## A MESSAGE FROM YOUR POTENTATE 2017

**Wayne Miner, Potentate 2017**

It is hard to believe I am in my sixth year on the Divan and almost 3 months as Potentate. Lady Irene and I want to express our sincere thank you for all the support the Nobles and Ladies across WA WA and especially the Saskatoon Shrine Club, have extended to us on this journey. Our Ambassadors that stepped up to help are nothing short of amazing, especially when you have Noble Dennis Skuce and Lady Vivian on your team.

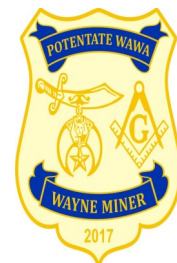

Nobles and Ladies of WA WA, can be really proud of the support they have given to the Montreal Shriner's New Hospital campaign. In 2011, the Divan, agreed to pledge giving \$160,000 over ten years. As of December 2016 the donations made by WA WA and individual gifts totaled \$778,067. In addition to that there were donations by individuals and clubs that were made direct which totaled \$222,680. This includes the Saskatoon Shrine Club donation of \$50,000. The grand total donations from WA WA and one made direct total \$1,000,747. We have a commitment of \$38,237 remaining. In May Lady Irene and I along with Noble Sandomirsky will be attending the Hospital Seminar, at which time we will present a cheque for all or almost the pledge remaining. Wow, \$1,000,000 thanks goes out to the generous people.

Last fall we appointed a fundraising committee that is chaired by Chief Rabban, Noble Wayne Flatten. They are being challenged to find fundraising schemes for WA WA and the Clubs that will replace losses of Circus revenues. We only have two fundraisers going, in addition to the 55% share that clubs commit and membership dues. Cash Calendar sales netted \$33,806 on sales of \$74,169. The Telemarketer last year proposed to continue seeking out donations

The time is drawing close to our Ceremonial. This year's Ceremonial is in Saskatoon JUNE 9, 10 and 11th.

Hopefully you are actively perusing our Master Masons to take another step to the "World's Greatest Philanthropy", Shriners International and our own WA WA Temple!!!

Although this is an ongoing endeavour, our Initiation in June in Saskatoon is our largest event of the year.

If you can canvass and approach any Master Mason's MM in your lodges to petition the Shrine for this year's Ceremonial, this is simply what is needed to grow our Temple.

If every member of the WA WA Shriners recruited only 1 recruit or candidate for the Shrine, think how fast we could grow once again!! Our Potentate, ILL Sir Wayne's goal this year is 100 new candidates. Some of you remember the days when this was the standard. Somewhere down the road we neglected our duties and compassion in recruiting Master Mason's for the Shrine Journey.

There are plenty of New and Young Master Masons in our lodges throughout Saskatchewan who have not been approached for the Shrine journey or explained to them what our Philanthropy is all

about. Remember why you joined the Shriners. Someone very important simply ASKED and mentored you through a journey to belong.

Times are very different today than when many of you joined the Shrine. Today, families and time are limited and so very important. This is why a young new Shriner can choose his level of activity and include his family whenever and wherever to join in fun and activities while strengthening and supporting the activities of our Clubs. Let's jump on

this Shriners band wagon once again. !!!!!

Shriners International and Shriners Hospitals for Children are your fraternity and philanthropy, and that, since that first Shriners Hospital opened in 1922, our unique

health care system has become respected and revered worldwide for its generous and compassionate approach to caring for children.

Every one of us should be proud of what our philanthropy has become.

Thank you for all you do for Shriners International and Shriners Hospitals for Children.

Remember: No one person can do it all. But everybody can do something to contribute to the overall goal.

## HOSPITAL REPORT

Since my report of Feb. 21, at which time we had 97 patient files consisting of 77 active and 20 inactive Shrine Kids, we have gained 3 new patients and 1 reinstated patient, for a total of 101 Shrine Kids files.

