A MESSAGE FROM THE POTENTATE

ILL SIR BILL FITZSIMMONS

“Two sounds of autumn are unmistakable... the hurrying rustle of crisp leaves blown along the street by a gusty wind, and the gabble of a flock of migrating geese.”

~Hal Borland

Greetings Ladies, ILL Sirs, and Nobles:

Fall will soon be upon us, and that will signal the last portion of this year for the Potentate and the Divan.

In spite of being handcuffed by Covid, we have been able to hold two virtual ceremonials and our monthly Divan meetings by zoom,

and finally after 16 months, a face to face Divan meeting. As a result of those virtual meetings, we have been able to bring in new Shriners except for the secret work. This situation will be rectified when we hold a Ceremonial on October 29th and 30th in Saskatoon, hosted by the Saskatoon Shrine Club. I invite all of our Shrine Clubs who have new applications for membership to bring their candidates to Saskatoon and have them become members in a large class.

Again in spite of Covid, Lady Idella and I have had opportunity to attend parades. We were present in Moose Jaw on July 29th for a mini-parade. This parade, although small, had a very unique purpose. The Moose Jaw Shrine Club video-taped the parade so it could be shown to future prospective candidates as an example of some of the things Shriners do.

We also were present at the Swift Current Shrine Club for a delicious Rib Fest, under the auspicious of the “World Renowned Chef”, Noble Herb Butz.

On July 31st, Lady Idella and I travelled to Fort Qu’Appelle for a Shrine Parade. The turn-out from the town was spectacular. Along with participation from Regina units, this parade was notable for me because I was standing in the staging area one minute, and before I knew it, I was hoisted up on the trailer of the Indian Head Steel Band under the leadership of Noble and President Don Ford. I was given maracas and told to play. This was an adventure for me, because I had never played a musical instrument before in my life. Anyway, with a little help and encouragement from the rest of the band, I had become a member of the percussion section of the Indian Head Steel Band (and I had a great time playing in the band). Thanks for the memory.

I would also like to relate one more night. This time it was in Indian Head at the Shrine Mason Dinner under the direction and leadership of Noble Don Ford, President of the Indian Head Shrine Club. This dinner was remarkable because it included the Grand Master and his line. It also included the Potentate and five divan members. In addition to having a full house, this evening was special because it included not only the dinner, but the presentation of two 35 year pins of service to Shriners by myself to Nobles Chester

McBain and Gregory Stewart. A great time was had by all, and just to finish the evening with a bang (cloud of thunder), we were treated to a spectacular lightning show on the drive back to Regina.

Nobles, we have four months left in this year. I would encourage you to get back into action after a long Covid drought. Hold a dinner, honour one of your long-term members, but get together. Please send an invitation to Lady Idella and me to attend with you.

Yours in the faith,

ILL Sir Bill Fitzsimmons

Helping Our Patients Overcome
Challenges and Reach for
Their Dreams

First Lady Debby Bailey's **Transforming Lives** fundraising program shines a light on the amazing contributions Shriners Hospitals for Children® brings to the field of scoliosis care and supports these efforts. Scoliosis is an extremely common condition that, if left untreated, can have debilitating impacts on a child's life.

First Lady Debby is dedicated to helping Shriners Hospitals for Children give patients every possible advantage and opportunity to achieve their goals. The family-centered, innovative and compassionate care we provide helps children transform their lives and achieve their highest potential.

CUSTOMIZED TREATMENTS

Scoliosis is a disorder that results in a curved spine. The condition causes the spine to take on a curved appearance, sometimes similar to an "S" or "C" shape. No two cases are alike. Some children develop the condition during infancy, while others don't exhibit symptoms until they're approaching adolescence. Every patient is unique, and Shriners Hospitals for Children's medical teams create custom treatment plans for each child based on the severity of their condition.

