A MESSAGE FROM YOUR 2018 POTENTATE

On behalf of Lady Synde and myself, I'd like to thank all the nobility and their ladies for participating in the various events, parades, fundraisers, meetings, Ceremonial, Midwest or whatever else there was! One of reasons we joined the Shrine was to participate in as many activities as we could and to have fun. I've noticed that this was accomplished. Since the last Warblings, so much has happened I can't begin to describe

them all. There are a few I would like to highlight. The Ceremonial on June 23 was a bigger success than I envisioned. Although there were only 13 candidates, the number of the general nobility and their ladies that attended, far exceeded expectations. As when anything is new, we can improve what we have laid the groundwork on. The positive reviews, by virtually everyone, shows that we're on the right track and should continue this format moving forward.

Imperial session was again this year in Daytona Beach and WA WA was represented by 6 nobles. There are some future changes occurring within some of the hospitals, which will reflect the changing times. We'll see how everything plays out in the next few years.

Midwest was in Deadwood SD this August. 71 nobles and ladies from WA WA registered and enjoyed a great time. Our hospitality room was the talk of the other temples and while speaking to many that came to it, we believe there might be a larger contingent than first thought for MSA 2020. We'll see in a couple of years!

There were a number of potential candidates that couldn't get to the Ceremonial in June, so we decided to have a 2nd Ceremonial in the fall to accommodate those who missed the June one. November 17 is the day we have set aside and it will begin with the ritualistic part in the morning and the Arch Ceremony (which was outstanding) in the afternoon. Since November can be iffy, weather continued on pg. 9

Photograph on the front page features a man and child, Noble Al Clarke and Duncan, walking under the arch at the Arch Production during Ceremonial 2018.

CEREMONIAL 2018

MSA 2020

"As part of the Midwest Shrine Association annual convention, a parade of Shriners filled Deadwood's downtown Thursday. The Naja Shrine, chartered in Deadwood in 1893, is hosting thousands of Shriners for the conference, and another parade is planned for 10 a.m. Saturday on Spearfish Main Street. Shriners meet locally to foster fun, fellowship, and philanthropy in the community, and as part of Shriners International, they are committed to supporting Shriners Hospitals for Children." Pioneer photos by Jaci Conrad Pearson

The above photo, which appeared on the front page of the Black Hills Pioneer, shows Nobles from 3 of WA WA's local Shrine Clubs (Prince Albert, Wyn-El-Wa and Regina) representing WA WA Shrine in the Thursday, August 16 2018 evening parade held in Deadwood, South Dakota. Along with the Regina Shrine Motor Patrol, the WA WA Shrine Drum Corps and WA WA Shrine Drill Corps also participated in the MSA parades in Deadwood on Thursday and in Spearfish on Saturday and did an excellent job representing WA WA Shrine. Both the Drum Corps and Drill Corps welcomed participation from Nobles of the various local WA WA Shrine Clubs during the parades and it is this spirit of cooperation among the local Shrine clubs that will be key to the success of the 2020 Midwest Shrine Association summer ses-

sion being held in Regina from August 12th to 15th with the Delta Marriott as the host hotel and convention centre.

MSA 2020 Director General Noble Stu Larson and myself as Deputy Director General learned a lot from our time down in South Dakota and made notes on what things were done successfully and what things might need some improvement to insure that 2020 is a huge success.

As with any event of this scale, the need for volunteers is a major key to success, and we are hoping to have Nobles from all over the province assisting with the various duties and responsibilities needing to be looked after. Noble Larson has identified

continued on pg. 9

several committees that will require members to assist with planning, organizing and assisting with general duties, such as Entertainment, Transportation, Events, Competitions, Housing, Communications, Public Relations, Sponsorship, Venues, etc. where we are actively seeking volunteers willing to assist. If you are interested in assisting with WA WA's 2020 vision for MSA, please contact either myself or Noble Larson.

wise for a BBQ, the evening will coincide with the Indoor Ice fishing derby. It's shaping up to be another big, successful day. By all reports there could be a good number of new candidates being initiated, so attend your Masonic Lodge and see who else would enjoy being a Shriner!

Fall club visits are starting soon. Lady Synde and I plan on visiting all the clubs, so please come out to them, we would love to be able to say "Hi" to each and every one of you. Until then, enjoy the rest of the summer and fall!

