May Issue 2016

A MESSAGE FROM YOUR POTENTATE 2016

Harry Martin, Potentate 2016

Dear Fellow Nobles,

After a very pleasant winter, we are now moving into a very busy time of the year. We have several major upcoming events that we are looking forward to - Circus, Ceremonial and Parades.

The Circus will not be the show to which we have been accustomed to, however, we are certainly optimistic and feel it will be a good fundraiser for WA WA. "Described by the Ocala Star Banner as "an equine Cirque du Soleil"". Ma'Ceo Circo will highlight aerial and acrobatic performances and equestrian trick-riding. We would appreciate your support in helping out at the locations if you can.

Parade season is around the corner so get your uniforms and parade items ready for the season. The first parade of the season is the Ceremonial weekend of **June 17th - 19th** hosted in Prince Albert. The Parade is on Saturday and is scheduled to begin at 2:00 p.m. Thanks to Noble Ed Glynn and his committee, the entire Ceremonial weekend is shaping up to be a Feztastic event topped off with a "Swing and Sing Feze-rama" Saturday evening. We look forward to meeting Nobles and their Ladies at the Ceremonial!

Divan members Nobles Wayne Flaten, Brad Barlow, as well as myself, attended MSA in Marquette, Michigan. Also attending were Ill. Sir John Clarke P.P., who we are proud to announce, was elected 4th Vice President of MSA; and Ill. Sir Ken Eskdale P.P. who presented his SBI efforts for WA WA. Summer Session of the Mid West Shrine Association (MSA) will be in Marquette MI, **Aug. 3rd - 6th** and we look forward to the opportunity to share ideas on how to improve Shrinedom as well as to the fun, fellowship and camaraderie.

Nobles Wayne Miner, Wayne Flaten and your Potentate look forward to joining Shriners from around the world for the annual business meeting at Imperial Session to be held in Tampa on **July 3rd to 7th**.

Coming Event: **Stated Session Tuesday May 17**

INTRODUCING DIVAN 2016

Irene & Wayne Miner

In 2011 the late, Ill. Sir Bevin Leipert P.P. appointed me to serve on the Membership Committee. Ill. Sir John Clarke P.P. appointed me 2nd Ceremonial Master in 2012 and I was elected Oriental Guide in 2013. The past two years I was elected to the positions of High Priest and Prophet and Assistant Rabban respectively. During the four years I chaired the Membership Committee, Financial Review Committee and the Insurance Committee.

My Shrine career spans some 45 years of having fun, fellowship and supporting our philanthropy. Lady Irene and I look forward to working with Ill. Sir Harry Martin and Lady Jean in support of the 2016 Divan.

Synde & Wayne Flaten

Born and raised in Regina on the home farm. Wayne graduated University of Saskatchewan diploma in Agriculture. He owns Golden Acres Tree Services.

Married Synde in 1988, son Brett born in 1990.

Wayne was the Senior DeMolay Regina Chapter in 1978.

He was initiated into Masonry 1982 in Assiniboia Lodge #49. Served as Master in 1988, 2003 and 2004. Wayne served as Organist since 1990. He is currently serving his 6th term as Grand Organist of the Grand Lodge. Also DDGM from 2014-2015.

Wayne joined the Shrine in 1987. He is a member of Drum Corps (President 2004), Ritualistic Unit, Gourmet Club and Hillbillies. He was appointed to Divan in 2013.

Leanne & Brad Barlow

Became a Master Mason 2002 at Latomia-Weyburn Lodge #20 and joined WA WA 2004. 32nd degree Scottish Rite Mason.

Brad was appointed to the Divan by Ill. Sir Bill Forrest P.P. in 2013 as Captain of the Guard. Re-appointed by Ill. Sir Ken Eskdale P.P. in 2014 as 2nd Ceremonial Master. Elected Oriental Guide in 2015 and elected High Priest and Prophet 2016.

He is currently the WA WA Cash Calendar Chairman 2013 to present which fundraises for the WA WA Shriners Activities.

He is married to Lady Leanne, our son Matthew is 9 years old. Together we run a grain farm growing Certified seed just outside of Weyburn.

Bob Keep

Robert (Bob) Keep was regularly received into Free Masonry in 1987 in Niagara Fall ONT, and was admitted as Master Mason in the Goose Lake Lodge #99 in 1989. He became a Noble of the Mystic Shrine and received into the WA WA Temple in 1994.

