A MESSAGE FROM THE POTENTATE

ILL SIR BILL FITZSIMMONS

***"Morning has broken
Like the first morning
Blackbird has spoken
Like the first bird
Praise for the morning"***
Cat Stevens

Greetings Ladies, ILL Sirs, and Nobles:

At last, it looks like the long period of Covid-19 is almost finished. Finally, our lives will get back to a period of a new normal.

In spite of self isolation, masks, and not meeting with one another in person (not to mention weight gain, particularly on my part), it looks like we will once again be able to meet face to face. We will be able to go to restaurants, social gathers, and have guests in our

homes without restrictions. (Morning has finally broken from a long period of darkness, and given us light once more.)

As far as our Shrine activities are now concerned, we are able to conduct in Divan meetings by Zoom, and we were even able to conduct two virtual ceremonials with the expertise of our Assistant Rabban Malcolm Gutfriend. Thank you Malcolm!

Morning has broken and summer is here. I know this because I receive emails from of Chief of Staff (Noble Dave Abel) granting permission for our various clubs to hold parades. Indeed, summer is parade season.

The Imperial Session was held in Houston on July 4-8th. Our Chief Rabban, Noble Darroch Cairns, and our Assistant Rabban, Noble Malcolm Gutfriend, attended. I was unable to go, as my doctor advised me not to travel outside of Canada for the present time. I am sure Nobles Darroch and Malcolm enjoyed themselves and will have much to tell us on their return.

The Midwest Shrine Association Summer Session will be held this year, August 11-14. WA WA will also have representation at this event as well.

One of the most important events of this year was "Where's Frank? Walking for Children" at which Noble Frank Atchison walked from Saskatoon to Regina to raise money for the Shriners Hospitals for Children Canada and the Jim Pattison Children's Hospital Foundation in Saskatoon.

Noble Frank started his walk on April 15, 2021. He left from the Masonic Temple in Saskatoon, with a great send off from Masons and Shriners. He walked an average of 4-6 KM per day, arriving in Regina at the Saskatchewan Legislature some sixty days later on June 15, 2021. There were many brief speeches given, starting with our Premiere, the Honourable Scott Moe. Other speeches were given by the Mayor of Regina, Her Worship Sandra Masters; the Grand Master of the Grand Lodge of Saskatchewan—M.W. Bro. Dan Olmstead; the MP from Saskatoon University, the Honourable Corey Tocher; City of Regina Councillor Terina Shaw, mother of Krystal, introduced Krystal. Krystal was a Shrine patient. Krystal introduced Shrine patient Carter Brown who spoke, and then introduced his mother Jenn Brown. Stacie Lawson represented the Jim Pattison Children's Hospital Foundation who spoke briefly and introduced a former patient, Gage. Additional presentations were made by Noble Mike Keogan from Mike's Independent Grocer, who presented a birthday cake to Frank. Regina's own Jack Semple led in the singing of Happy Birthday to Frank. Assistant Rabban Malcolm Gutfriend also made a presentation on behalf of the WA WA Drum

Corps (Malcolm is the President). Noble Don Atchison then wrapped up the presentations with a brief speech.

I have to mention that Noble Frank turned 95 years old on June 15th. He also received his WA WA 50 Years of Service Pin from me, commemorating his 50 years as a Shriner.

I would like to give my sincerest thanks to the Southeast Shrine Club, and the units from the Saskatoon Shrine Club who travelled to Regina to honour Frank. I would also like to give my appreciation to the units from the Regina Shrine Club for their excellent participation. My thanks also goes out the ILL Sir Harry Martin P.P. for bringing in his ambulance and mini semi-truck driven by ILL Sir Brad Barlow P.P., professional (mini) semi driver.

As I am running out of space, I would like to give my sincerest thanks and appreciation to ILL Sir Don McDougall P.P. for his patience and hard work in organizing the wind up for Frank's walk. Ill Sir Don had to change things three to four times on the spur of the moment. Yet, everything went off without a hitch. Thank you and well done Ill Sir Don!

I know much has been said about Noble Frank and his dedication to the Shrine, but I would like to mention that Frank has been responsible for bringing many new Nobles into the Shrine. Some forty years ago, Frank was responsible for me entering the Shrine. Thank you Frank.