HOSPITAL REPORT

The summer months of June and July were unusually busy. There were a number of new applications (we currently have 15), and we now have 114 Shrine Kids, of which 84 are considered as active ones. The proof of just how busy we were - "all our 142 WestJet vouchers were used up by the end of June except for 2". Normally we run out of vouchers by October or November! The result of no more vouchers has lead to 10 flights being paid for in July and the beginning of August from our PTF for a total of \$13,613.36.

There is good news regarding the discussions over the last number of months of the possible closure of 4 of our hospitals. Thanks to the hard work of the Joint Boards of Shriners International and Shriners Children's Hospitals, the plans for realigning and restructuring Boston, Cincinnati, Spokane and Twin Cities hospitals have been implemented.

Briefly, for Boston, the plan is to consolidate space and sharing our location with Massachusetts General Hospital. In Cincinnati, the right hospital to share space with will be determined, either at their location or ours. The Spokane hospital has agreed to significantly reduce expenses, and to increase both specific outreach efforts and their sports medicine program. The Twin Cities location will move to a partner site, where our staff will provide both inpatient and outpatient services, and will increase outreach to specific target areas. For

Boston and Cincinnati the plan is to have the transition completed by the end of 2020, for Spokane by the end of this year, and for Twin Cities within the next year.

RECORDER OPPORTUNITY

2019 WA WA Recorder Position

WA WA Shrine is seeking a Noble to be elected for the position of Recorder at our 2019 Annual General Meeting election. The position will become available in January 2019 due to Noble David Paul's announced resignation as Recorder. The 2019 Recorder will not be responsible for renting the building, but will instead take on the role of working with the Divan to continue to grow and strengthen the Shrine. A new position, Event Manager, will be created in 2019; this person will manage the hall rentals and event staff. The Recorder is a key member of the elected Divan and the main contact with the Shrine Nobility and the general public. Interested Nobles can contact Noble Brad Barlow, Chief Rabban, at 1-306-861-6110 or brad.barlow@sasktel.net for more information and a complete list of the Recorder's duties.

LEGION OF HONOUR

WA WA Shrine has a new unit.

It is affiliated with the International Association of Shrine Legions of Honour, headquartered in the U.S.

There are many Shrine Centres in Canada which have a Legion of Honour unit. Such units are established to honour the sacrifices of our Shriner military and protective services personnel.

As such, one would find LOH members carrying flags, laying wreaths at memorials, escorting Potentates and dignitaries, and performing such other duties of a military/paramilitary nature as assigned by the Potentate.

The unit has been established as a Province wide one, as former and serving members of the military and protective services live in many different locations in Saskatchewan.

Initiation fees and dues are very low, and will remain so.

The unit will be meeting every second month, except for June and July, location to be determined.

The founding officers are: Nobles Commander, Troy W. LeBlanc; Deputy Commander, Jim Mills; Adjutant, Rev Ron Cairns CD. Ill Sir Noble Ken Eskdale is also a founding member.

For more information, including a petition request, contact the Adjutant, at roncairns@sasktel.net; the Commander troyleblanc328@gmail.com; or Deputy Commander: jdmills@sasktel.net.

PRE AUTHORIZED MEMBERSHIP PAYMENT PLAN

WA WA Shrine has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or (Permanent Contributing Member) PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter: March, June, September, December (on the last day of the work week and pre-Christmas) and the first payment would depend on the date enrolled. Breakdown below for a Regular member status (as per Temple Bylaw's) for pre-payment of 2019 - 2020 Member dues at \$145.50.

However, during the 2017 Imperial Session, legislation was passed requiring all payment made to Shriners International be made in US Dollars. The exchange rate is selected on August 1st – the beginning of the newly established Shriners International fiscal year – and shall be valid until the following July 31st to ensure a consistent charge between dues notices. Pre-authorized Payment Plan (PAPP) members will see an increase/decrease on their final two payments to reflect this dues structure increase.*

Noble Enrolls In	Next Quarterly Cycle	Initial QTR Payment	Subsequent QTR Payments
February	March 31	35.98	35.98
May	June 30	71.96	35.98
August	September 31	108.73*	36.77*
October to December	December-end	145.50*	36.77*

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia.