Bob's major life changing move in 1987, brought him and his young family to Saskatoon to manage all aspects related to the operations of wholesale building distribution centers. He became his own entrepreneur by opening a Spa & Home Leisure business in Saskatoon with his son in 2004. He developed and opened his own Certified Flooring Inspection business in 2002 and travels province wide inspecting floors of all kinds as a 3rd party flooring inspector.

Noble Keep was appointed Membership Chairman of WA WA Shriners in January 2015.

Noble Keep, was named Shriner of the Month for November 2015. The award program was developed by the leadership of Shriners International to honor outstanding nobles who demonstrate an extraordinary commitment to both the fraternity and its philanthropy, Shriners Hospitals for Children.

PHILANTHROPY

NEW HOSPITAL CHAIR

STAN SANDOMIRSKY

I am beginning my tenth year of retirement after a thirty year private practice in urologic surgery, with a university affiliation.

In the past two years I was the hospital representative for the Saskatoon Shrine Club. This was an extremely gratifying position.

January 15, I was appointed as Provincial Hospital Chairman for WA WA, taking over for Noble Howard Louie. It has been an extremely busy month to date, with a very steep learning curve. We have had three new applicants, two new "Shrine Kids", one re-instated patient, and have booked 12 patient flights for clinic visits or hospital admissions to date.

As the former chairman, Noble Howard Louie, stated at the Installation banquet, "The real work is done by the medical, nursing, support and administrative staff at the Shriners Hospitals for Children". However, I do not feel that my position is merely "facilitative" in getting children who need our help into our Shriners Hospital system. I believe the Nobility and my personal role is to establish a CONTINUING RELATIONSHIP with our Shrine Families. In this way we can invite them as guests to our functions, and have them share their stories of their journeys in our great philanthropy.

Finally, more and better communication with our local Shrine clubs about their "Shrine Kids" should benefit all.

MESSAGE FROM BEAUCAMP

My pregnancy was normal by all accounts, nothing seemed to be out of place. At 20 weeks I went for an ultrasound and we were informed that we were having a little boy but that there was something not quite right. Over the next few days and weeks we were told many things from there are a couple of bones missing in his right leg to he has club foot on the right side all the way to this may be the tip of the iceberg and we won't know until he's born.

Duncan was born with Fibular hemimelia. This is a congenital condition where some of the bones in the legs do not develop. It has effected Duncan's right lower leg exclusively. The doctors are not sure exactly why this happens (why he didn't grow all the needed bones). They believe it may have something to do with skeletal development and lack of blood supply during the first 12 weeks...but honestly they don't know.

Duncan has a normal knee joint on the right side and only a tibia bone from the knee down. He did not grow a fibular bone at all and the tibia that is there is approximately 40% shorter and curved. He has the pad of a foot and a couple of little toes that are fused together that we call his "little fin" but there is no usable bone structure within this little fin. We knew very soon after he was born that the bone deficiency was only in his right leg and that he was going to have to have an amputation.

About a month after he was born we were attending the Regina Farmers' Market, which had only

just started to be held at the Shriners in Regina, and a good family friend asked if we had talked to any of the Shriners about assistance. I honestly had no idea what the Shriners did for children and didn't even know if he would qualify for assistance.

We went over to the table at the entrance where a couple of wonderful men were sitting and started to chat. We told them all about Duncan and they told us all about the hospitals and treatment for kids that they have available. It sounded all too good to be true. We put in an application and we were accepted within a couple weeks.

It has been an amazing experience working with the Shriners. We have traveled to Montreal to the children's hospital twice now and both times I've been blown away at the level of care. When dealing with the stress of travel and a little one who is

(BEAUCAMP STORY CONTINUED)

going for doctors appointments, it's amazing just knowing that everything is taken care of. We are met at the airport by a Shrine volunteer who works at least 2 days a week driving patients and their families to and from airports and hotels and the hospital. When we arrive at the hospital the staff are kind and well prepared. They know the littles that are arriving from out of province and greet them before they greet the parents.

The first 2 appointments in Montreal were exceptional. We were in the hospital for a total of 3 hours each time and in that time met the doctor, did some developmental testing, had x-rays, medical photography, met with a psychologist and a financial counselor. It was a fantastic experience. Not once did we feel rushed, the doctor answered all our questions and we felt confident that Duncan is in the best hands.