MESSAGE FROM THE RECORDER

NOBLE LARRY COUSE

Illustrious Sirs, Nobles and Ladies,

Well, it looks like we maybe getting back to a “new normal”. The biggest issue we will face is to get members actively participating and attending meetings. This applies to all Masonic bodies. So, please get active and support your Lodges, Clubs, or Units.

The WA WA Shriners toll-free number 1-866-699-WAWA (9292) is now active throughout North America. Keep it handy, you never know where and when you might need it.

I would like to welcome our newest nobles who were initiated by Zoom with a Virtual Ceremonial Ritual: Nobles Spencer Edwards, Peter Kingyens, Brad Collins, Darryl Wolfe, Aaron Coons, Chris Weldon, and Allan Gall.

Now that things are getting back to normal, I must remind you that each fund raising project must be approved by the Potentate. Failure to do so may have your Club’s charter pulled.

Parades, the forms actually say permission, when in reality it is so that you have liability insurance coverage. This is also a requirement in Shriners International Bylaws. Without it, you would be personally responsible for any damage caused by your club/unit. Please contact the Chief of Staff, Noble Dave Abel if you hear of any parades, let Karen know so we can post them on the [website](#).

Noble Jason Istead (Outer Guard) and Lady Amanda have a new addition to their family, Baby Willow. I think this photo is priceless!

The Divan unanimously voted to have a 2022 Cash Calendar at a price of \$20 each. Cash calendars will be shipped for sales at the beginning of September. I will be stepping down as Chairman in 2022. I hope one of you creative people out there will step forward to take this over. Until WA WA Bingo gets well established, we will need the Cash Calendar sales to help pay our utilities and taxes.

Sincerely,

Noble Larry Couse

EVENT COORDINATOR REPORT

July 2021 Update: Because of COVID Restrictions; business has been slow. Many of our rentals from 2020 were rescheduled for 2021, and some were cancelled, some rescheduled for 2022. In order to keep costs down, and not ignore our clients, I have been working from home. This allows us not to miss a rental request.

During our down time, we have had the building completely cleaned and sanitized from the Upper Hall to the Boardroom and Kitchen. As soon as the Government opens more regulations, we will be able to book large events once again.

Events are picking up for some available dates for this year. Despite all the regulations we have had a few Wedding Ceremonies at the building. They have held their ceremony with limited guests and Zooming the event to those unable to attend. This seems to be the way of the future. One wedding had up to 184 guests zooming into the ceremony. We are set up for Zoom and we may be looking at this option in the future for events and upcoming bookings.

If you know of anyone or want to use the facility yourself for a special date, do not hesitate to contact us. We will find a way to make the event very special.

Visit www.wawashriners.org/hallrentals for more information, or email Mary Ann Couse, Event Coordinator, at email events@wawashriners.org or call 306-541-9292 to book an appointment.

WA WA BINGO

July Update: Now that summer is here there are even more reasons to get your bingo cards. We expect the number of cards sold to drop 10-20% as players take their vacations or head to the cottage. That means the odds of winning are better than ever and the dollar value of the prizes will grow even higher. The weekly prize board is guaranteed and all game prizes double if the game is not won. Only the Jackpot game grows by \$200.00 each week, if not won.

There are a number of ways to play! You can play live on Saturday at 4:00 pm, play the video copy of the event until Tuesday at 9:00pm, or play the game board. If you play off the game board look for balls drawn or if you are in a hurry look for numbers that have not been called and eliminate cards in that fashion. Don't forget you can play on your cell phone or any device that has internet access. Its easy and you are supporting WA WA Shriners at the same time.

These are the average numbers of cards sold for each month.

March	7,676
April	7,757
May	9,384 (5 weeks)

We have strategies to grow our revenues. We have sent an application to SLGA to restructure the cards. Instead of a 3-up the card will be a 6up for \$5.00. We expect the cards will be replacing the 3up in October 2021.

Other ideas to grow our sales include:

- ◆ Approaching the activity co-ordinators in senior homes to organize weekly bingo events. The Moose Jaw Shrine Club is sponsoring such events already.
- ◆ Distributing flyers to increase awareness.
- ◆ Increase hits on social media.
- ◆ Increase geographical reach by identifying other communities in Saskatchewan who would like access to bingo cards.

