th and 14th 2015 Mid West Shrine Association held their winter session in Fargo. The Imperial Membership Chairman requested that all Temples invite Nobles from our clubs to attend, in total 17 nobles travelled by bus to Fargo. All who attended enjoyed the hospitality of El Zagal and agreed that it was very informative and very worthwhile.

There have been some major changes in the administration office. We said goodbye to Georgia Crone after 22 years of dedicated service. Georgia was able to survive 22 Potentates. Thank You Georgia for your dedication to the world's greatest philanthropy, we wish you well in your retirement.

We welcome Deborah MacDonald and Karen Watkins to the administration office. Also a brand new membership software program that is connected directly to Tampa, will be installed, all information will be current and up to date eliminating some problems of the past.

Lady Jean and I were pleased to attend Swift Current Annual Steak Night on April 15th, along with Noble Wayne and Lady Synde Flaten. We were truly honored to be seated with Jerrod Schafer Mayor of Swift Current.

By the time this goes to press we will have attended Moose Jaws Annual "Little Chicago Nite" a huge and exciting fundraiser for Moose Jaw Shrine Club.

The first Stated Session as well as the annual Past Pote's evening will be behind us as we will be looking forward to the Circus Circuit and plan on attending all performances in the province.

Plans for Ceremonial are coming together and we encourage each and every one of you to attend this one day event in Regina June 27th as well as other functions that will be happening throughout the province this year.

Lady Jean and I would like to express our sincere gratitude for all the support we have received from all nobles and their Ladies, friends and family.

Thanks to you "Shrine Kids Have a Sunny Future".

RECORDER'S MESSAGE

The Regina Farmer's Market RFM has been a great success and a great fit with the Shrine. Our Shrine table has raised good funds through the Saskatoon Club Boat Raffle tickets, Swift Current Club Harley Davidson Raffle tickets and Regina Club Lottery Scratch tickets. As well as, the Hill Billy Unit hot dog sales out front and the Drill Corps Unit beef jerky sales plus much more.

I have spent the past several months developing a Red book that will have all our forms and templates for the Shrine and it will be online soon!

We have two new office staff. They have a lot of new skills to take our office to a new level and bring us into the 21st century in cost savings and improvements in overall operations of the office and great team work.

Over the coming weeks and months, we will be focused on completion of the following projects:

- A lot of new upkeep on our building and improvements have been done.
- A new company for our Fez will introduce some minor changes.
- It's been a great start to the year with lots of bookings on our halls. We are booked solid up to October 2015.
- Our current Website and The Warblings will have a new look and more creative details about the Shrine highlighting what we do. Remember current and past issues of The Warblings are available online. The website is starting to draw a lot of public interest.
- A new website has been started and it will be up hopefully by fall.
- The Drop Box will also be coming soon.

Remember, it is that time of year to recruit new members and young families.

911 NEVER FORGET EXHIBIT

In 2013, The Stephen Siller Tunnel to Towers Foundation created a mobile exhibit as a tribute to all those lives which were sacrificed on September 11, 2001 including Canadians. The 9/11 NEVER FORGET Mobile Exhibit is a tool to educate Canadian and American youth about the historic events of that day. A high-tech, 53-foot tractor-trailer, which unfolds into a 1,000 square foot exhibit, serves as a poignant reminder of that tragic day.

The memorial provides interactive education; including artifacts such as steel beams from the towers, documentary videos, recordings of first responders radio transmissions and live tours by NYFD firefighters. Entrance into the exhibit is a part of the admission to the entire event. This will commemorate the 14th anniversary of Sept. 11, 2001, terrorist attacks. As part of the salute, you have the opportunity to see this great museum presented by:

WA WA Shriners

**SASKATOON
SHRINE CLUB**

This will be the only Canadian Stop and Display of this traveling Museum. This will be the last year for the Air Show as we know it. The name has been changed to Canada Remembers Our Heroes "Tribute to Veterans Project".

Since the focus is on Heroes that will also encompass our Military; who after World War II have served throughout the World and most recently Afghanistan, Iraq and the whole Middle East and most recently the fight against terrorism and ISIS.

Heroes come in many shapes, sizes and dimensions. A hero is known as a person noted for feats of courage or nobility of purpose, especially one who has risked or sacrificed his or her life. This includes Policemen, Firemen and many more walks of life.