We are currently just waiting for a call from Montreal for Duncan's surgery date. Hopefully it will be soon. We are all very excited for him to take his first steps with his new prosthetic leg. I can't say thank you enough to the Shriners Hospitals for Children and the local Regina Shriners and wives for all they have done for us.

We went back to Montreal twice this winter and he has since had surgery and received his first prosthetic from Hangers in Montreal (February).

He's just started walking independently this past

week and is doing great. Thank you again for everything.

The cast picture with the toys is in the huge play room in the hospital in Montreal a couple of days after surgery. (see photo on page 9)

The standing picture is a month later. Back in Montreal the day he got his finished leg, in the hotel. The other standing one is his first trial with his temporary leg as we were doing fittings.

FUN & FELLOWSHIP

MOOSE JAW SHRINE CLUB

We held our 8th Annual Lil Chicago Night Fund-raiser dinner on April 22. It was well attended again this year and all had a wonderful time dancing to the live band Wildfire. The meal was very tasty with Prime Rib and Lobster on the menu. Some of our guests dressed up in costume and awards were given out to the best dressed! We were happy to see Ill Sir Harry Martin and Lady Jean in attendance along with Noble Wayne Miner and Lady Irene, and were very happy to spend some time with Lady Jean Gaebel who made the trip over to spend the evening with us. It was also nice to see Noble Vern Traill who we affectionately know as Cowboy was able to make it, it's always entertaining listening to his stories and spending time with him.

The feature display was a large ice sculpture that you could pour your Hurricane drinks thru!

We again held an elimination lottery where we gave away \$34,000 in cash prizes, the final two in the game were T Leipert and J Scott who decided to split the \$20,000 final prize. A big thanks to all that attended to help raise money for our great philanthropy.

Our club has lots of activities coming up in the coming months, we kick off the summer in early June with our 7th Annual Moose Jaw Shrine Club Children's Festival at the Western Development Museum on June 4th. It is a great day with lots of fellowship as our whole club is involved. The families that attend are so appreciative of our event because everything is free, from the tickets to the activities for the children and stage performances, it is all provided no charge to the parents thanks to the generosity of the community.

In early July we host the Moose Jaw Warriors Alumni Golf Tournament supper which is always a fun evening! In mid July we are partnering up with Leipert Financial to assist in the 2nd Annual Bevin Leipert Golf Tournament. We will provide support on the golf course for the day and host the supper at the Shrine Club afterwards. Both of these days are lots of work but it is a great opportunity for our Club to get together and enjoy each others company and have some fun! We are also hosting the annual WA WA Shrine Annual Provincial Golf Tournament on July 16th, we look forward to showing all the clubs around the province our own brand of Moose Jaw Hospitality! We are hoping to get a full roster of 80-90 golfers out for the day!

We are planning for Ceremonial in Prince Albert as well with our Oriental Band leading the charge, we will have our Motor Patrol and very popular Equestrian Club coming to support our 5 new candidates coming into the Shrine this year! We look forward to seeing everyone there this year!

MOOSOMIN SHRINE CLUB

Moosomin Club enters a busy spring season with our "tree project", Shrine Circus event, Rose Day, Shrine Ceremonial arrangements and Go Cart Unit activities!

Noble Jim Moore has chaired the tree project and we will distribute the blue spruce at Adams Acres nursery on April 30th, good work Jim! Noble Ron McKay is chairing the Rose Day committee and has that annual fundraiser well organized for June 8th, thanks Ron! Noble Leo Illustrisimo chairs our Circus committee and is making arrangements to have our Grade 2 students attend a Shrine Circus in either Estevan or Melville, thanks to Leo! Meanwhile preparations are underway for Moosomin Clubs participation in Ceremonial and the upcoming parade season. Unit Captain, Noble John Berns is receiving requests from near and far and anticipates another busy schedule of parades. Thanks to the Nobles who worked on the carts and trailer in February, getting them ready to role. Tyler Thorn of Celebration Ford generously provided us with heated workspace to achieve this, and we thank Tyler very much!