Thanks again to the Local Bingo Representatives who every week distribute the cards to over 80 vendors throughout the province. Give it a try and have a great summer.

Where's Frank? Walking for Children

Where's Frank? "Walking for Children" commenced on April 15th, 2021, after many days of preparation. Noble Frank Atchison of Saskatoon left the parking lot of the Saskatoon Shrine Club with a large number of Nobles, Ladies and spectators cheering him on with good wishes and much enthusiasm. There was a media briefing before the walk on the river's edge with greetings from WA WA Shriners, Jim Pattison Children's Hospital Foundation and, of course, Frank's family. Due to the Covid 19 restrictions, the Nobles had to stay in their cars as Frank

walked down the street towards the Prairieland Exhibition. Frank's family including sons Noble Don Atchison and Doug Atchison along with Ladies Martha and Mardelle, walked Frank out of the parking lot and down the road. A very spectacular sight starting off the marathon, Don walked with him to at least Blackstrap every day until his ailing hip put him in the passenger seat. Our driver for most of the trip, Mason Bro. Dave Noga, drove a very steady and slow speed for the distance, always having Frank's and the walker's backs as speeding traffic seemed to fly by them at alarming rates sometimes.

The first day was very difficult. Walking outside, was very different than the training Frank did indoors for weeks in his condo. Frank concluded his first day at the Subway, a major sponsor, in Stonebridge. On the second day, the journey was concluded at the Subway at Grasswood. This was extremely hard as Frank had to stop only 110 feet from the Subway for 15 minutes to regain his strength.

On the 3rd day, he was off towards Dundurn SK. After being on the road now for 7 days, Frank arrived at Dundurn at noon and stopped at Big Mur's Tavern. The owner, Gary Grady, is a Mason

and greeted Frank with open arms and gave him a great experience while there. Of course, Frank also stopped at the Subway, one of his major sponsors.

OFF to Hanley – Walking the Blackstrap Hill was a major obstacle and it was made much easier as people stopped along the highway and gave Frank donations. A couple from Hanley, Lorne and Anne, stopped along the highway and not only donated, but they also brought homemade Barley soup,

Borscht, bread and butter. They offered to manage the motorhome at their home that week after each day's walk, so Frank could go back to Saskatoon and be with his wife Martha for the evening. Frank would continue this routine for the rest of the walk.

Next is Kenaston – Frank and the walkers stopped at the local restaurant where townspeople came off the street to donate. Frank ran into people that he hadn't seen in months or in some cases, years.

Bladworth next – A lady ran out of the ditch and stopped Frank to talk to him. She thanked Frank for what he is doing and thanked him for picking her up on the train each morning on her way to school in Davidson when Frank was an engineer for the CN passenger service that used to run from Saskatoon to Regina. She never forgot his kindness.

Photo: Frank with Kaiden and his Mom, Sylvie, and sister.

Davidson at last – As Frank approached Davidson, he was welcomed by a familiar sight. It was a Model-T-Ford driven by town councillor Clark Puckett. He put Frank in the back seat and toured him throughout Davidson showing him the sights. Frank could remember as a child standing on the running board and hanging on for dear life because somebody was driving too fast. They were doing about 15 mph he thinks. A hospital patient, Kaiden, and his Mother met Frank at the local Subway for some great stories and Frank's admiration for children was very evident. They very elated to meet Frank.

Had it not been for COVID, Frank had plans to have a tailgate party with Shriner's units from Regina and Saskatoon and other parts of Saskatchewan ending with a parade through the town. The town of Davidson, allowed the motorhome to be parked in the campgrounds in Davidson where a group of people were waiting for Frank to arrive. One of the Davidson's councilors, Jim Cross, Frank's cousin came out to meet him. Frank claims he had the best Denver sandwich he has ever had at Keeper's restaurant in Davidson.

Girvin... Walking by Girvin was very tough slogging and very high headwinds were hampering Frank's ability to stay on track. There were more complications with the shoulders of the road through a long stretch of gravel and stones, which felt like an eternity to Frank. This was very difficult to walk on and Frank had to resort to the long grass for walking.

