All Saskatchewan Shriners Wish Everyone

***Merry Christmas**
and a Happy New Year!*

A MESSAGE FROM YOUR POTENTATE 2016

Harry Martin, Potentate 2016

Are we as proud to be a Shriner as we should be? Are we as visible to the public as we should be? Are we doing all we can to attract new Nobles as we should be? Are we as outgoing and friendly to new Nobles as we should be?

It is my humble opinion that we are not doing enough of "as we should be". We can do better. We have to get out and be proud of ourselves, wear our Fez. We have to attend more parades and fundraisers, we have to be proactive in asking young men if they have ever thought about masonry. We have to encourage the new Noble and his Lady to become involved in the club and unit. We have the greatest fraternity and philanthropy in the world. All Shriners should be proud to let people know about it.

Noble Bob Keep and Noble Steve Bell are certainly proud Shriners.

They are in charge of Membership and are working tirelessly to attract Masons and Shriners. They got us 42 this year and are shooting for 100 next year. If any club needs help or would like to put an Information Night on, give them a call.

We did 31 Hot Sands at Ceremonial and the whole week-end was well received. Again, it was Nobles Keep and Bell that welcomed the candidates and made sure they felt accepted. On our recent visit to Assiniboia, Noble Harold Siggelkow was telling me that the PA Ceremonial was the best he had attended in many, many years, because we (Noble Bob Keep) got the new Nobles to participate. To the new candidates, get out and get active with your club, nothing but good can come out of it.

Another proud Shriner is Ill. Sir Ken Eskdale P.P., who has criss-crossed the Province presenting the STOP BURN INJURY Program for more years than he cares to mention. Ken is usually only accompanied by Lady Betty. We are not so sure how many more years Ken can do this so if you can lend him a hand, please give him a call. Become a proud Shriner.

Noble Stan Sandomirsky has been the Hospital Representative for a year now. Stan is also a proud Shriner who is just so happy to be accepting new patients, following up on current ones and speaking with old ones. Noble Stan's medical background greatly assists him in this position and he is doing an excellent job for us.

The Divan Management Team (DMT) continues to meet with the concordant bodies of our Masonic family. The Masons, the Royal Arch, the Scottish Rite and the Eastern Star are truly our brothers and sisters and we must work together to survive. They too have to be proud of their fraternity.

COMMUNITY

REPORT ON PRE-AUTHORIZED PAYMENT PLAN (PAPP)

The PAP has been in operation for about two years. Currently there are 200 Nobles enrolled in the program. The Divan decided to implement the program to help Nobles keep their dues current. The program has had some start up problems largely technical in nature, eg Double payments that the bank inadvertently made. We apologize for the inconvenience and anxiety this has caused and we thank you for your patience and understanding.

This year the PAP significantly reduced the number of Nobles for Non-payment of dues. We currently have less than twenty that is the fewest in many years. Staff in the Recorder's office put in several hours on the phone contacting Nobles for payment. Nobles our Administration would be more productive if we did not have to spend this extra time. In addition Shriner's International collect the per capita dues of \$30 per Noble, 50% in March, 35% in June and 15% in October. In short it costs WA WA money.

The PAP is there for Nobles that find it difficult to pay by January 1st each year. Withdrawals of \$33.75 are made in March, June, Sept and Dec.

This program does not apply to those Nobles who pay their dues on or before January 1st each year. The program is **not mandatory**, however the Divan and the Membership Committee strongly urge Nobles to take advantage of it. It is a WIN – WIN first for the Noble not to worry about dues and second for WA WA not to collect unpaid dues.

If you would like to participate in the program, the 2017 membership dues must be paid in full before March 2017 when the first PAPP withdrawal is made for 2018 dues. An application form is available on page 31. Complete and forward to the WA WA office with a void cheque.

STOP BURN INJURIES

Once again the SBI team has been very active. The SBI team has been to eleven schools and made presentations to 1,120 children. Ten of these schools were in the Parkland area and the other was in the Carrot River Valley Area. Schools visited were: St. Henry School Melville, Miller School Melville, Springside School, St. Theodore School, Churchbridge Public School, Saltcoats School, Chief Gabriel Cote Ed. Centre, Keeseekoose Chiefs Ed. Centre, Esterhazy P.J. Gillen School, Langenburg Hoffman School and Tisdale Elementary School. We may have some more this fall.