The 3 new Shrine kids were (1) LW with a diagnosis of Arthrogryposis, (2) SS with diagnosis of Vacterl Association and (3) TC with a diagnosis of Cerebral Palsy and Scoliosis.

The reinstated "Shrine Kid" is a 25 year old adult male, BP, with a diagnosis of Perthes Disease, whom will be discussed later in the report.

Since our last report, 11 new flights were booked for 9 Shrine Kids, 2 of whom had 2 flights each. 9 of these flights for 7 clients went to Montreal. 3 of these had diagnoses of avascular necrosis of the hip (1), scoliosis (1), and osteogenesis imperfect (1). The other 4 of 7 had diagnoses as were mentioned earlier.

A total of 24 vouchers were used for these 9 flights, with a numerical value of \$7447.90. We have used a total of 44 vouchers to date this year of 148 vouchers allotted. These have a numerical value of \$14,522.64.

The two remaining flights of the 11 booked were for trips to the USA. One was to Minneapolis costing \$2596.40, and the other to Cincinnati costing \$1313.30. Both were paid on our Visa card.

**CURRENT PATIENT FILES 101**

**ACTIVE PATIENT FILES 77**

**INACTIVE FILES 20**

**NEW PATIENTS (C.T. AND A.D.) 3**

**PATIENTS WAITING FOR APPROVAL 11**

We have 11 new applicants still awaiting decisions on acceptance or rejection. These potential Shrine kids are at various stages of their submission.

Finally, our one reinstated "Shrine Kid" is a 25 year old adult male from Regina. His diagnosis is Legg-Perthes Disease. This condition is prevalent in males, and usually presents between the ages of 5 and 10 years. It affects the hip joint, a ball, and socket joint. It occurs as a result of a transient loss of blood flow to the round ball, the top of the femur or thigh bone. There is destruction of the ball with fracturing. It usually causes hip and leg pain, and loss of joint motion.

This client had a visit at age 23 in 2015, and is booked for another visit later this month. As our cut-off age is usually 21, I wondered why he was still being followed, so I telephoned him. He told me he had a new surgical procedure done at age 8, and subsequently had many more procedures over the years. However he was very active as a teen, and played rugby and football, and also did swimming and biking.

## New Patient Referral Process Approved at Imperial Session

**Shriners Hospitals  
for Children®**

Great news! It is now easier than ever to refer a patient to Shriners Hospitals for Children®! At the 138th Annual Session in July 2012, the attending delegates approved amendments to the Colorado Bylaws 509.2 and 509.3 which simplified the way for patients to access Shriners Hospitals. Patients/families no longer need to fill out a two-page application form that must be processed before being considered for treatment. While this is a big change for our system and YOU, we want to assure you that our Shriners are more important than ever in finding children that need our help; as well as informing the public about the noble mission of Shriners Hospitals for Children. We need your participation now, more than ever, to reach more patients. This new process makes it easier for our patients and will still allow for engagement with the nobility. Travel and transportation support should not change. Contact your Shrine temple or hospital if you have questions.

This new intake process continues to support your valuable referrals, without the added step of completing a patient application. Instead, simply provide patients/families with the Shriners Hospitals for Children patient referral card, which may be obtained from your hospital or Shrine temple. In addition, a new Patient Referral Form will be forthcoming in the near future. However, the referral card is preferred, with the patient/family calling the hospital's referral intake line directly. Why? This is the quickest and most convenient way for a patient to get the care they need.

When did this start? In October 2012, Shriners Hospitals simplified the process for our new patients; allowing patients' immediate scheduling for an appointment if their clinical needs meet the hospital's scope of service. To avoid any confusion to our patients or the community, temple staff are asked to no longer use the application form and remove any reference to a patient application process in temple materials or website. Thank you for your continued hard work in helping the children. Please contact your local Shriners Hospitals facility if you have any questions.

### HOSPITAL REPORT CONTINUED FROM PAGE 11

He explained that he was being followed because he originally was treated by a new and non-conventional surgical procedure, and that the doctors wanted to follow him further, as many patients ultimately require total hip replacement surgery.