To enroll in this plan, please sign the form on the reverse side of this page and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre- Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

I further authorize quarterly payments for the balance of the current and ensuing years membership dues or PCM dues, the amounts of which are identified in the Temple bylaws, on March 31, June 30, September 30 and December (pre-Christmas) of next and subsequent calendar years.

MEDIA RELEASE

Shriners Hospitals for Children researcher reveals important new biology leading to improved healing for bone fractures

Montreal, Thursday, July 26, 2018 – Most people have broken a bone or know someone who has. A break is painful and takes time to heal. Recovering from a fracture is even more complicated and lengthy when your body is not able to produce what is needed to heal. More than 10% of fractures do not heal properly, and this percentage dramatically increases for patients, like those treated at Shriners Hospitals for Children®, who are affected by metabolic diseases. Improvements in the treatment of fractures are therefore highly beneficial. In a study published in the August 2018 issue of the *Journal of Clinical Investigation*, René St-Arnaud, Ph.D., Director of Research at Shriners Hospitals for Children – Canada shares his discovery of a new way to stimulate bone fracture healing.

The science

It is well known that vitamin D is produced in skin when exposed to sunlight and is found in some foods that we consume. In order to stimulate calcium absorption and benefit bone mineralization, our body must transform the vitamin D molecule in two steps.

During the first step of vitamin D transformation, another form of vitamin D, called 24,25(OH)2D, is created. Although 24,25(OH)2D has been mainly regarded as an inactive degradation product, the work from Dr. St-Arnaud's laboratory has not only revealed that 24,25(OH)2D improves bone fracture healing but he has discovered how this process works.

With the help of another molecule, 24,25(OH)2D synthesizes a waxy fat compound called lactosyl ceramide. This compound triggers the transmission of a signal in order to maximize the size and biomechanical properties of the callus, a stabilizing structure that surrounds a fracture and promotes its healing. Test subjects who were not able to produce either 24,25(OH)2D or lactosyl ceramide had a smaller and weaker callus but when treated with these compounds, both callus size and strength increased. By ensuring a stronger and optimal callus size, we promote better healing of a fracture.

"In this research, we have identified new biology and a previously unrecognized mechanism of action for a vitamin D molecule. It is the culmination of more than 15 years of work from my laboratory", states Dr. St-Arnaud.

SHRINERS HOSPITAL

Future applications

Traumatic bone injury is a worldwide major public health issue with significant socioeconomic cost. Therefore, any improvement in fracture treatment would be of considerable benefit for our patients and the population at large.

“The next step is to try these compounds in clinical trials. We hope that they could play an important role in improving fracture repair and healing time”, concludes Dr. St-Arnaud.

The full scientific article is available online on the *Journal of Clinical Investigations*’ web site at www.jci.com.

FUN & FELLOWSHIP

INDIAN HEAD SHRINE CLUB

A small 5 yr. old fellow by the name of Wyatt is blazing trails everywhere he goes. This young man has brittle bone disease and is a Shriners Hospital patient. He has a great wit & sense of humor and very vocal about his opinions. He is very strong for his age and is a true inspiration to others for courage and strength. His mother Christina wants others to know that there is help out there for others like her son.

The Indian Head WA WA Shrine club was asked to help ensure Wyatt and his mother Christina were able to be driven to the airport for their flight to Montreal, to the Shriners Hospital, and then bring them back home after.

With the help of Shriners in Saskatoon, Indian Head, Montreal and the social worker in Montreal, along with the generous donation of the use of the courtesy van from Indian Head Chrysler, Wyatt was flown to Montreal for his surgeries to his legs. He is due to go back for physical therapy sometime in August.

Pictured is Indian Head Shrine Club president Barry Donaldson & Wyatt at the Regina Airport on his return home from Montreal on July 19th.

A final thank you to Vern, who works at the security desk in the airport, who had been with the Shriners and still remains a Shriner at heart, for his assistance at the airport.