We will all be part of the Tribute to Heroes as The Shriners are often unsung heroes who silently go about their daily lives finding ways to help those Children in need !!!!

Dear Ill Sir Roy Gaebel,

As you are aware, our Dedication Ceremony for our new hospital will be held on August 20th at which time we will proudly unveil our Campaign Donor Wall in the main lobby. It has been brought to my attention that many of your Nobles would like to have their name on the Donor Wall in time for the official Dedication Ceremony. Therefore, this letter is a gentle reminder that we must receive their pledge by the end of May at the latest.

You can reply by e-mail to Loretta Drudik at: ldrudik@shrinenet.org; If you have questions about an existing donation, please contact Loretta at 1.800.361.7256 or (514) 282-7188.

Power of Attorney Act changes in Saskatchewan

Written on March 9, 2015 | by Paul Fensom

A change to legislation governing Powers of Attorney in Saskatchewan was recently introduced. Through consultations, the government of Saskatchewan identified gaps in the existing legislation with respect to the financial and property management for vulnerable adults who may become incapacitated *or* are otherwise unable to manage their own affairs. The government hopes that the amendments to the Power of Attorney Act will close the gaps.

Summary of changes under the Powers of Attorney Amendment Act, 2014 include:

- Accounting – Requiring an attorney to provide a final accounting in a prescribed format, to interested parties including, if the Grantor is deceased, to the executor or administrator of the grantor's estate and the public guardian and trustee;
- Fees – Under the “old” Act an Attorney for property could charge a ‘reasonable’ fee. Under the “new” Act the Power of Attorney can charge a fee if it is set-out in the enduring Power of Attorney or, by Court Order or, failing that, the Attorney may charge the following fees:
 - (a) 2.5% of the money received by the property attorney on behalf of the grantor per month;
 - (b) 2.5% of the payments made by the property attorney on behalf of the grantor per month.
- Gifts – Under the “old” Act there was no direction for gifts but under the “new” Act, attorneys may make a gift from an estate if a) the power of attorney document specifically permits it, or b) if the attorney has reason to believe the property owner would have done so, provided in this later situation, the total value of all gifts made in a year *does not* exceed \$1000.
- New PGT (Public Guardian and Trustee) Powers – Giving the Public Guardian and Trustee the power to investigate an attorney's management of an estate.

Your coming year annual Shrine dues can be paid by four equal automatic quarterly withdrawals from your bank account. Never forget or be late again. For application forms contact your Divan liaison member or the Shrine office.

Your Club can invest Club surplus savings through an agreement with the Shrine office. Your Club funds are specifically recorded as a Shrine Centre liability payable to your Club. The Wyn-El-Wa Shrine Club invested funds in this initiative last year and earned a return of 8+% (not guaranteed). How does this compare to what you are currently receiving? For more information contact your Divan liaison member or the Shrine office.

If your Club has an upcoming event, a past event, Club history, something your Club or Unit might be particularly proud of etc. or anything you think would be of interest or benefit that you would like to share with the rest of WA WA members please forward the pertinent information to warblings@wawashriners.org and we will pass on what we can.

LIL CHICAGO NIGHT 2015

This year we changed things up a little hosting our 7th annual Chicago Night fundraiser dinner with a New Orleans theme! Many guests dressed in costume to celebrate the Lively nature of the French Quarter and the Mardi Gras spirit! The banquet room at the Heritage Inn was masterfully decorated with Bourbon St buildings and an erie Bayou scene! It was a fun-filled evening emceed by local radio personality Rob Carnie, we enjoyed a wonderful meal and everyone had a great time. This year we came very close to a sell-out with 96 ticket sales which left only 4 tickets unsold.

Hats off to chairperson Will Watt and lady Regan for all the hard work!

We gave away \$34,000 in cash with the top prize of \$20,000 was split by the Moose Jaw Equestrian Club and A. Langlois. Congrats to this years winners! Many thanks to all of the Shrine members and their ladies for hours of hard work, making this event a huge success! Job well done!

This beautiful Ice Sculpture of the Shrine Symbol was the focal point of the room.

The Moose Jaw Shrine Club annually hosts our Lil Chicago Night in April as our Big Fundraiser for the year which provides a donation to the Shrine Patient Travel Fund in support of the Shrine Children's Hospital.