Hospital Chairman

Thank you for making a donation to the Shriners in an effort to help the Children of Saskatchewan up to the age of 18 years receive treatment for Orthopedic, Burns and Spinal Cord injury. ### MOOSE JAW SHRINE CLUB

The Gourmet Club had it's windup for the season on March 11th. This is always a Dine with the Ladies event, with all of the gourmet teams providing part of the meal. Moose Jaw Shrine Club President No-

ble Gary Vieser and Noble Jim Martin were recognized as gourmet cooks for the year.

The executive decided to also have get-togethers every second Thursday until the end of June. The meals for them will be provided by various members of the gourmet teams.

We are also planning for the two big local golf tour-

naments with which we are involved... the Moose Jaw Warriors and Liepert tournaments.

With the new Liquor and Gaming Authority regulations regarding bars and such, some of the nobles are taking the required "Serve It Right" training to be able to continue with our Shrine Club bar.

The Club has been busy for the Spring season this year, with many activities to prepare for the summer months.

All units have met to plan the upcoming Parade Season. Oriental Band has been busy meeting and holding practices for the ceremonial and parades in which it participates. The other units, the Equestrian, and the Motor Patrol, are ready for the season.

It was decided that the Club would wind up the previous Little Chicago nights, and have instead a different venue to support the Moose Jaw Shrine Club Children's Festival.

The fundraising chair, Noble Garth Hordenchuk and his committee will have more on the replacement initiative soon.

Children's Festival planning has been proceeding well. Acts and various venues have been booked by co-chairs Nobles Darroch and Ron Cairns. This Festival has been running for several years now, and is held at the Western Development Museum, which is close by the Moose Jaw Shrine Club. This year, we'll be providing a program which will

### WA WA DRILL CORPS

Well, spring has sprung, so I guess it's time to spring into action for the coming season, as the Drill Corps has progressed into the mobile machines---that is miniature ATVs. We would like to show them off in some of the up and coming parades. Perhaps to some of the smaller towns' parades that are fairly close to Regina.

We still like to march and carry flags, but some of our members are getting a little long in the tooth. We are certainly open to having new members join us and take part in our activities.

We are still working Bingo twice a month, the first and last Monday at Centennial, and we plan to have Hot Dog Sales again at the Co-Op Centre on Winnipeg St N. These are always fun times. Stay posted for hot dog sale dates.

One of our most recent members, Noble Neal Haack, had just come through heart surgery for a triple by-pass and a valve replacement and is home recuperating. We certainly wish him all the best.

As an active Corps, we have Nobles who participate in other areas of the Shrine such as the Ritualistic Unit. Under the leadership of Ill. Sir Ken Eskdale P.P., we go out to schools in rural areas where there are Volunteer Fire Departments to promote Burn Safety to children from K-Grade 5 .

This is a fun time communicating with these young kids. With the start of a new season for us, we plan to be very active.

**Also we are going to sell Christmas Cakes again, please give your order to any Drill Corps member prior to May 31st, as our order must be placed by then.**

## STOP BURN INJURIES (SBI)

The SBI program is alive and well for the time being. Year 2017 looks promising as we are off to a good start, five schools and 454 children, with two more schools scheduled for early May. On April 27<sup>th</sup> and 28<sup>th</sup> LeRoy Charbonneau and I will be attending the SAFC (Sask. Association of Fire Chiefs) Seminar in Prince Albert. We are invited every year, plus we are given a complimentary booth and a couple of meals. This is great exposure as this seminar is attended by the volunteer fire department Chiefs in rural Saskatchewan. These men and women are instrumental in helping promote our being at the schools in their areas.