Casting and bracing: Serial casting is often an effective option to slow progression of a spinal curve. A plaster cast gently and precisely helps straighten the spine. Children typically wear a cast for two to three months, then transition to a new one. Bracing is one of the least invasive treatment options for scoliosis. At Shriners Hospitals for Children, every scoliosis brace is customized to the individual patient to best address the severity and location of their spinal curve.

Spinal fusion: Not every child will need surgical intervention. When surgery is the best option, our renowned orthopedic specialists have a wealth of experience. In fusion surgery, screws and rods are used to correct the curve, then bone grafts fuse the spine to hold the correction in place.

Vertebral body tethering (VBT): This treatment is an alternative to fusion surgery for certain patients. It was developed by our medical team at the Shriners Hospital in Philadelphia, Pennsylvania. This technology helps correct the scoliosis while allowing a more natural motion, unlike fusion surgeries.

INNOVATIVE TECHNOLOGY

Many of our patients, including those with scoliosis, need numerous X-rays taken throughout their treatment. That's why we try to limit exposure to radiation as much as possible. Our EOS imaging system emits much less radiation than standard X-rays or CT scans. EOS systems produce high-quality 2D or 3D images that deliver very precise measurements, helping our medical teams to craft in-depth analysis and personalized treatment plans.

TRANSFORMING LIVES

First Lady Debby invites you to join her in supporting Shriners Hospitals for Children's efforts to provide innovative, customized care for our patients with scoliosis. Donors who would like to support the **Transforming Lives** program may purchase a beautiful locket that has the word "LOVE" spelled in Braille inside, a nod to Lady Debby's career teaching children with vision impairments. Donors may also purchase a bracelet bead, necktie, socks or holiday ornament, or make donations online. Thank you for your compassion, generosity and support of Shriners Hospitals for Children.

MESSAGE FROM THE RECORDER

NOBLE LARRY COUSE

Illustrious Sirs, Nobles and Ladies,

Well, it looks like Parade season is almost over. It has been great to see the number of Shriners who have turned out to parades around the province. As Shriners we have to get out and let people know that we are still around. The Cash Calendar for 2022 will be out soon and Karen and I are calling it “a blast from the past”.

Our Chief Rabban, Noble Darroch Cairns was in Montreal last week. Here is a picture of him presenting a cheque for \$10,000 to the Shriners Hospitals for Children - Canada.

Photo above (L-R): Gabriela Baillargeon, SHFC Donor Development Officer - Major Gifts, receiving a \$10,000 donation from WA WA Shriners from Noble Darroch Cairns with Lady Andrea and their two daughters, Haylee and Sarah.

Congratulations Don, you deserve it!

MEMBERSHIP REPORT

ILL SIR BOB KEEP P.P.

I am honoured to serve as your membership chairman this year. There have been great strides over the past few years in membership development, and I want to thank Imperial Potentate Ill Sir Bill Bailey and his team for laying such a strong foundation on which to build.

YOU are each an active participant in our membership program! Every

one of our Nobles is called to refer one of their Masonic friends to BeAShrinerNow.com, where they will be able to complete an electronic "e-Petition" directly to the temple for processing.

The BeAShrinerNow.com website has been modernized, offering quality information about our fraternity, and serves as a great landing page for anyone who wishes to become a Shriner. Most importantly it is now mobile device friendly. Likewise, BeAFreemason.org was developed by the Scottish Rite, Northern Masonic Jurisdiction in partnership with the Southern Jurisdiction and Shriners International, as a centralized landing page for prospects interested in Freemasonry. These websites work collaboratively to bring awareness to our Craft. While non-Masons will still need to be initiated, passed and raised before they can submit an e-Petition to become a WA WA Shriner, these tools are available to you and should be included in discussions with your Masonic (and non-Masonic) friends and colleagues.

Membership is our #1 priority and is the responsibility of each of our Nobles. Thus far in 2021, we have a net loss of 21 members. Let's band together and provide a positive experience and a warm welcome to any new prospect we receive and do what we can to refer non-Shriners to our sites so that they can share in our fraternity!