"Roll out those lazy, hazy, crazy days of Summer..." sang Nat King Cole in his 1960's hit! Well, we have had the haze and for some it may be crazy, but I'm not sure about the 'lazy' part? Certainly for the Nobles who make up our Go Cart Patrol, it's been far from lazy as they have attended several parades over quite a wide circle of communities including a two parade day on Saturday, August 11th, one of the hottest days this summer! Our Patrol was at Sandy Lake, Manitoba for their 9:00 a.m. parade then went immediately on to participate in another large parade at Wasagamung (Clear Lake) which was followed by lunch and refreshments at Noble Don and Lady Colleen Middleton's cottage. Our gratitude to Don and Colleen for their hospitality! Thanks also to the Nobles and their Ladies for the commitment made by them that makes it possible for the Moosomin Club to be a welcome part of so many parades. Noble John Berns, our Patrol Captain, along with Lady Isabel are at the front of the line when it comes to our Go Cart Patrol, and deserve recognition for that, thank you both!

Another chore that requires volunteers to accomplish many tasks involves keeping the grass mowed, flowers watered and weeds controlled at our Lodge grounds. The time and efforts of those responsible for this work is appreciated by us all, thank you!

Noble Leo Illustrisimo, our Hospital committee Chair has been working with the family of a

youngster who now has a tentative appointment set for October 10th, in Montreal. We are keeping young Mya in our prayers, hoping for a positive outcome, and are grateful for all efforts made on her behalf.

We supported the McLeod Elementary School field trip to Westwood Ranch, at Kola, Manitoba that the grade two students thoroughly enjoyed!

At the June Ceremonial we welcomed our newest member, Noble Hal Garrett, and Lady Sheryl to our Moosomin Club family! Nobles and Ladies attending, in addition to Hal and Sheryl, were John and Isabel Berns, David and Norma Jean Miller, Don Middleton, Herb and Linda Doll and Bill Thorn.

Our Rose Day fundraiser was another great success this year, thanks to all Nobles and Ladies for their efforts on this annual project, with special mention to Lady Margaret Fuchs for her long day keeping track of the orders.

Plans are proceeding for our Dinner Concert project set for November 9th at the Convention Centre, featuring the Darina Harvey Band whose music has a Maritime theme! It promises to be a fun time and we hope all Nobles will hustle the ticket sales to make sure it's a complete sell-out this year.

Finally, Moosomin Club thanks the visiting Units for attending the Moosomin parade this July, we were glad to have you Nobles and the spectators and organizing committee were thrilled and grateful for your participation!

PARKLAND SHRINE CLUB

Parkland Shrine Club Started the spring season by preparing the bikes for the upcoming parades. Parkland Shrine Club with assistance of Nobles from the Wyn-El-Wa Shrine Club provide some exciting entertainment for several parades in smaller communities.

Another highlight of the spring season was sending directly to the Montreal hospital a donation of \$5000. Several members along with guests from the Parkland Shrine Club attended the WA WA Shrine 2018 Ceremonial in Regina.

The members of Parkland Shrine Club are pleased to welcome our newly fezzed Noble Ross Young into our membership roster.

Recently the Parkland Shrine Club has purchased, and installed a mobile chair lift in The Yorkton Masonic temple. It will be, of Great assistance to all Masonic bodies to Promote better participation in our social Events.

REGINA DRILL CORPS

The Drill Corps has cleaned up and gassed up our ATV's and made any repairs necessary for the parade season. Moose Jaw was our first parade in June and we had a very nice day for it, with a lot of people coming out to watch. The Moose Jaw Shrine Club were great hosts, after the parade they provided us with beef on a bun and a nice libation to wet our whistle. Thanks Moose Jaw!

The annual Ceremonial event went over very well this year with a get together at Ill. Sir Wayne Flaten's farm. The famous Flaten chicken was outstanding as usual. We did a quick run around with our ATV's in his yard, but unfortunately one of our machines ran out of gas.

Our next parade was at Regina Beach on July 1st. Once again it was a nice warm sunny day and the people were out in mass. We finished off the day with a potluck BBQ at Blaine Gibbons' cottage and it was nice to have our new associate members and their wives with us this year, Nobles Ron Hitchcock and Lady Trudy and Ron Stankov and Lady Barb joined our unit earlier this year. We also had the privilege of parading in the town of McLean, great route and because it was short we were able to go twice on the route which made the local people really appreciative. The Regina Exhibition was also a great success with hordes of people out to watch. We will now wind down the season with the parade at Lumsden.