The key to making a presentation at the schools is the approach made by Shriners in their respective areas. For example, Parkland Shrine Club SBI representative Noble Leroy Charbonneau approaches the schools in the Parkland area. Leroy speaks with the principals about the program we offer; once permission is granted for the presentation Leroy contacts me and plans are made to be at the school. In 2016/2017 Leroy made arrangements for presentations at 15 schools in the Parkland area. Leroy also contacts the local fire department, local media and SGI Canada if a representative is in the area. We are now set to go. I

bring with me one or two available members of the Regina SBI team. At the present time this includes Ron Heal. Lloyd Ramsdell, Garth and Neale Haack and Lady Betty Eskdale.

Prior to the presentation I speak with the principals and hand them cards that list the services the Shriners provide. This is important as they know if someone in the community requires assistance. I stress that this service is of no cost to parents. I also

speak to the news reporters and give them a hand-out that tells them who we are and what we do, that way they get it right.

Last, but not least, I speak to the fire fighters about their participation, if they wish to do or say something. Now, it's presentation time. Once the presentation is over, each student is given a handout package containing a colouring book, pencil, crayons, rulers and "hot and cold" faucet stickers.

All students receive a certificate acknowledging that they have participated in Stop Burn Injury Training.

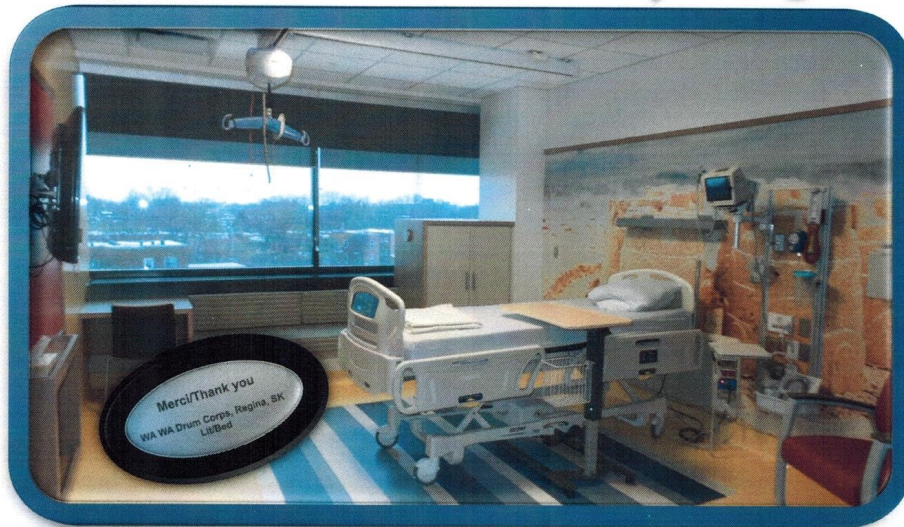

In the past SGI Canada has been a major sponsor which has provided funding to purchase the above needed supplies. We have received approximately \$30K from them. We are not sure about this year due to a tight provincial budget. I also receive some materials from Shriners International free of charge.

## SASKATOON SHRINE CLUB

Nobles, we have made it through another winter and not only survived but as Shriners we have thrived together.

The Saskatoon Shrine Club has been engaged with efforts to contribute in many ways from hosting Friday Suppers, selling boat tickets, participating in and preparing for the Ceremonial as well as numerous other social committee events. Spring is a time of renewal and growth and as Shriners we are entering a busy time of year with Parades, Ceremonial, and the Summer fundraising efforts.

I would like to challenge each and every Noble to try and grow our club's awareness and mission to Saskatoon and the world. As we all know, together we can transform the world and change young families lives. I encourage us as individuals to make an effort to do what we are each capable of and participate when and where we can.

Best Wishes to you and your families.

list all the major donors to give them recognition and advertising for their contribution. We'll be adding a petting zoo, complete with Donkey and Shrek - they will be a big hit with the children, and provided a photo op for the children. We also will be having a visit from Olaf (Disney's Frozen) to entertain the younger children.