It is important to remember that a temple's very existence greatly depends on a strong, ongoing membership program. It should be the #1 priority of the Potentate, Divan, Membership Committee and the responsibility of EVERY member to assist with membership development. It is important to identify and recruit new members into the Masonic fraternity. The Potentate has appointed members of the Divan to serve as Membership Chairman, Recruitment Chairman, Masonic Relations Chairman, Retention/Mentoring Chairman and Restoration Chairman. If every Noble works enthusiastically at Creations, Retention and Rein-

statements, our temple will succeed in its Membership Endeavors. Membership is something that must be addressed at every opportunity. No matter where you travel or to whom you speak, you must always remember to ***“THINK MEMBERSHIP”***.

INVOLVING UNITS AND CLUBS IN MEMBERSHIP

It is very important to have a membership chairman in each club and unit. This person must be willing to work hard for membership and not be someone who just carries the title of unit/club membership chairman. It should be stressed at unit/club meetings that the President of each club and unit will call upon the unit/club membership chairman for a report at each unit/club monthly.

Finding New Shriners

WA WA Shriners must recognize the need for a continuous aggressive effort to attract and enlist men of outstanding character as members. We all know good men who would make great Shriners. WA WA Nobles must realize that we have to reach out to our family and friends and encourage them to become Masons and Shriners. Every member and their family needs to be involved in prospecting activities.

We need to continue soliciting Lodges for MM candidates continuously. The Covid pandemic has certainly put a damper on recruiting, however, we have over 20 new Nobles join WA WA in 2020/21 despite the unprecedented challenges of living through the pandemic. There continue to be many great Masons that are still out there and can be sought out to join our philanthropy and ready themselves for the future exciting times ahead. We have a chance to sign up new candidates before our Ceremonial in October. This can be done at this and next month's lodge meetings. There are currently 6 petitions for our Fall ceremonial and I am confident that with a little effort on each of our parts, we can get more.

CEREMONIAL: We will be having a **Full Fall ceremonial on October 29th & 30 at the Saskatoon Shrine Club** commencing on Friday, Oct 29th at 5:00 P.M. Further details will be outlined in The Warblings. Let's all do our part to make this a ceremonial to remember as we start to come out of the pandemic.

I would like to pay a special tribute to one of the most prolific Memberships "first-line signers" and a Noble that has brought in more Masons single-handedly to our philanthropy than any other I can think of anywhere. He is 95 years young and we need all Nobles to take his place as first-line signers. That person is Noble Frank Atchison and here is his story.

NOBLE FRANK ATCHISON INSPIRES ACTION

A true Shriner at heart, Frank Atchison inspires action.

There are four core values that each member of the Shriners Fraternity strives to live by and embody every day and step of the way. These values are brotherhood, family, leadership and giving back. Over 60 days, from April 15th to June 15th, 2021, the world was able to witness, the kindness, generosity, and spirit of a true Shriner.

Frank Atchison, 94 years young, decided that he would celebrate his 95th birthday by walking the 260 kilometres from Regina to Saskatoon to raise funds for Shriners Hospitals for Children – Canada and the local Jim Pattison Children's Hospital Foundation. With the support of the WA WA Shriners of Saskatchewan, Shriners International, both hospitals and a dedicated Organizing Committee Frank set out for his walk. Every day, he walked 2-7 kilometres.

Brotherhood: Shriners are members of a brotherhood of men committed to family, engaged in ongoing personal growth, and dedicated to providing care for children and families in need.

Family: Many activities involve family, promote shared values and help develop next-generation leaders. Groups for women and children, emphasizing personal growth, fun and friendship, participate with Shriners.

Leadership: Shriners are leaders in their personal lives. This unique brotherhood helps good men become better — at home, at work and in business.

Giving Back: Shriners Hospitals for Children was founded in 1922 to provide excellent specialized medical care for children, regardless of the families' ability to pay for services. Shriners' philanthropic efforts help support the international health care system's locations and pediatric medical care.