When we visit these schools there is in most cases the local media who submit articles about our visit. This is good for the Shriners as some of the local papers have a distribution of 10,000 readers plus. This not only informs the public about what the schools are doing, but it also gives the Shriners good exposure. So as you can see we get coverage over a large area. This may

help to bring in new Shriners.

Once again SGI Canada donated money to the SBI program. This year they donated \$2,000.00 towards supplies for handouts that we give to the children. Thank you SGI Canada.

I have been involved in the SBI program for approximately eight years instructing in many schools throughout the province, and I can honestly say it is a rewarding experience. It is now time for me to step aside as an instructor. I will stay on in other capacities and help out the new instructor. I have spoken to Ill. Sir Harry Martin regarding a Noble's wife instructing and he informed me that this would be OK. So if any of you ladies feel inclined to try this please call Ken Eskdale at 306-545-3147. I will be able to give you the details regarding presentations etc.

We now have two new players in the SBI program; they are "Boots and Brewster". Boots is the knowledgeable one and well Brewster is known for not being to careful. The kids like them and the message they deliver.

Boots and Brewster

Before I close I want to thank my team and all the other Shriners who helped me throughout the year, you're a great group.

Merry Christmas and a happy, healthy and prosperous New Year.

BATTLEFORDS SHRINE CLUB

We have had a very busy year at the Battleford's Shrine Club. We attended parades at Prince Albert, Saskatoon Battleford and North Battleford. The "Circus" was in North Battleford this spring and although attendance was down, we had lots of positive comments on the new show from many who attended.

We had three candidates for Ceremonial in Prince Albert and our Scooter Patrol was in the parade there.

We continue to hold our meetings on the second Sunday and have a breakfast prepared by the Nobles, and enjoyed by all. Our Lady's attend all of our meetings and functions and we are thankful to have them involved.

We had a fund raising barbeque in August and many of the Nobles and their ladies came out to work and all had a great time.

We are looking forward to the new year and our new executive will be sworn in by the Potentate when he attends our November meeting. If you are in or near the Battlefords on the second Sunday of the month, please join us at the Ionic Lodge for our meeting.

MOOSOMIN SHRINE CLUB

It was a challenging summer for Moosomin Club with the Black Camel claiming our beloved Noble Barrie Davidson on the evening of June 30th. 'Doc' was with Noble Shane Paul enjoying a coffee at Tim's telling one of his multitude of jokes when his full life came to its close. It is fitting that Barrie had been at Lodge that evening with a group of Masons discussing Masonic research and education. Barrie's funeral service was held at the Conexus Convention Centre, just across the street from the condo where he and Jan lived. Being a retire long-serving physician and resident of Moosomin for over 50 years, several hundred people packed the centre to pay their respects and to support Jan, and Barrie's sons Chris and Tim and daughter Wendy and the grandchildren. There was a strong Masonic/Shrine presence at the service and at the graveside, as requested by Doc's family.

Noble Shane Paul attended the register. Nobles Morgan Adam and Les Gerhardt served as ushers and Noble Herb Doll, WM of Moosomin Lodge and President Davidson and his great loss to our two organizations. Doc played the piano to open and close meetings, performed many parts of ritual with great effect, mentored several candidates, participated in committees and brought his warmth, wit and humour to every activity! He was a faithful and enthusiastic participant with the Go-Cart Unit, and was planning to be with them at Elkhorn for the Canada Day parade. As a special tribute to Barrie, his cart was on the unit trailer following his comrades who kept their

(MOOSOMIN SHRINE CLUB CONT.)

commitment, just hours after learning of Doc's passing.

With the assistance of the family, Noble Phil Hamm presented a tribute citing the many aspects of the life of a remarkable father, grandfather, husband, doctor, humorist, musician and friend.

An honour guard of Barries's Masonic brothers, several travelling considerable distance, attended the burial and a lone piper played a lament as we bid farewell to a proud Scot who will be sadly missed and fondly remembered.

Currently, I am involved with club visits as we have installations, 28 long service pins to present and 11 Cold Sands to conduct. The current and past leaders of each club are proud Shriners and they certainly should be, as they continue to raise funds for our Shrine Kids.

I want to thank all the Divan members I have worked with, the Past Potentates and all the good guys in the units and clubs. I have enjoyed my time with you and hope to do the same for a few more years. Let's get out and be proud, we need New Nobles that also want to be a proud Shriner.