As per previous years, we will be having carnival type games under our outdoor shelters, candy floss and candy, hotdogs and drinks, static displays from the Moose Jaw

Fire Service and Police Service, the

RCMP - and, the fun attractive, the Bouncy Castles. Ill. Sir Ken Eskdale P.P. will be there, handing out information about the Stop Burn Injuries program. Face painting will round out the outdoor venues. Indoors, we'll be hosting a magic act in the large meeting room.

The Club is this year, too, having a garage sale at the Masonic Temple building, so we'll have a large number of people coming over there and seeing the building and what we have to offer in the way of rentals to the public.

We are looking forward to the rest of the year, and hosting our potentate, Ill Sir Wayne Miner and Lady Irene in October. This year's Potentate's Banquet will be a really gala event.

## SWIFT CURRENT SHRINE CLUB

### Short and Sweet from Speedy Creek

Dust off those instruments, find your uniform and fire up those engines as parade time is fast approaching already the Swift Current Band and Clowns Units have had 2 requests for participation in parades. Shrine participation in local parades around the province gives us the best public relations available. Let's all do our job!

Special thanks are extended to Lady Marg Wiebe for a special bequeath to the Montreal Shrine Hospital. The presentation of \$10,000 to Shriners Hospitals for Children SHFC was made on behalf on her late husband Noble Wiebe's family at the March meeting.

Noble John Stephenson and his crew have got sales well underway on Swift Current's annual Harley Davidson Motorcycle Draw. Dig deep and buy a second ticket this year. Just look at the past Recorder Kirk Molder - the proud winner of the 2016 draw. Proceeds of this raffle go to Shrine activities which directly support our Shrine Hospitals.

Another fish fry is planned for the summer months. It has become a very popular event.

Don't forget - the club meets the 3rd Wednesday of every month except in the summer.

Do Drop In!!

Respectfully submitted,

**STOP BURN INJURIES** CONTINUED FROM PAGE 17Some facts and figures Re the SBI program:

1997-2007	Art Hunter	approx.	10,000 students
2007-2017	Ken Eskdale	approx.	10,500 students
2007-2017	Ken Eskdale	communities visited	100 approx.

With this number of communities visited we do more than educate the children. As mentioned before we have the media attend whenever possible.

The SBI program is a major factor in promoting the Shriners and their work in Saskatchewan.

Now for the good news, with this comes exposure of what Shriners do, we get the word out. For examples in the Parkland area alone, we get approximately 8,165 copies sent out to the area homes, plus some via email.

This shows that the SBI program is a major factor in promoting the Shriners and their work in Saskatchewan.

## ***KEN'S SAFETY CORNER***

Spring is here and it's a good time to be outside enjoying the weather. Here are some ways to help keep you and your loved ones healthy.

**1. Beware and aware of BUGS!** Mosquitoes, ticks, and fleas transmit diseases. Use appropriate

Insect repellent. Avoid tick infested areas such as high grass or thick brush. Shower as soon as possible after coming indoors and check your body for ticks. Check your children.

Wash and tumble dry clothing. Check pets for ticks. Consult your health care provider if you or a family member develops fever, rash, body aches, headache, stiff neck, fatigue or disorientation after a tick bite. Typically these symptoms occur in the first three weeks after a tick bite.

### **2. Grilling out?**

Use a meat thermometer to make sure meats are cooked thoroughly. Place cooked meat on a clean platter not back on the one that held raw meats. Wash hands, kitchen utensils and any surfaces that have been in contact with raw meats as soon as possible. Good rule: Keep **HOT foods HOT** and **COLD foods COLD**.

### **3. In the SUN....**

Do your part to protect yourself and your family from illnesses that are transmitted when participating in recreational water activities. Do not swim if you have diarrhea, do not swallow pool water, wash your hands frequently. Avoid being di-

rectly in the sun during the hottest time of the day. Use sunscreen at least SPF 15, cover skin with clothing and wear a wide brimmed hat. Wear sunglasses to protect your eyes (UVA and UVB rays). Always be aware of signs of heat stress.