Frank's Story "I was born in Filmore, Saskatchewan in 1926, My dad was a farmer there, and it was the Depression and he had lost a couple of farms and so forth. So we moved". And moved they did, before they ultimately landed in Regina. "I never saw good times on the farm and so I started working at a little clothing shop called Mack and Mack," he recalled. When he was 18, he joined the army. With the Second World War well underway,

Frank left his new bride at home. Upon returning to his family, and with a little one on the way soon after, Frank realized the little shop wasn't going to provide enough money for a growing family. Frank got a job working for CN Rail, running freight and passengers between Saskatoon and Regina, passing through Davidson many, many times. A lady from Bladworth came out of the ditch to say hello to Frank. She used to put the flag out to have the train stop and take her to Davidson for school every day. Frank ran with that job until the rail line ceased passenger transport in 1984. He retired from CN after completion of the sec-

son Don, a former mayor of Saskatoon. “She said, ‘pardon me? You don’t have to walk, we’ll drive you.’ You don’t understand, I’m going to have my 95th birthday. That’s where I was born”, Frank said. “I’m going to walk there for the children’s hospitals.” Don said his father is “of sound mind and he’s in great shape. That’s what he wanted to do so we said ‘Okay, let’s get started then.’ Frank prepared for this walk by pacing within the corridors of the condo complex where he and his wife live in Saskatoon. A Moose Jaw Shriner donated a motor home, but the support vehicle hadn’t seen any use at night. Frank wanted to return home to his wife, who’s not able to join him on his walk. The walk went well for the most part. “The biggest hurdle was doing the Blackstrap Hill; he was worried about going down and up but he made it okay,” Then Frank was really worried about the one at Lumsden.” With a planned 10,000 steps a day, or three days’ travel between towns along Highway 11, the 61-day trek included days for rain and rest as they arise. On June 15th Frank made it and completed his ambitious goal.

Ill Sir Robert (Bob) Keep P.P.

ond-to-last passenger run between the cities. But riding the rails wasn’t all that kept Frank occupied. “I always wanted to be in the store business, so did them both for 13 years and retired when they took the passenger cars off. I worked in the store until 2016, when we sold it off and then I retired,” Frank said. “When you’re used to working 12 hours a day, time kind of drags, so I got active in the Shrine,” he said. “And I often thought of this as a good fundraiser. So, the opportunity came when Jim Pattison built us that beautiful hospital in Saskatoon, and anything to do with the children is a good cause, so I dreamt this thing up of walking to Regina to raise funds for the children’s hospitals.” “He was in the backseat with my wife, Mardele, and he told her he was going to walk to Regina,” recalled Frank’s

**Match your card to the numbers above, which were all the numbers drawn during the last game.
Below, watch the video of the game and play along.**

- The Jackpot starts at \$1000 in 50 numbers or less and grows by one number and a minimum of \$100 per week until won.
- All individual consolation full card prizes will be carried over to next week's game if not claimed.
- Prizes and winners list are updated by noon on the Tuesday following the Saturday bonanza game.
- If you have a winning card fill out the claim form below or [see full rules](#) for claiming your prize.
- If a full card game has more than one winner, the prize is split equally.
- Minimum win is \$25.

If you checked your numbers on the bingo board above and have a full card, our bingo software will tell us which game you won even if you're not sure.

Potential prize payouts for the **August 28th, 2021**, game are shown below.

- The number of possible winners will be updated by Saturday 5:00 PM after completion of the live bingo.
- The WA WA Shriners Bonanza Bingo is a full card game with five full cards available to be won including a weekly growing Jackpot.

Numbers will be called until there are five potential full card winners among the bingo cards that are in play for that week. You have a bingo when all 24 numbers on your card are covered.