We also hold an annual Children's Festival which is upcoming in June with magic acts, games and fun for the children and parents alike!

Noble Vern Traill with Potentate III Sir Roy Gaebel enjoying good food and fellowship.

The Mad Hatter came out to celebrate this year!

The room was decorated in New Orleans style!

Ramblings From Speedy Creek

As spring is now upon us, a new energy has appeared. It's time to think parades and circus – such a change from the doldrums of winter. Parade requests are starting to arrive. Everyone wants a band for their parade! The Swift Current Drum and Bugle Band and Clowns will do its utmost to participate in as many parades as possible. One can always hope that any new members to the Shrine would like to join a band unit. Speaking of parades, Swift Current's Frontier Days parade is June 28th/2015. Any WA WA unit that wishes to partake, let us know and we will provide the details and hospitality. At the 100th Anniversary Parade last year, many parade watchers spoke highly of all the Shrine units in attendance.

Nobles Wiskar and Whiteside have the circus under control and are busy soliciting funds to help pay for kids tickets to attend the circus. The businesses of the great southwest are extremely generous in providing tickets for kids and the SC Shrine Club thanks them. All children in grades K-5 receive tickets free of charge.

President Stephenson felt that based on the success of our first fish fry in January, why not try another? Thirty-nine Nobles and Ladies ventured out to enjoy an evening of fellowship and fish. As this article goes to print, a membership games night will have been held on Saturday, April 25th. Various games and activities were available for people to enjoy. Finger food was available at no cost. Nobles were encouraged to bring out prospective new members.

At our April meeting, the club had the pleasure of having three dignitaries join our assembly for the evening. Illustrious Sir Roy Gaebel, Potentate, addressed the membership on the state of affairs with the Shrine and outlined the plans for Saskatoon on July 11th and 12th. He was accompanied by our Liaison Officer Wayne Flaten. Also joining our ranks for the evening was His Worship Jarrod Schaffer, Mayor of Swift Current. The Mayor takes great delight in buying the first ticket for our Harley Davidson Draw. Thank you Mayor Schaffer.

As always, we meet the 3rd Wednesday of every month for supper and a brief meeting. The July and August summer parties are on the 3rd Tuesday. **Do Drop In!**

Weyburn and District Shrine Club - May Report

Our First Meeting of 2015 was held at the Bowling Alley in Weyburn on April 15th.

5 Nobles, 4 Ladies, 3 children and 1 Brother Mason (who has submitted an application to become a Shriner) had a great time bowling followed by a pizza and drinks supper. Our meeting was held after the meal.

The main topic was the "Shrine Circus" coming to Weyburn on Tuesday, June 9th – the first time the circus has been in Weyburn since the early 70's. We have several new Shriners and many of us are not familiar with planning for the circus. Committees were organized for sponsorship sales, program advertising and sales, 50/50 sales and other committees. We feel it will be a lot of work and hopefully it will be a success.

We plan to participate in several parades -- Creelman; Weyburn; Wynyard and hopefully the Saskatoon Air Show on July 11th.

The Club is also planning a summer party to be held in Weyburn in mid-August.

Two members received their Unit Medallions given by President Brad and Noble Paul Deren, Liaison.

2015 WA WA Cash Calendar Sales

I would like to thank all of our WA WA Shriners and their ladies who were involved in the sale of our 2015 WA WA Cash Calendar. We surpassed our sales of the 2014 Calendar, even with the rise in the cost to \$25.00.

Our gross sales for the calendar were \$82,500.00 with a net return to WA WA of \$41,331.00.

Our expenses for the 2015 Calendars are as follows:

Printing, SLGA Licence and Postage/Shipping	\$7,924.00
Payout to Calendar draw winners	\$17,850.00
and best of all - returned to the clubs based on \$5.00 per calendar sold	\$15,395.00

The Calendar project has once again turned into a excellent fund raiser for us all.

With the earlier distribution this year and increased prizes, I'm sure with your help we can surpass these sales with the 2016 Calendar.

III Sir Roy Gaebel, Lady Jean and the 2015 WA WA Divan wish to Express their sincere appreciation to the many Shriners and Ladies who are so giving of their time to our calendars, not to mention all the other projects and fundraiser's that go on throughout the year.

Thanks to you.