A Taste of Manilla Comes to Moosomin

Noble Leo and Lady Gina Illustrisimo along with a few of their countrymen, hosted an evening for the Moosomin Shrine Club. They provided an authentic Phillipino meal and then lead a very entertaining karaoke presentation. About 25 Nobles, Ladies and guests took part in the social evening and many laughs and stories were enjoyed—"Big Daddy" McKay, provided a rousing rendition of

Blue Suede Shoes and looks like he might be ready to launch a new retirement pastime.

We have a number of newcomers making Moosomin their home and one of our newest members from Halifax plans to host a similar evening with a Maritime theme this summer. If these functions are as successful as the Philipino evening, we are certain that our club will grow and strengthen.

PARKLAND SHRINE CLUB

Ill. Sir Ken Eskdale P.P. has been busy this winter and spring conducting the SBI Program in Parkland.

By the end of April a total of ten schools will have been visited and reaching near 1,000 students. The schools that will have been visited are St. Henry's and Miller Schools in Melville, St. Theodore School (Theodore), Spring-side School (Springside), Churchbridge School (Churchbridge), Saltcoats School (Saltcoats), Chief Gabriel Cote Education Complex (Cote First Nation), Keeseekoose Chiefs Education Centre (Keeseekoose First Nation), P.J. Gillan School (Esterhazy) and Hoffman School (Langenburg). Thanks to Ill. Sir Ken Eskdale P.P. for bringing this very worthy program to the schools in our area. Also, thanks to all the Nobles that attended and help support this program.

Above: Ill. Sir Ken Eskdale P.P. leads a SBI Program in Parkland.

Circus will soon be upon us and arrangements are starting to be made so that this venture will be a success.

Units will soon be preparing for the summer parade schedule. Parkland currently has four parades scheduled beginning with the ceremonial in Prince Albert.

REGINA SHRINE CLUB

REGINA DRUMS CORPS UNIT

With most of the snowbirds back in the nest we are again ramping up our activities. We completed our spring pasta night with the usual full house treated to an excellent meal and judging by the noise level a good time was had by all, as is usual for the occasion.

Our next big event is the Lobster feed on May 7th. Preparations are on track for another successful night. Lots of raffle items are flowing in, the food has been ordered, tickets are mostly, if not all sold at this time and work schedules are issued. No doubt it will be another success.

We are now getting ready for a busy schedule of parades and performances with practices starting at 7:30 each Monday evening. We have 1 new member joining us following the ceremonial. He is working on the music as I write this. That is the good news the bad is that we lost a long time member of our corps in passing of Ill Sir Roy Gaebel PP. Even though he had to step down from active duty due to his health we still consider him one of our own.

See you all on parade. Have a great summer.

Respectfully submitted,

Ill. Sir Dr. Brian Donbrook P.P.

DIRECTOR'S STAFF

Fun was had by all on Saturday, April 16th as one hundred and thirteen nobles, ladies and scotch connoisseurs met at the Oasis Room to taste 6 unique single malt scotches. A supper was also catered by Charlottes Catering including roast beef, mashed potatoes, various salads and haggis. Thanks to the Directors Staff who tended the bar both serving the scotch to the tables and serving those who chose to limit their fluid consumption to more traditional beverages such as beer and shots.

Photo Above: Nobles Angus Workman, Howard Louie, Ken Shaw, and Larry Couse.

Al Bachynski led us through the mysterious world of single malt scotch. Each brand was tasted and ranked based on various qualities that were peculiar to the region and distilleries where the scotch was produced. One first time participant stated, "I didn't expect to have to complete an exam while enjoying my scotch". There was a list of unique qualities found in each tasting and the participants were asked to identify

SCOTCH TASTING STORY (CONTINUED)

them as rated by the experts. It was fun but I just rated 1-5 and it wasn't too hard to do as I am not fond of the strong peaty flavours but by the sixth shot even they weren't half bad.

There were also over \$1,000.00 in prizes distributed. The gold sponsor was Noble Howard Louie who always steps up every year. This was the 13th consecutive year the event has been sponsored by the Directors Staff and the first year T-Bird members helped out at the event. In the end we raised \$3,440 of which over \$1,891 is donated to WA WA Shriners and \$1,548 is retained by the club.

Big shout out to those who attended. See you next year in April.

REGINA SHRINE CLUB

WA WA PIPES & DRUMS

The WA WA Pipes and Drums are struggling with membership, and although there is still a small core of active members left, we don't have any performances planned in the near future.

