A MESSAGE FROM THE POTENTATE

ILL SIR BILL FITZSIMMONS

Ladies and Nobles,

"Nobody grows old by merely living a number of years. People grow old by deserting their ideals. You are as young as your faith, as old as your doubts; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair." Douglas MacArthur.

So we joined the Shrine by believing in public service; the ideal of helping yourself by helping the community, and those unfortunate children whose fate did not deal a fair hand. Our ideals are as old as time, as sickness and disease visit themselves on youth without regard to any reason we can discern. We accept that we

are not always able to determine the cause of deformity, of pain and of a shortened lifespan, but we accept as the saying goes; "there but for the Grace of God, go I." We acknowledge how lucky we are to be so fortunate as to have had good health, and that what little we do in the Shrine, seems such a small price to pay to make a small child's life a little bit better. The Shrine does not desert the children we have pledged to support, and every time a member attends a meeting, a message is sent to the rest of the club, and indirectly to the children we help, that we remain steadfast in our resolve to make our world a little bit better place.

I came across the above message when I was preparing my remarks for this edition of The Warblings. This message was written by Noble Richard Gibbons a few years ago when he was President of the Battlefords Shrine Club, and appeared in the monthly notice. I have received his permission to reprint it here. (Noble Gibbons is now the Recorder of the Battlefords Shrine Club).

This message conveys a few different thoughts to me. I am not sure whether to be sad or happy. The one thought I am sure of is that I am honoured to be a Shriner. I am honoured to know, and be in the company of likeminded Nobles. Most of all, I am honoured to belong to an organization that truly believes in making the lives of those who can't help themselves just a little bit better.

Commitment to Membership:

A few days ago I received a phone call from my old buddy Noble Frank Atchison. He informed me that he will be ninety-five years old this year, and will be eligible to receive his fifty year pin. Noble Frank has been on membership (formally and informally) for many years. In fact, he was responsible for me joining the Shrine some thirty-eight years ago.

Noble Frank also told me that in order to celebrate this momentous occasion, he is going to have one more fundraiser. It is his intention to WALK from Saskatoon to Regina in order to raise money for the Shrine. Not all in one day of course.

Nobles and Ladies this is an outstanding opportunity for exposure to the Shrine, and of course to fund-raise for our Noble cause. I am reaching out to our Clubs to help Frank with his walk in any way they can. Hopefully it will be in the form of club units walking a few kilos with Frank and collecting pledges. I am open to any ideas you may have for this provincial fundraiser.

Please send your ideas into the office or to me at potentate@wawashriners.org.

Noble Frank is in training now, looking to do his walk in April sometime. I started training on the weekend.

More information to come, stay tuned.

P.S. Any clubs having Zoom Meetings please send an invitation to our Recorder so that some or all members of the Divan (including me, may attend).

Yours in the faith,

ILL Sir Bill Fitzsimmons
Potentate

MIDWEST SHRINE ASSOCIATION (MSA) 2025

ILL SIR BOB KEEP P.P.

IMMEDIATE PAST POTENTATES MESSAGE

As our term in office drew to a close on January 16, 2021, Lady Lizz and I want to thank the Nobility and Ladies once again for the distinct privilege and honour of serving WA WA Shriners as your Potentate during 2020 and the unprecedented and most unusual year. It has been rewarding to serve all of you over the last seven years as your Membership Chair, Divan member, and Potentate. No doubt 2020 was a very tough year for all of us. We missed our friends, families, and all the activities that we are all so familiar with.

It is now my distinct honour that I have been elevated to a position of leadership to serve the Midwest Shrine Association (MSA) on behalf of WA WA Shriners. I have been elected to the position of 4th Vice President of the MSA and ultimately look forward to serving as President of MSA in 2025 when the Winter and Summer sessions are once again held in Regina.

Due to the Covid pandemic, we had to cancel the summer session which was scheduled for August 2020 in Regina. Working with the MSA, we were able to secure a much sooner date than 2035, which would have been our next turn to host. I hope that over the next few years, with my passion for the Shrine, my enthusiasm, and the Nobles with whom I am honoured to work with every day, that we will be able to host the most memorable MSA convention ever!!!!