Front Center: Carter Brown

The Estevan and District Shrine Club wants to congratulate patient Carter Brown on his successful fundraiser! Eight-year-old Carter and his parents, Mike and Jennifer Brown of Milestone, with the help of Ill. Sir Don McDougall, P.P. and Lady Jill, planned "An Evening with Carter and Calvillo", held on March 20, 2015 at the Delta Hotel in Regina. Carter's good friend, Anthony Calvillo, former Montreal Alouettes quarterback, joined Carter to help raise money for the Exceptional Care for Exceptional Kids Campaign. At the end of the evening it was announced that over \$25,000.00 had been raised, all to be sent to help fund the building of the new Shriners Hospital for Children, Canada. Both Carter and Anthony brought over 360 people to their feet with their informative and emotional speeches. Congratulations!

Anthony Calvillo, former Montreal Alouettes quarterback, congratulates Carter Brown, patient, on successful fundraiser.

Regina Drum Corps - May 2015

This is my first venture as scribe for the Drum Corps and after a slow start (I missed the first issue) I will endeavour to keep the troops up to speed on our activities.

First on the list of proprieties is to congratulate the current Potentate Illustrious Sir Roy Gaebel on his election to the highest position of honour in the land. Also on the divan are Wayne Flaten, Marlow Smith, Don Capewell, Bill Watkins and the Drum Corps President and now Chief of Staff Jim Mills. Offhand, I would say the Drum Corps is well represented. We also have

9 current members of the Drum Corps who are Past Potentates. I like to think the Drum Corps members have in the past and still do in the present make a very important contribution to the shrine.

We have just recently held our Spring Pasta Night with a record breaking (I think) attendance of 142 tickets sold. Judging by the noise level everyone was having a good time and why not with a great bunch of people and some of the best food we have ever produced a good time was guaranteed.

Our next big event is Lobster Night which will likely be history by the time you read this article. It is or was as the case may be held on May 9th.

Another super successful event headed by one of our Drum Corps Past Potentates Illustrious Sir Don McDougall along with Jen and Mike Brown and their tribe of merry men and ladies was the dinner with Carter Brown and Anthony Calvillo, called an evening with good friends. The results of this event was the raising of almost \$30,000 for Carter's fund which is going entirely to the new Montreal Shriners' Hospital. As Carter has said "I raised it all by myself". Now there is a Shrine Kid who is going places, what a wonderful attitude. We could all take a lesson from him.

As you can see the Drum Corp is the happening place to be and we invite all Shriners to come join us - no musical talent necessary. I am a perfect example of a musical illiterate but boy do we have fun. Monday nights at the temple is the place to be. We are now looking at our list of parades for the summer and it looks like it could be a busy summer with lots of entertaining and lots of fun. After all what is a parade without a party following.

Have a great summer. Cheers to all.

Respectfully submitted,

Ill Sir Dr. Brian Donbrook. P.P.

SUN SAFETY TIPS

To keep you and your child safe, you should:

- **Cover up.** Wear light-coloured, long-sleeved shirts, pants, and a wide-brimmed hat made from breathable fabric. When you buy [sunglasses](#), make sure they provide protection against both UVA and UVB rays.
- **Limit your time in the sun.** Keep out of the sun and heat between 11 a.m. and 4 p.m. When your shadow is shorter than you, the sun is very strong. Look for places with lots of shade, like a park with big trees, partial roofs, awnings, umbrellas or gazebo tents. Always take an umbrella to the beach.
- **Use the UV Index forecast.** Tune into local radio and TV stations or [check online for the UV index forecast in your area](#). When the UV index is 3 or higher, wear protective clothing, sunglasses, and sunscreen.
- **Use sunscreen.** Put [sunscreen](#) on when the UV index is 3 or more.
- **Drink liquids (especially water).** If sunny days are also hot and humid stay cool and hydrated to avoid heat illness. Dehydration is dangerous and thirst is not always a good indicator of how often you should drink liquids.
- **Avoid using [tanning beds](#).** If you do use them, understand the risks and learn how to protect yourself.

Sunscreens are not meant to increase the amount of time your child can spend in the sun. They are only meant to increase their Protection when they have to be outside.