Craik Welcomes... Again walking into Craik there were strong headwinds and more gravel with which to contend. A wonderful experience was had at Flo's Bar & Grill. The local golf course also looked after Frank and provided ice for the week each morning. There is a tremendous RV park at Craik where they let the motorhome stay for the week. The Lion's Club of Craik presented Frank with a donation. There were two

young lads at the golf course restaurant who came over and asked if they could donate which brought a sparkle to Frank's eyes.

Next Stop Aylesbury... Just like Rider Fans on their way to Regina years ago would stop for a pre-game workout by the busloads, so did Frank's team stop and shared many great memories with the owners of the Aylesbury Hotel, who then proceeded to give Frank a donation on behalf of the Hotel and town.

Chamberlain next... It was a beautiful sunny day upon Frank's finish for the day in Chamberlain around

noon. He was greeted by many Nobles who had driven from Saskatoon to make presentations. The Widow Sons came in great numbers and Masons from Imperial lodge in Saskatoon also came to present Frank with donations. We were blessed to have a visit from a patient, as Raoul and his mother drove from Saskatoon to Chamberlain to meet Frank. It was a special day for Raoul as it was his 12th birthday. He was given an honorary membership complete with a leather jacket to the Widow Sons. He also had his photo taken on one of the cycles with Frank. Frank presented Raoul with a birthday cake for

his 12th birthday and led a great rendition of Happy Birthday. Potentate Ill Sir Bill Fitzsimmons was there to interview Raoul and his mom.

Frank and the road crew then met at Folksters where lunch was served and the owner's 3-year-old son gave Frank a great donation.

Photo: Folkster's billboard greeted Frank as he approached Chamberlain.

Findlater next... Bob Keep and Doug Atchison joined Frank to exit the Chamberlain area and head south to Findlater. It was very overwhelming with the gravel shoulders along the highway to Findlater. Frank weathered the storm and road conditions and then walked with HPP Darroch Cairns and Noble Aaron Ruston, both from Moose Jaw, to Findlater.

Bethune in sight... This was the first time that school children encountered Frank. Approximately 100 students and teachers, with "GO FRANK GO" signs, chanted as Frank walked. The Local Lion's club made another presentation to Frank with a donation.

The road crew and Frank had another great reception and lunch at Willy's Roadhouse. How many would know, even after all these years of driving between Regina and Saskatoon, there may be a diamond in the rough in Bethune. The town again reciprocated by offering parking for the motorhome for a week.

Lumsden, here we come June 1st... The town of Lumsden had time to organize and promote the arrival of Frank and plans had been in the works since the inception. The mayor with his council and local authorities met and embraced the feat Frank was performing. The local business, Last Mountain Distillery, also sponsored Frank and donated a percentage of their profits for June going to the Fundraiser. They also provided a reception for Frank. The motorhome was allowed preferable lodging at their beautiful Lumsden campsite. The local RCMP detachment and their sergeant drove Frank around the town and down the main street. They also

as the staging area for the press, which included radio and TV stations doing interviews with Frank for hours. Another Shrine patient, 2-year-old Mathew and his mom Kim were there to speak to the press encouraging Frank and told some great Shriners Hospitals for Children

throughout the region. The Lions park was set up as the staging area for the press, which included radio and TV stations doing interviews with Frank for hours. stories. The local Lions Club made a great donation and the local school raised a

great donation for the fundraiser and Frank. They had many signs made up featuring young artists and coloured up the streets with posters and signs.

REGINA, The Last Mile!!! The "Atch" committee, Noble Don Atchison, Ill Sir Bob Keep P.P. and VW Darren McDonald was joined by Ill Sir John Clarke P.P. and Lady Darlene to complete the walk.

June 15th Birthday party and final pilgrimage to the steps of the Legislature.