### **4. Spending time with Nature....**

Drinking stream water even though it looks clear is risky business. Clear doesn't mean safe.

Cryptosporidium and Giardia are parasites that inhabit water. They are not visible and can cause significant illness. Always filter or treat water to make it safe for drinking.

Protect yourself from bats. Bats enjoy the night life. Bats are a common sight at dusk when camping. Remind children to never touch a bat. Bats may be infected with rabies. If bitten, wash the area well and seek immediate medical attention.

Have a healthy Spring!

without a circus. Lynda Schaeffer said she had many calls from previous donors asking when she would be contacting them. The script has changed to remove any reference to the Circus and clearly no connection to the Shrine Hospital. The donations are for Shrine Activities in Saskatchewan. Revenues generated over seven months equal \$88,168.00 with a net to the Shrine of \$45,500. On top of this the Recorder David Paul has found ways to generate self-sustaining funds through rental of the Temple. These two funds have absolutely saved the Temple from having to draw down on the Operating side for any shortfall.

The Saskatoon Shrine Club, under the direction of Noble Craig Inkster, is hosting the 2017 Ceremonial this year June 9 to 11th. We are asking all Units to participate in the Warman City Parade 10:00AM June 10th. **PLEASE SIGN UP CANDIDATES WITH A CHEQUE THAT CAN BE POST DATED FOR JUNE 1ST** IF THAT HELPS. We need extra time to approve, process and prepare for the Ceremonial.

Improved communication is my flagship for the ensuing year. The financials will be posted to the Website. A summary of Divan and Stated Sessions will also be posted. An email will be sent to all Nobles announcing new postings of these documents.

*Illustrious Sir Wayne Miner*

## MEMBERSHIP DUES

On December 31st each year Shriner International records the WA WA Nobles as active. WA WA is then required to send \$30 USD for each one as a per capita tax that covers membership responsibilities. WA WA pays this on behalf of all Nobles using the honor system. It is done in the belief that they will notify the Temple if they no longer wish to be a Noble. Nobles are responsible to pay their dues prior to the end of the year. It is clearly up to each Noble to decide and ensure their belief in the Shrine includes paying their delinquent dues or provide timely notice that they no longer wish to belong.

## **WA WA Temple**

### **Membership Dues Pre Authorized Payment Plan - PAPP**

WA WA Temple has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter (March, June, September, December) and the first payment would depend on the date enrolled. Breakdown below for Regular member status (as per Temple Bylaw's) for pre-payment of 2018 Member dues at \$135.00

<b>Noble Enrolls In</b>	<b>Next Quarterly Cycle</b>	<b>Initial QTR Payment</b>	<b>Subsequent QTR Payments</b>
February	March 31	\$33.75	\$33.75
May	June 30	\$67.50	\$33.75
August	September 30	\$101.25	\$33.75
October to December	December 21	\$135.00	\$33.75

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec 31 at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia

To enroll in this plan, please sign the form at the end of this issue and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

If you have any questions or concerns regarding this program, please do not hesitate to contact the Temple office at 306-569-2294.

### **Shriner's International Bylaw 332.2 (a) which states:**

*"The annual dues in every temple shall be paid in advance  
before January 1st by all members."*

As I am registering for the PAPP after the first quarterly payment deadline has passed (March 31), I agree that on the next quarterly payment cycle (either end of June OR end of September OR end of December), I, the undersigned, hereby authorize WA WA Temple to withdraw from my bank account one payment equal to a multiple of the missed quarterly payments for membership or PCM dues as identified in the Temple bylaws. I further authorize quarterly payments for the balance of the current and ensuing years membership dues or PCM dues, the amounts of which are identified in the Temple bylaws, on March 31, June 30, September 30 and December 23 of next and subsequent calendar years.

This authorization remains in effect until WA WA Temple has received written notification from me of a change or termination. This notification must be received, at the WA WA Temple office, at least ten (10) business days before the next payment is scheduled.