In March, two of our members, Noble Ron Hitchcock and Noble Doug Campbell, travelled to Winnipeg and joined up with the Khartum Pipes and Drums who then went on Safari by bus to Sioux Falls South Dakota to play for St. Patrick's Day.

It was a very busy weekend with over 20 performances. We played in hospitals, schools, pubs, and the El Riad Shrine Hall.

The WA WA Nobles along with a few members from Khartum and their Potentate Illustrious Sir Jack Hildebrand also volunteered to work at the soup kitchen run by the Nuns.

The Sioux Falls Chamber of Commerce and the Khartum Pipes and Drums both have to be complimented for an excellent trip.

Respectfully submitted,
Noble Douglas Campbell

The Pipes and Drums will be putting on a **Spring Dance on May 14th**, in the Oasis Room at the Shrine Hall. Music by Regina's own **Boomtown**.

Cost will be **\$15/person**, with a light lunch. Tickets will be available from Noble Hitchcock **306-539-2615**, or Noble Campbell **306-529-1119**. Tickets are limited.

SASKATOON SHRINE CLUB

The Shrine Entertainment Committee hosted a Medieval Supper in February. The costumes were great and those that did not wear one had the opportunity to purchase a bit of sack cloth and rope belt to get themselves in the proper mood.

The food was fantastically catered by one of Saskatoon's finest. Menu was Chicken drums, beef ribs, roasted potatoes, corn on the cob and potato soup in a bread bowl; all comfortably eaten with our fingers.

The Clown unit was out in full force with costumes, jokes and some attempted music. Everyone competed in the games: woodsman ax throwing, Robin Hood archery, dragon slayer tag team and a version of shot put.

Next up for the Entertainment Committee is Wings 'n Sings on Apr. 16th – Karaoke at its best with Noble Bob Keep supplying the music and you - the vocals.

The Quarterly meeting was well attended and a lot of business concluded.

Noble Bob Keep – Oriental Guide and Membership Chairman is hosting an Information Night for Masons and non-Masons. The event will be on April 25th at the Saskatoon Shrine Club.

We are all looking forward to hosting a great new circus and celebrating with new and old Shriners in Prince Albert at the Ceremonial. The Drums and Bugles are booking spots as is the Classic Cars and Motor Patrol at summer events.

The Concordant bodies continue to host Friday Suppers as fundraisers for their groups where everyone meets for Social Time and great food.

SOUTHEAST SHRINE CLUB

The Weyburn Shrine Club and the Estevan & District Shrine Club have completed the amalgamation process and will now be known as the Southeast Shrine Club. We are ordering new shirts, jackets and pants for everyone and hope to have them here by June for the Ceremonial. We plan to have a group of nobles and ladies attend Ceremonial in Prince Albert, where we will have two new candidates.

We'll be kept busy this spring with two big fundraisers: The **Ma'Ceo Circus** will be held in Estevan on **June 1st**. As well, we will be selling tickets and raffling off a seadoo and trailer. Don't forget to get your tickets when we see you in PA.

Members of the Southeast Shrine Club send our condolences to Lady Jean on the passing of Ill. Sir Roy Gaebel, Past Potentate. He will be missed by many.

POTE'S MESSAGE (CONTINUED)

Death is a solemn visitor, and fills our hearts with sadness. In March, WA WA lost another of our great-hearted members as our brother and humble friend, Ill. Sir Roy Gaebel P.P., caught a ride on the Black Camel. Not only was he an outstanding, respected member of WA WA for over 40 years he was also highly regarded by everyone whose lives he touched. The near 400 who came to pay tribute at the service was a direct reflection of the tremendous respect held by all who knew him. Ill. Sir Roy, you are truly missed. Our condolences go out to his family and friends.

Over the next few months, Lady Jean and I are looking forward to fun and fellowship as we meet with Nobles and Ladies on our travels to clubs and Shriner functions.

In closing, I would like to thank the Divan and all Nobles and their Ladies for the support that you have given to me so far and I would ask that you continue with your support for the remainder of the year and together we will continue to make progress in all Shrine matters.