With the hard work, diligence and professional direction of Ill Sir Don McDougall P.P. and his committee, there were many Shrine units involved in what was to be billed as Regina's first parade since the COVID pandemic started in 2019. The parade was comprised of many Shrine units including the Indian Head Shrine Steel Band, Southeast Shrine Club, Saskatoon Shrine Classic Cars, Regina Shrine Motor Patrol, Regina Shrine Drill Corps, Regina Shrine Drum Corps, Legion of Honor, Regina Shrine Dino Unit, Moose Jaw Shrine Motor Patrol, Wyn El Wa Shrine Fire Truck, Saskatoon Shrine Clowns and a Regina Shrine Clown, and, of course, the Shrine Hospital's ambulance and semi-truck leading the pack with Ill Sirs Harry Martin P.P. and Brad Barlow P.P. driving. The units gathered in the parking lot of the Conexus Arts Centre and then proceeded through the park roads of Wascana

winding to the Trafalgar Fountain where Frank and the family were joined by others for his final steps to the front of the Legislature where Frank proceeded to walk through the ribbon to signify the end of the marathon. Speeches followed on the steps of the legislature with the program hosted by Noble Don Atchison and then featured Premier Scott Moe; the Mayor of Regina Worship Sandra Master, Corey Tocher MP of Saskatoon; Ill Sir Bill Fitzsimmons; Grand Master M.W. Bro Dan Olmstead; and patients Carter Brown and his Mom Jennifer and Krystal Shaw with her mother, Regina Ward 7 Councilor Terina Shaw. The Jim Pattison Children's Hospital Foundation had one of their patient, Gage, deliver a great story. Saskatchewan's own Jack Semple, a music sensation, rounded things out with a great rendition of Happy Birthday to Frank followed by a birthday cake. It was a hot and sunny day, but luckily it was windy to help keep it bearable during the 90-minute ceremony.

I would like to thank all of the following very special individuals: Noble Don Atchison for giving me the opportunity of Co-Chairing such a great and inspirational committee as the "Atch" committee and the

dedication it took from the concept to the fulfillment. Darren McDonald, the embodiment of a Mason. What a fantastic job of organizing and developing the media blitz and the media coverage this project garnered throughout Saskatchewan. Each and every day there were interviews with the press or for posting to social media. It took many hours of work and preparation to make this the great event it was and have a successful result for both Children's Hospitals. Thanks to WA WA Shriners, the Potentate and the Divan for approving the project, as well as, Shriners International who gave approval just in time. I would like to thank the staff of Shriners Hospitals for Children in Montreal and the support staff of the Jim Pattison Children's Hospital Foundation for their assistance and willingness to collaborate.

I would be remiss if I didn't acknowledge all the Sponsors who donated to such a worthy cause. We could not have survived the trek without them. (Please support our sponsors listed on the back page.)

A special thank you to Noble Greg Marcyniuk of Moose Jaw for donating his Motorhome for the duration of the walk. This was monumental in the mechanics of the walk as walkers and Frank had the convenience of all the amenities of a travelling home on wheels. Thank you again Noble Greg!!!!

All the walkers kept Frank moving and motivated. I'm sure all of them were shocked at how fast he could move through snow, sleet, high winds, bitter cold, extreme heat and rough terrain. All the individuals who stopped to meet Frank along the highway and gave him donations and support. All the truckers who changed lanes and gave him encouraging honks of the horns. All the towns and communities along Hwy 11 embraced the accomplishments of Frank and gave donations to the fundraiser. The many children and teachers of the schools took the time during their week to prepare for the arrival of Frank and greeted him with open hearts. I would like to express a special thank-you to Karen Watkins, WA WA administrator, for all the accounting duties and her husband, Don Loughran, who developed and managed many media posts, for being such a support to our cause.

Noble Frank, your inspiration to all of us will last our lifetimes as Masons, Shriners and all men of honour. Your dream became a reality and proves that dreams do come true and there is no mountain too high to climb. The Blackstrap hill and the Lumsden hill you worried so much about only became molehills as your fortitude, ambition and drive made it easy. Many had doubts about your start or finish and only your resolve made it happen. You did this for the children of Saskatchewan and brought the two children's hospitals together to complement one another for the benefit of all. I am proud to have you as a brother, and God only knows a father figure as well, in the world's largest fraternity and the world's greatest philanthropy.

Frank, you are truly a Shriner Rock Star!!!!

The online donations with the Jim Pattison Children's Hospital Foundation will be open until the end of September 2021 so that all Shriners, families, friends and sponsors still have the opportunity to donate to this worthy cause and unprecedented feat that Frank accomplished.

Ill Sir Robert (Bob) Keep P.P., "Where's Frank?" Co-Chair

BUILDING OF OUR TEMPLE THROUGH MEMBERSHIP!!!!