Lady Jean and I have enjoyed meeting many people over the past 6 years and the memories are precious. You just meet the greatest people in Masonry and the Shrine. We should all be proud of who we are and what we do. LET'S GET VISIBLE. Thank you.

PARKLAND SHRINE CLUB

Summer has come and gone as well as the

2016 season of parades.

The Parkland Tri-Wheeler Unit attended five parades during the past summer. The parades and locations consisted of Ceremonial in Prince Albert, Yorkton Exhibition in Yorkton, Railway Days in Melville, Quill Lake Centennial in Quill Lake and the Wadena Fair parade in Wadena. The Tri-Wheeler section attended all five parades while the Flag Corp float was used for parades in Yorkton and Melville.

The Parkland unit participants consist of No-

bles from Parkland and Wyn-El-Wa Shrine Clubs. This joint effort from both Parkland and Wyn-El-Wa make it possible to insure this unit continues. Thanks to all the Nobles that take the time to participate in this unit.

We look forward to 2017.

REGINA SHRINE CLUB

Over this past summer, the Regina Shrine Club sold tickets to its first ever cash lottery.

Similar to a 50/50 draw, 50% of the monies raised from the sale of tickets was distributed as cash prizes. Rather than having one winner, the lottery was set up to have 3 cash prize winners with the winners receiving either a 25%, 15%, or 10% of the total cash pool.

The first prize winner was Rob Bogdan of Regina, who took home \$1,212.50. Dale Hanley of Kindersley, Saskatchewan received \$727.50 and Adam Fritzler of Regina won \$485.00.

On behalf of the Regina Shrine Club, I want to thank all those who purchased tickets for the lottery. For a first effort, I would say that the lottery was a success and with a few minor changes, we hope to see it become even more successful in the future.

On November 5th, Regina Shrine Club held its President and Potentate's Night. Executive for the 2017 year was sworn in by Ill. Sir Harry Martin. Noble William Kelly was recognized with a 50 Year Service Pin along with several others receiving their 25 and 35 year service pins. Thank you for your dedication.

The evening's highlight was the presentation by Duncan's mother - Heather Beauchamp. He is on his third prosthetic and he makes monster feet with his old ones. He is a very outgoing and friendly young boy.

WA WA DRILL CORPS

Fall is now upon us, the Drill Corps activities are winding down somewhat, but we do plan on parading, weather permitting, in the **Santa Claus Parade on November 20th, 2016**, now that we have new mini-ATV's.

During the past year, we participated in parades at the Ceremonial in Prince Albert and July 1st, Canada Day at Regina Beach, and at the Queen City Exhibition Parade. Unfortunately we were rained out at Lumsden.

We are trying to give the Corps a new look by remodelling our uniforms. By eliminating the spats and wearing straight-legged pants, it works better for us with ATVs. In 2017 we are looking forward to going to MSA in Minneapolis with our new machines.

We work at raising money in various activities. Bingo is still bringing in good money. We work two Bingos a month with the help of the Nobles who are not Snowbirds, and a few of the Ladies. If you can help out, we can certainly use you.

Photo above: Ill. Sir Ken Eskdale, P.P. selling Christmas cakes.

This fall we are selling Christmas cakes (3 x 1lb per package) for \$20. They are selling well at the Regina Farmers' Market through our Nobles.

Our **Highland Dinner is coming up December 2**. We expect to serve 120 Nobles and Ladies, so better get your tickets early. This will require a lot of work from our Nobles and their Ladies.

The Drill Corps is a great Unit to belong to and we would welcome new Nobles, as you can belong to more than one unit, you may want to check us out. Merry Christmas and Happy New Year!

WA WA LADIES AUXILIARY

The Shrine Ladies Auxiliary have been busy and having fun this fall. We hosted our fall fundraiser at Happy Hour with a successful "Howling Halloween" party. A delicious meal of souvlaki, salad, potatoes and home-made key lime pie was enjoyed. We had games and prizes for those wearing Halloween costumes. Thank you to Joni Andrychuk and her committee for a job well done.

We have been selling Grey Cup Pool tickets through the membership and at the Farmers Market. We appreciate being able to sell our tickets at this event.