Fraternally yours,
Ill. Sir Harry Martin

SWIFT CURRENT SHRINE CLUB

The club is very quiet with respect to Shrine activities in great southwest. All Nobles and Ladies who wintered on the west coast and south of the border have returned home. The band and clown units are gearing up for another parade season starting with ceremonial in Prince Albert. It will be great to have a parade again – it gives Shrinedom good exposure.

By the time this goes to press, the Outdoorsman Unit will have hosted a fish fry on April 23rd. Noble John Stephenson should be commended for “taking the bull by the horn” and spearheading this popular event. Two fish fries held last year were well attended.

Congratulations are extended to Noble Herb Butz for his unselfish work in raising money for Telemiracle 2016. For months, Noble Butz went without cutting his hair and he is a barber!! Noble Butz raised \$7800 and finally got his hair cut at a Bronco hockey prior to Telemiracle – his barber was none other than His Worship Mayor Jarrod Schaffer. Way to go Herb!!

Any Noble who is visiting in the Swift Current area is welcome to join us at our club meeting on 3rd. Wednesday of every month. Our get togethers include a happy hour and supper followed by a meeting. Do drop in.

Respectively submitted,
Noble Brian Whiteside

Speers is the name on our sign.

But it could just as easily be Ron or Doug.

What families value most about Speers can't be taught. It's the understanding face, the attention paid to details and the caring voice who calls weeks later just to check in.

Yes, Speers is the name on our sign.
But it's people like Ron and
Doug you remember.

STOP BURN INJURIES (SBI)

“Before you go out, the candle goes out” was one of the messages conveyed to the students of St. Theodore School recently by Shriner Ken Eskdale of Regina. Twenty-eight students, their teachers along with 3 Shriners and Fire Chief Terry Lastiwka heard the message loud and clear as it was presented by Mr. Eskdale under the Shriners SBI (Stop Burn Injuries) program. The program emphasizes the awareness of burn injuries and how to prevent them.

Mr. Eskdale put particular emphasis on each room of the house. Of great importance was to be sure to extinguish candles as they are often used in living rooms, bathrooms and bedrooms, and as a result continue to be an extreme hazard in the home. He also pointed out other hazards such as cooking oils, scalding water (kettle or tap) and hot ovens. To avoid a hot water burn the students were advised to always turn on the cold water tap first, followed by the hot water tap until a desired temperature is reached. It was advised a safe zone be established around the stove where only an adult or older child would be allowed. Electrical cords, lamps, auxiliary heaters, fireplaces and chemicals were discussed as potential fire hazards and burns. The use of welders and outdoor appliances such as bar-b-ques and flammable liquids are an extreme hazard for children as well.

Should an unfortunate incident occur in which a fire was present Mr. Eskdale gave specific instructions on how to prepare to exit the home

or school. Exiting may require crawling on hands and knees or checking a door before opening it by using the back of their hand as it is more sensitive than the palm and can detect heat better. Every attempt should be made to exit even if through a window and jumping to safety. Once out of the building everyone should meet at a designated spot (Muster Point). It was impressed upon the students to never return into a burning building to try and retrieve a toy or pet.

During his presentation Mr. Eskdale interacted with the students in a question and answer scenario. The students were very eager to participate. Several of them helped to demonstrate what should be done should their clothing catch fire. They were instructed to cover their face with their hands in order to protect their eyes as they stop, drop and roll until the flames are out. A video featuring Bugs Bunny and Tweety Bird was shown to help demonstrate the topics of the presentation which the students enjoyed. Each child was given a homework assignment to talk to their parents about having an escape plan.

The students were made aware of the dangers of the use of lawn mowers. The engine should be fully cool before being refueled by an adult. Riding mowers should not be occupied by more than one operator. He also suggested being careful around campfires. No horse play around the campfire was a warning to be heeded. It was also emphasized that smoke detectors should be on every floor of a home with the batteries always left in place, and should be examined annually to be certain they work.

KEN'S SAFETY CORNER

A power lawn mower is one of the most dangerous tools around the home. Lawn mower injuries can result in amputation, disfigurement, sight loss and other serious wounds. Lawn mower injuries to adults, as well as children, can be prevented.