Hello Nobles It seems that the COVID situation is relaxing now and hopefully we can all get back to what we do best as Shriner's. In lieu of the pandemic, we were able to garner a few dozen new Nobles in the last year and a half with the new initiation initiatives.

In order to build our Temple once again, we will need every one of you to assist in the recruitment of Master Masons. Now that the lodges may meet again soon, let's focus on the brethren that have not joined our philanthropy. I am sure most of them have been aware of the major awareness campaign in the last few months to understand what we do and stand for.

We must promote ourselves at public events in the future. The "Where's Frank"? walking for children has given us much visibility in most of the communities around the province. Our clubs can use this advertising to leverage any local events you may have in the near future.

I would hope that the various clubs across the province will promote recruitment, restoration, retention and relationships for WAWA Shriners. As many clubs suffer from their numbers of Nobles dropping, I hope that each of them will help themselves by recruiting from the long list of Master Masons available to us from local lodges.

Where can you find potential MASTER MASONS? **EVERYWHERE!!!!**

Where can you find potential SHRINERS? **EVERYWHERE!!!!**

1. **Recruitment** of new Nobles through Masonic Lodges and all concordant bodies.
2. **Restoration** of existing Nobles that have fallen off the membership list in the last number of years.
3. **Retention** in keeping the membership informed and interested through electronic communications from our office.
4. **Relationships** the measurements are taken to ensure a long-term relationship with our members.

If your club or Masonic Lodge is interested in hosting a Master Mason night, open house or festive board, reach out to the Membership Team who will assist you in providing a speaker and presentation of WA WA Shriners. This will be a short presentation on the Shrine and what we represent and the many opportunities available for new members. If your lodge or club is interested in promoting this and having us come out, please contact the Membership Chair, Ill Sir Bob Keep P.P. at 306-668-4800 or via email at keep@xplornet.ca

Our Membership report as of June 30, 2021: Starting 646 and Ending 644 Creations 0, Affiliations 0, Restoration 0, Reversal 0, Demits 0, Suspension 0, Expired 1, Expulsions 0 and Resigned 1.

Membership Balance Owing: There are presently 59 members with outstanding dues for 2021.

This totals \$8,652.75. It would be healthy for our Temple to have these members on a pre-authorized payment plan. Many Nobles have been on this program for years with no hassle. This helps the Temple tremendously. The Nobles that have not as yet paid, you can expect a phone call !!!!!

HOSPITAL REPORT

NOBLE PAUL DEREN

Hospital Chair

During the last few months, we have started to see an increase in the number of Saskatchewan patients visiting one of our hospitals. Since the end of February there have been 5 patients who have made a trip to Shriners Hospitals for Children, Canada in Montreal, and 2 patients who have been to the hospital in Philadelphia, with 1 of those patients making 2 separate trips. We have been using both Air Canada, using Aeroplan miles whenever possible, and West Jet. So far this year we have been able to use 8 West Jet vouchers. As well, we were able to pay for one patient and parent to travel to Philadelphia by using funds that were being held in a West Jet Travel Bank after some cancellations in 2020.

When sending patients to one of the US hospitals, it has become very difficult to use either West Jet vouchers or Air Canada's Aeroplan miles because the connecting flights in the States are not WJ or AC. Some of these flights have become very expensive.

I sat in on a Hospital (Montreal) Conference Call on June 9. Everything is still going well at the hospital. They have had no Covid cases, and the majority of the staff is now fully vaccinated. The number of patients visiting the hospital, as well as scheduled surgeries, is back to pre-Covid numbers.

There were a few other highlights to share from that call:

- ◆ There is work being done to set up more outreach clinics. As well, there continues to be more tele-health appointments, not only with doctors but also with dietitians, physiotherapists, etc.
- ◆ The 10th Anniversary of the Golf Tournament is being planned for August 2, 2021.
- ◆ The summer fundraising campaign "Every Step of the Way" is underway.
- ◆ Keep in mind that there will be stories needed for a centennial celebration for Shriners Children's Hospital network in 2022, and for the centennial celebration of the Canadian hospital in 2025.

As Hospital Chairman, I often receive words of thanks and appreciation from parents for our financial support, and for the care that their children are receiving at one of our Shriners Hospitals. Often these conversations are over the phone but I'd like to wrap up my report with an email that I recently received from a dad of one of our patients.