Saturday evening at the President/Potentate dinner Shrine Ladies Auxiliary President Muriel Heal, presented a cheque to Ill. Sir Harry Martin on behalf of the Auxiliary for \$3,100. This will bring our total donation to \$5,000 for this year.

We are now looking forward to our Christmas meeting on November 28th. We would like to take this oppor-

tunity to wish all of you a Merry Christmas and a happy, healthy Millennium and a Half New Year.

SASKATOON SHRINE CLUB

Fraternal Greetings Nobles & Ladies,

It is once more that time of year when we are wrapping up our harvest and remembering the fun and relaxation we had this past summer. While we steady ourselves for winter we are also reminded of the activities we have upcoming.

First of all, Remembrance Day is a very special day we all should keep in mind.

The **Potentate's Reception** is Nov 19th. I'm confident that it will be a great meal, some good times and a chance to see the new directors and Presidents installed by our new Potentate.

New Year's Eve is always a blast and right on track to be even bigger and better than ever be sure to get tickets early.

Planning for the **Children's Christmas Party** is well underway I'm informed.

I would like to congratulate Noble Al McDougall on his presidency. I know that the club is in very capable hands. Not to mention with James McGregor as vice-president and newly elected Dan Slaferek as second-vice president we have a very strong line upcoming.

It truly has been an honour and a privilege to serve this club.

It was a very challenging and rewarding time, I learned a lot and enjoyed every minute of it and for that I thank all of you.

Hope to see you all soon. Wishing you all health, happiness, and the joy of the seasons.

SWIFT CURRENT SHRINE CLUB

Frost is in the air and soon snow will be on the ground - where does time go? The Swift Current Shrine is in slow down mode as the winter months approach. A very successful Harley-Davidson Motorcycle Draw came to a conclusion on the night of October 19th when Illustrious Sir Harry Martin made his official visit. Illustrious Sir had the pleasure of drawing the winning tickets to make a few people happy with the results.

HARLEY DAVIDSON 2016 DRAW WINNERS

- **Motorcycle** Kirk Molder – Regina
- **\$1000 Cash** Aline Boux – Swift Current
- **\$500 Cash** Arlene Arendt – Eastend
- **Bar Fridge** Danny Lamont – Maple Ridge, BC

The Swift Current Shrine Club would like to thank all those who participated in the draw by purchasing tickets. With their support, the viability of WA WA Shrine Centre, our hospitals and our local club continue to operate. Special thanks are extended to **Noble John Stephenson**, who took the bull by the horn, and chaired this worthwhile project.

The Potentate's visit to Swift Current is always a highlight in our fellowship calendar. The event

mings plus especially good fellowship.

The Shrine Club also participated in the **Honour A Veteran Banner Program** by supporting a national program sponsored by many different agencies. This activity gives us great exposure as Shriners. At the time of this writing, the banners are on display at Memorial Park, the site of our Memorial Cenotaph.

The band is getting ready for our Remembrance Day Service in Swift Current. It is always a special occasion for the band and playing at the Legion is greatly appreciated by all those in attendance.

That's it from Speedy Creek – Do Drop In!

Respectfully submitted,
Noble Brian Whiteside

KEN'S SAFETY CORNER

ENJOY A SAFE CHRISTMAS HOLIDAY

Holiday safety is an issue that burns brightest from late November to mid-January, the time when families gather, parties are scheduled and travel spikes. By taking some basic precautions, you can ensure your whole family remains safe and injury-free throughout the season.

Candles and Fireplaces

Increased use of candles and fireplaces, combined with an increase in the amount of combustible seasonal decorations can present more risks for fire.

- o Never leave burning candles unattended or sleep in a room with a lit candle
- o Keep candles out of reach of children
- o Make sure candles are on stable surfaces
- o Don't burn candles near trees, curtains or any other flammable items
- o Don't burn trees, wreaths or wrapping paper in the fireplace
- o Check and clean the chimney and fireplace area at least once a year

Even Angel Hair can Hurt

Putting up decorations is one of the best ways to get in a holiday mood; however accidents occur during this season.