Follow these safety tips:

- ⚙️ **Prepare the lawn before mowing.** Remove debris, sticks, rocks or any other potential flying objects from the area to be mowed.
- ⚙️ **Fill the gas tank outdoors** when the engine is cool. Never fill the tank in a garage or shed, because of the danger of gasoline fumes. Turn off the mower and let the motor cool before filling the fuel tank.
- ⚙️ **Remember**, gasoline is a carcinogen (cancer causing agent) and a mutagen (can cause cells to mutate). When working with gasoline, work in a ventilated area, wear gloves and wash your hands thoroughly with soap and water when you are finished (even if you wore gloves).
- ⚙️ **Always** use protective eyewear. Earplugs and other forms of hearing protection are a good idea, but don't listen to portable music players to try and drown out the mower noise.
- ⚙️ **Power mowers** are especially dangerous on slopes, be sure to use good judgment. Push walk-behind mowers across (not down) slopes; drive riding mowers up and down slopes.
- ⚙️ **Tennis shoes and sandals** are not suitable footwear for mowing. Wear heavy boots, ideally those with a steel toe, so that feet have some protection.
- ⚙️ **Never** carry a child while on a riding mower. If the child falls off but the driver remains on the mower, the automatic shut-off will likely not be activated.
- ⚙️ **Make** sure the mower is turned off before reaching underneath to remove grass clumps or debris.
- ⚙️ **Keep** children in the house or in another supervised area of the yard while mowing, using an electric hedge clipper or weed whacker.
- ⚙️ **A child** should be at least 12 years old to operate a push mower and at least 16 to operate a riding mower.
- ⚙️ **Wear** sunscreen with a SPF of at least 15. Avoid mowing mid-day (between 10 AM and 3 PM) when the sun is the strongest.
- ⚙️ **Mowing** can be hot work, so stay hydrated with lots of water, ice tea or lemonade.

WA WA Temple

Membership Dues Pre Authorized Payment Plan - PAPP

WA WA Temple has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter (March, June, September, December) and the first payment would depend on the date enrolled. Breakdown below for Regular member status (as per Temple Bylaw's) for pre-payment of 2017 Member dues at \$135.00

Noble Enrolls In	Next Quarterly Cycle	Initial QTR Payment	Subsequent QTR Payments
February	March 31	\$33.75	\$33.75
May	June 30	\$67.50	\$33.75
August	September 30	\$101.25	\$33.75
October to December	December 31	\$135.00	\$33.75

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec 31 at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia

To enroll in this plan, please sign the form at the end of this issue and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

If you have any questions or concerns regarding this program, please do not hesitate to contact the Temple office at 306-569-2294.

Shriner's International Bylaw 332.2 (a) which states:

"The annual dues in every temple shall be paid in advance"

MEMBERSHIP DUES

Shriner's International Bylaw 332.2 (a) which states: "The annual dues in every temple shall be paid in advance before January 1st by all members."

Nobles....I hope **"PLEASE"** this will get your attention and your serious consideration to conform to this issue of PAPP (Pre-authorized Payment Plan). This will be the procedure for new Nobles.

We are on track to modernize our accounting and remuneration for the betterment of our Temple and all the Nobility. To that end we are asking you to PLEASE sign the necessary documents so that your dues can be automatically paid throughout the year of your Membership. **YOU WON'T NOTICE THE PAIN OF PAYMENT!!!** This pre authorized payment plan I have personally used, and it's the only one the gets paid without penalties. It's a saviour!!!!

Email Address _____

As I am registering for the PAP after the first quarterly payment deadline has passed (March 31), I agree that on the next quarterly payment cycle (either end of June OR end of September or end of December), I, the undersigned, hereby authorize WA WA Temple to withdraw from my bank account one payment equal to a multiple of the missed quarterly payments for membership or PCM dues as identified in the Temple bylaws. I further authorize quarterly payments for the balance of the current and ensuing year's membership dues or PCM dues, the amounts of which are identified in the Temple bylaws, on March 31, June 30, September 30 and December 31 of next and subsequent calendar years.

This authorization remains in effect until WA WA Temple has received written notification from me of a change or termination. This notification must be received, at the WA WA Temple office, at least ten (10) business days before the next payment is scheduled.

I acknowledge and agree that if any quarterly payment is refused by my bank, WA WA Temple may resubmit a payment request to my bank as soon as possible.

I have certain recourse rights if any payment does not comply with this Agreement. For example, I have the right to receive reimbursement for any pre-authorized payment that is not authorized or is not consistent with this Preauthorized Agreement.

These services are for membership dues payments only.