"Good afternoon, I wanted to send a sincere note of thanks to the Shriners of Saskatchewan. We have been incredibly blessed by the organization on, not one but two trips to the Montreal Children's Hospital for our 11 year old daughter, ----- over the past couple years. As we continue to traverse this challenging landscape of looking for correct diag-

nosis, treatment and eventual recovery for her, knowing that we have the support of the Shriners has greatly lessened the burden on us as parents and for that we are truly grateful."

Your fundraising efforts, and the care and compassion that you show for our patients, is greatly appreciated! Keep up the good work!

Respectfully submitted by

SHRINE LADIES PROJECT

In the summer of 2020 Emmanuel from the Montreal Shriners Hospitals for Children, sent out a request for Shrine Ladies to make Hospital Protection Gowns, as well as lap quilts. On behalf of the Auxilliary, we purchased enough supplies to make 23 Adult Protection Gowns.

As special thank you to the following Ladies: Darlene Clark, Margo Cairns and her friend, Rosemary Barley and her friend, Kathy Haack, Loreen Yanko, Noble Troy Kutsak and myself. These ladies helped with making patterns, cutting material, sewing the gowns and packaging them up to be sent to Montreal. Noble Troy was kind enough to deliver the kits to be made up to Darlene in Fort Qu'Appelle and return them to Regina. The boxes have been delivered to Saskatoon to be shipped.

Along with the hospital protection gowns, Loreen Yanko made up 10 Quilts 48 inches X 60 inches, as a donation, and her friend donated one quilt. The quilts were made up of fun designs that will delight many of our patients. I would like to thank the WA WA Shrine Ladies Auxilliary for purchasing the material and supplies to make the project successful.

WA WA SHRINERS CLUB REPORTS

MOOSE JAW SHRINE CLUB

Moose Jaw Shrine Club has had an exciting start to our spring & the upcoming summer is shaping up to be a tremendous one for our club! Our 1st annual MOMentum Mother's Day Cruise was a huge success with over 100 cars taking part. This special event was created to honour the mothers, and ladies in our lives. Our cruise was led by the Mellow Yellow Prowler with our club Secretary, Heather, behind the wheel.

Noble Aaron Ruston also presented each seniors home that we cruised by with a special gift basket that was donated

This event brought many smiles to so many faces with one of the local residents saying they felt they were going to be alone on Mother's Day but the Shrine Club's cruise brightened their day with all of the beautiful cars involved.

Our club is gearing towards playing an even bigger part in our community to help bring everyone together during these difficult times we're all getting through. Sometimes all it takes is one small act of kindness to bring everyone together.

Our nobles also took part in Frank's amazing journey from Saskatoon to Regina. Noble Gary Vieser walked along with Frank as he reached Chamberlain.

Frank is an inspiration to us all and really shows what being a Shriner is all about.

Keep an eye on our Moose Jaw Shrine Club's Facebook page for more exciting events coming soon! We may have a few events up our sleeves so you'll have to stay tuned.

On behalf of the Moose Jaw Shrine Club, stay safe, be well and we hope to see you all very soon.

REGINA SHRINE CLUB

Drum Corps

Monday, June 7, we started practice for the parade of Frank's arrival at the Legislative Assembly on June 15. Happily the members remembered our songs & with a little practice we will be ready to perform.

The Drum Corps will present Frank with a sizeable donations at the ceremonies on June 15th.

It has been a long time since we were able to get together. We will be following all the COVID restrictions & look forward to possibility of doing a number of parades this summer.

It has been a tough year for fundraising as we had to cancel our two pasta nights & our main fundraiser our Lobster Night. Our monthly bingos had also been cancelled by the bingo hall. Hopefully things will open up soon so we can restart our fundraising efforts.

Saskatoon Shrine Club Drums and Bugles Unit held their first annual "Mothers Day Drive through Bouquet for Mom's" in the parking lot of the Saskatoon Masonic Temple. This event replaced their annual Mother's Day breakfast that was unable to proceed due to Covid 19 restrictions. Each Mom received a bouquet of carnations to celebrate. The Drums & Bugles, with help from the Clown Unit also delivered Flowers to our special ladies who could not attend the event. The flowers were well received and the membership was excited to be able to salute all the Moms and our Ladies.