- **Choose a high SPF.** Protect your health by using a broad-spectrum sunscreen with a Sun Protection Factor (SPF) of at least 15. The [sunscreen](#) should also say "broad-spectrum" on the label, to screen out most of the UVA and UVB rays.
- **Look for "water resistant".** Look for claims on the label that the product stays on better in water ("water resistant", "very water resistant").
- **Read application instructions.** For best results, be sure to follow the instructions on the product label. Use the recommended amount of [sunscreen](#).
- **Apply it early.** Apply sunscreen 20 minutes before you go outside; re-apply 20 minutes after going outside and at least every 2 hours after that. Use a generous amount. Cover exposed areas generously, including ears, nose, the tops of feet and backs of knees.
- **Re-apply often.** Re-apply sunscreen often to get the best possible protection especially if you are swimming or sweating heavily.
- **Protect yourself.** Sunscreen and insect repellents can be used safely together. Apply the sunscreen first, then the insect repellent.
- **Sunscreens and babies.** Do not put sunscreen on babies less than 6 months of age. Keep them out of the sun and heat as their skin and bodies are much more sensitive than an adult's.
- **Test for an allergic reaction.** Before using any tanning product on you or your child check for an allergic reaction, especially if you have sensitive skin. Apply it to a small patch of skin on the inner forearm for several days in a row. If the skin turns red or otherwise reacts, change products.

THE MEMBERSHIP CORNER

All Nobles: This is the time of year when we actively peruse our Master Masons to take another step - to the Shrine!!! Although this is an ongoing endeavour, our Initiation in June is our festive time of year. Although Shriners is a brotherhood, it has a family component. Many of the fraternity's activities are designed to involve family members, promoting our shared values and helping develop the next generation of community and business leaders.

It is the mission of WA WA Shriners to:

- Be the premier fraternal organization for men of good character.
- Provide attractive, quality programs and services for its members, their families and their friends in a spirit of fun, fellowship and social camaraderie.
- Foster self-improvement through leadership, education, the perpetuation of moral values and community involvement.
- Serve mankind through the resources of its philanthropy, Shriners Hospitals for Children®

There are many benefits to becoming a Shriner.

- Membership in a well-known fraternal organization recognized for its social and philanthropic activities.
- Opportunity to develop lasting relationships with like-minded men from all over the world.
- Engage in social activities and events that are available for the entire family. Participate in many special interest groups that allow like-minded men to enjoy a little high-spirited fun. Motorcycles, trap shooting, parades, golf, flying and sports cars are all examples of these types of groups.
- The privilege of supporting the "world's greatest philanthropy," Shriners Hospitals for Children®, offers Shriners many opportunities to find personal fulfillment and satisfaction. Please go to the following links to view much more. www.shrinerhospitalsforchildren.org www.beashrinernow.com

At the end of the day our goal is to support SHRINERS HOSPITALS FOR CHILDREN. Our new hospital in Montreal opens this year and we need to grow our philanthropy tenfold. Our only source of membership in the Shrine is Master Masons. Please start now to involve these individuals. If you need assistance with introducing a Master Mason to the Shrine, don't hesitate to contact me. Please give this your utmost consideration.

WA WA Temple

Pre Authorized Membership Dues Payment Plan

WA WA Temple has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter (March, June, September, December) and the first payment would depend on the date enrolled. For example – assuming 2014 Member dues \$96.00 (as per Temple Bylaw's) .

Noble Enrolls In	Next Quarterly Cycle	Initial QTR Payment	Subsequent QTR Payments
February	March 31	24.00	24.00
May	June 30	48.00	24.00
August	September 31	72.00	24.00
October to December	December 31	96.00	24.00

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec 31 at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia

To enroll in this plan, please sign the form on the at the end of this issue and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

If you have any questions or concerns regarding this program, please do not hesitate to contact the Temple office at 306-569-2294.

"The annual dues in every temple shall be paid in advance before January 1st by all members."

As I am registering for the PAP after the first quarterly payment deadline has passed (March 31), I agree that on the next quarterly payment cycle (either end of June OR end of September or end of December), I, the undersigned, hereby authorize WA WA Temple to withdraw from my bank account one payment equal to a multiple of the missed quarterly payments for membership or PCM dues as identified in the Temple bylaws. This authorization remains in effect until WA WA Temple has received written notification from me of a change or termination. This notification must be received, at the WA WA Temple office, at least ten (10) business days before the next payment is scheduled.

I acknowledge and agree that if any quarterly payment is refused by my bank, WA WA Temple may resubmit a payment request to my bank as soon as possible.