If you are interested in the challenge of the Director General's position, please contact me as soon as possible. If you, or your Lady, are interested in any of the committees, please let me know asap. There are many opportunities available and together we can create a great event for our Shrine and Masonic families to enjoy.

We are now looking forward to the new year and hope you are too. It will take all of us as a team to get back into the groove again.

Once again I extend my sincere thanks for this great honour and trust that you the Nobility have placed in me. It is indeed a great honour to serve as your MSA Officer.

Warmest Regards,
ILL Sir Robert (Bob) Keep, P.P.

5-50 WANTS YOU!

HOSPITAL REPORT

NOBLE PAUL DEREN

WA WA SHRINE HOSPITAL REPORT – FEBRUARY, 2021

Visits to the Shriners Hospital for Children, Canada remain low. We had one patient come home in January after a surgery and rehab, and there will be one patient going to Montreal in February for surgery. There have been no patients travelling to any of the US hospitals.

We will continue to be able to use Air Canada's Aeroplan miles on some flights, and will also have some West Jet vouchers to use in 2021, although I haven't been given exact numbers yet.

I anticipate that the number of patients travelling to the hospital will remain low for the next while.

MESSAGE FROM THE RECORDER

NOBLE LARRY COUSE

Illustrious Sirs, Nobles and Ladies,

As I write this, the bingo cards are being delivered to locations around the province. We have targeted the larger centres to get this off the ground. Once it is up and running, we will have a better idea of the demand. Then we can look at getting into the smaller centres. I encourage you, your families and friends to go to WAWABINGO.CA to see the list of vendors near you. This will help the Vendor in getting traffic into their store and will help WA WA Shriners in getting established.

WA WA Technology, Web and Social Media Unit/Team

We would like to establish a new unit or team of Nobles to assist WA WA Shriners and clubs with the ongoing management of our web presence (web page, Facebook and Instagram), assist with video conferencing (ZOOM) and other technology. What we are looking for is Nobles who can help with one or more of the following:

1. Web design to update our webpage.
2. Website managers.
3. Facebook and Instagram administrators and content managers.
4. Knowledge of Facebook, Instagram and Google advertising.
5. Create content (video, audio, and photographs).
6. ZOOM conference administrator.
7. Audio visual equipment design, procurement, installation, and technical support.

Nobles can be located anywhere in the province as much of the work can be done remotely including collaborating by ZOOM or e-mail if required. In fact, a team spread out across the province will provide better support than having everyone collocated.

Please keep your significant other and children or grandchildren in mind. Many Temples and Nobles have had great success involving their skilled family members in the technology teams.

Nobles, this is important and an improved social media presence will play a big part in the future success of WA WA Shriners. If you would like to help or would like more information, please contact your Assistant Rabban, Noble Malcolm Gutfriend (assistantrabban@wawashriners.org).

Sincerely,

Larry Couse, Recorder

Speers is the name on our sign.

But it could just as easily be Ron or Doug.

What families value most about Speers can't be taught. It's the understanding face, the attention paid to details and the caring voice who calls weeks later just to check in.

Yes, Speers is the name on our sign.
 But it's people like Ron and Doug you remember.

PRINCE ALBERT SHRINE CLUB

The Prince Albert Shrine Club continues to hold their meetings and remain strong. We are no longer holding our bi-weekly coffees in the Shrine Room. This is by mutual action, respecting the additional restrictions reintroduced to combat the spread of covid-19.

We hold our meetings over Zoom, as it is the most advantageous way to conduct them. It also allows members who have moved further away, a chance to partake, say hello and see how friends are doing. At our meetings on Zoom, one member goes to the clubhouse and sets up his computer to go on zoom. We also set up so that those present can see the other attendees on our large screen TV. We do this to let members who are less 'tech-savvy' have a voice at the meetings and say hello to other members. We do follow the covid-19 protocols set forth by our Masonic Temple Corp, and the provincial restrictions, social distancing and mask wearing etc. We do our sanitizing afterwards.

We do not expect any real changes to our situation with Covid until at least June of this year. We are

looking forward to maybe taking part in some of our list of parades through the summer months-if restrictions allow them. It will be lovely to see some of the people in person again and be out and about in the various communities.

We are looking forward to doing some fundraising this year, depending on any restrictions that are in place. We are also looking forward to more active participation in our community as well.

Take care and everyone stay safe!