Our unit is preparing itself for going south for MSA in Deadwood. This will be a first for us, with

taking our ATV's, as normally we have appeared as a marching unit. It appears that we will have a full bus load and we are looking forward to a good trip.

Once again the Drill Corps will be selling Christmas cakes, so please get your orders in to us early and we will look after you. We will also be selling short-bread cookies that have been made in Scotland. These cookies will come to us in a limited supply for the 2018 year, as we want to see how well they will sell, if they sell well we will bring in more for the following year. We will also be doing the Christmas dinner again this year, in early December. Keep watching for updates on these events.

Keep cool for the rest of the summer. Until next time....

Respectfully submitted by:

Noble L. Ramsdell

REGINA DRUM CORPS

It is another busy year for the Drum Corps. The year's activities started off with cooking breakfast at the AGM on January 21 for Ill. Sir Wayne & Lady Synde. We then hosted the first of our two Pasta nights, the first was held on March 23 and a reminder that, for those who want to attend, we will be putting on our second pasta night on Sept. 28. On May 12th, our annual Lobster Night was again sold out as we served up a wonderful meal for 300 people. We are also still doing monthly bingos which help keep our non-snowbirds active in the winter.

As we are now riding on our trailer in parades it has allowed more of our members to participate. This year's parades were held in Moose Jaw, Fort Qu'Appelle, Medicine Hat, Regina & Wolsley.

We are looking forward to MSA in Deadwood August 15-18. Two parades are planned in Deadwood & Spearfish. We are also looking forward to possibly doing a couple of shows while there.

SOUTHEAST SHRINE CLUB

The Southeast Shrine Club members have had a busy summer season with parades, tickets sales, and a barbecue. The quads and the golf cart have made appearances at parades in Bienfait, Weyburn, Moosomin, and Kennedy, and will be going to Carlyle and Frobisher in August and Estevan in September.

Thank you to the Southern Plains Co-op in Oxbow, to the Southern Plains Co-op in Estevan, and to the Estevan Farmers' Market for allowing members to sell tickets on the \$5000 travel voucher, \$2500 cash prize and \$200 travel pack that is being raffled. The draw will be made on December 2, 2018 so you still have plenty of time to get your tickets.

Many Nobles, Ladies, and families, along with some special guests, attended a social/barbecue at the home of Noble Brad Barlow and Lady Leeann on Sunday, July 29. The perfect weather, delicious food, and great socialization made for a wonderful day. We were also very happy to hear from two patients who updated us on their progress.

WYN EL WA SHRINE CLUB

The Wyn-El-Wa Shrine Club has been keeping busy this summer, we started off the season with some of our Nobles and Ladies going to ceremonial in Regina. Then some of our Nobles were off to the Melville parade on June 30th and the Yorkton parade on July 7th. The Wyn-El-Wa Shriners also had the honor of helping out one of our nobles at his wedding on July 21. Our Nobles were gladly able to tend the bar for their event. Congratulations to Noble Chris and Lady Sharon Halldorson on their marriage.

Speers is the name on our sign.

But it could just as easily be Ron or Doug.

What families value most about Speers can't be taught. It's the understanding face, the attention paid to details and the caring voice who calls weeks later just to check in.

Yes, Speers is the name on our sign.
But it's people like Ron and Doug you remember.

MOOSOMIN SHRINE CLUB cont'd from pg. 23

Amazing to see how our efforts are reaching the general public. It was after a parade in Clear Lake a couple of years ago that Isaac's family first contacted Noble Don Middleton, who put them in touch with Winnipeg Shriners. This led to Isaac becoming a patient at the Montreal Shrine Hospital.

The photos below show what we found attached to each seat of our carts the morning of the Clear Lake Parade. It's amazing how one parade with the Nobles and the Go-Carts 2 years ago could change the lives of Isaac and his sister Cooper. What a thoughtful gift they gave back! This gesture gave us, Shriners, quite a lift.

BEARS FOR MONTREAL HOSPITAL

In the photo below are some of the, more than, 100 bears our First Lady Bev Donbrook (2004) has knit for the children at our Montreal Hospital. The children, generally, get to keep the bears. Up to now, she has donated all materials for the bears, but if people have extra wool they are not using, she would gladly take it to make more.

Just give Bev Donbrook a call at 306-584-2214.