- o "Angel hair" is made from spun glass, and it can irritate your eyes and skin; always wear gloves when handling it, or substitute non-flammable cotton
- o When spraying artificial snow on windows or other surfaces, be sure to follow directions carefully; these sprays can irritate your lungs if inhaled
- o Decorate the tree with your kids in mind; move ornaments that are breakable or have metal hooks toward the top

- o Always use the proper step ladder; don't stand on chairs or other furniture
- o Lights are among the best parts of holiday decorating; make sure there are no exposed or frayed wires, loose connections or broken sockets
- o Make sure paths are clear indoors so older adults do not trip on wrapping paper, decorations, toys, etc.;
- o NSC provides tips for older adults on slip, trip and fall protections

Traveling for the Holidays? Be Prepared

Many people choose to travel during the holidays by automobile, follow these tips for a safe trip. Use a designated driver to ensure guests make it home safely after a holiday party. Alcohol or over-the-counter or illegal drugs all cause impairment.

- o Make sure every person in the vehicle is properly buckled up no matter how long or short the distance being traveled.
- o Use a food thermometer to make sure meat is cooked to a safe temperature
- o Put that cell phone away; distracted driving causes one-quarter of all crashes
- o Make sure the vehicle is properly maintained, and keep an emergency kit with you
- o Be prepared for heavy traffic, and possibly heavy snow

Holiday food safety tips:

- o Do not rinse raw meat and poultry before cooking
- o Use a food thermometer to make sure meat is cooked to a safe temperature
- o Refrigerate food within two hours
- o Leftovers are safe for four days in the refrigerator
- o Bring sauces, soups and gravies to a rolling boil when reheating

- o When storing turkey, be sure to cut the leftovers in small pieces so it will chill quicker
- o Wash your hands frequently when handling food

Remember, when guests are staying in your home, make sure areas have night lights or easy-to-reach lamps and make sure all medications are kept up and away and out of sight from young children.

Speers is the name on our sign.

But it could just as easily be Ron or Doug.

What families value most about Speers can't be taught. It's the understanding face, the attention paid to details and the caring voice who calls weeks later just to check in.

Yes, Speers is the name on our sign.
But it's people like Ron and
Doug you remember.

WA WA Temple

Membership Dues Pre Authorized Payment Plan - PAPP

WA WA Temple has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter (March, June, September, December) and the first payment would depend on the date enrolled. Breakdown below for Regular member status (as per Temple Bylaw's) for pre-payment of 2017 Member dues at \$135.00

Noble Enrolls In	Next Quarterly Cycle	Initial QTR Payment	Subsequent QTR Payments
February	March 31	\$33.75	\$33.75
May	June 30	\$67.50	\$33.75
August	September 30	\$101.25	\$33.75
October to December	December 23	\$135.00	\$33.75

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec 31 at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia

To enroll in this plan, please sign the form at the end of this issue and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

If you have any questions or concerns regarding this program, please do not hesitate to contact the Temple office at 306-569-2294.

Shriner's International Bylaw 332.2 (a) which states:

"The annual dues in every temple shall be paid in advance before January 1st by all members."

WA WA Temple Mid Year Pre-authorized Payment Plan (PAPP) Agreement

Noble Name _____ [Office Only - Membership # _____]
(Please print)

Email Address _____

As I am registering for the PAPP after the first quarterly payment deadline has passed (March 31), I agree that on the next quarterly payment cycle (either end of June OR end of September OR end of December), I, the undersigned, hereby authorize WA WA Temple to withdraw from my bank account one payment equal to a multiple of the missed quarterly payments for membership or PCM dues as identified in the Temple bylaws. I further authorize quarterly payments for the balance of the current and ensuing years membership dues or PCM dues, the amounts of which are identified in the Temple bylaws, on March 31, June 30, September 30 and December 23 of next and subsequent calendar years.

This authorization remains in effect until WA WA Temple has received written notification from me of a change or termination. This notification must be received, at the WA WA Temple office, at least ten (10) business days before the next payment is scheduled.

I acknowledge and agree that if any quarterly payment is refused by my bank, WA WA Temple may resubmit a payment request to my bank as soon as possible.

I have certain recourse rights if any payment does not comply with this Agreement. For example, I have the right to receive reimbursement for any pre-authorized payment that is not authorized or is not consistent with this Preauthorized Agreement.

These services are for membership dues payments only.

PLEASE ATTACH A VOID CHEQUE. PLEASE WRITE THE WORD "VOID" ON THE CHEQUE. IMPORTANT - Credit line and credit card void cheques are not accepted.

The void cheque must clearly indicate the names and addresses of the customer and the financial institution.