The draw of the numbers is live-streamed every Saturday at 4:00 PM from Access Communications in Regina on www.wawashrinersbingo.ca. Bought a card and did not play the Saturday 4:00 PM live streamed bingo game? A recap/replay of the numbers drawn is available for viewing on the [home page](#) so you can play at your convenience until the following Monday at 9 PM.

EVENT COORDINATOR REPORT

August Update:

Well another month of summer has now passed us by. We are still getting the odd cancellation, but bookings for 2022 are starting to come. We have been fortunate to have some Government Agencies looking at booking our facility during the week, daytime hours. This has helped immensely on rental revenue.

I have started renting the various rooms in the building on an hourly basis. This brings in more rentals for baby showers, birthdays, celebration of life, etc. The hourly rate is also generating afternoon reception inquiries, mostly for Sundays.

Since the last issue, we have had 2 weddings, a celebration of life, and nearing the end of a 12-week rental. This will possibly lead to another 12 week rental for September.

I have hired 2 new Bartenders and 2 Security for the upcoming events. Life in the rental business is picking up for sure.

I have been pre-booking for Unit events to give them priority. If you know of anyone who wants an afternoon rental, please ask them to give me a call at 306-541-9292.

Thank You

HOSPITAL REPORT

NOBLE PAUL DEREN

We are continuing to see increasing numbers of patients visiting our hospitals. In the last month, we have arranged flights for 5 different patients. We were able to use 8 West Jet vouchers which provided round trip tickets for 2 patients and 2 parents. We also used Air Canada's Aeroplan miles to book flights for 2 more patients and their parents. This left us with only 1 patient/parent return flight for which we had to pay full price. We are very fortunate to have the financial assistance from these 2 airlines.

The Shriners Hospitals for Children, Canada golf tournament (10th anniversary) was held in Montreal on August 2. It is always an excellent fundraiser that brings out many kind and caring people to support our patients.

The lemonade stand run by Kaleb Wolf De Melo Torres of Montreal and WA WA patient Carter Brown. managed to raise more than \$10,000. Good salesmen!

SHRINERS HOSPITALS FOR CHILDREN

Dre Daphné Laurin-Landry, psychologist in the sports medical clinic of Dr. Thierry Pauyo, accompanies the 19 Canadian athletes / swimmers to the 2021 Tokyo Paralympic Games. Holder of a doctorate in research and intervention in psychology from the University of Quebec in Montreal (UQÀM, Canada) and a doctorate in Sciences et Techniques des Activités Physiques et Sportives from the University of Clermont Auvergne (UCA, La France), she is, since April 2021, lead performance psychologist for Team Canada with Swimming Canada. Athletes but also coaches and support staff (e.g. doctors, physiologists, and massage therapists) have benefited from her expertise at preparatory training camp in Vancouver and today in Tokyo. Our athletes have been competing in their specific sport-class: physical handicap (S1-S10), visual handicap (S11-S13), or intellectual handicap (S14) (the numbers in parentheses indicate the level of impact the impairment has on the swim style). Daphné provides on-the-spot support for swimmers, coaches and employees based on the psychological and emotional weight in addition to scheduled pre- and post-competition mental preparation sessions. The Canadian swim team reached the podium for the fifth time in six days at the Paralympic Games thanks to Danielle Dorris' silver medal in the women's S7 100m backstroke; swimming medals now stand at five, with one of gold, two of silver and two of bronze. Stay tuned for more...

WA WA SHRINER CLUB REPORTS

INDIAN HEAD SHRINE CLUB

2021 continued with monthly Zoom meetings and we are in hopes that the club will gather together in person this September.

Our Annual Rose Day went beyond our expectations and after having to cancel the project in 2020, we were so very pleased by the support we received from the community.

The WA WA Steel Band has been able to perform in 5 parades. The "Where's Frank" gathering in Regina in June, Moosomin, Moose Jaw, Fort Qu'Appelle and Indian Head being the last. A former Double Tenor player, Noble Art Hunter, joined us in Regina. We were so pleased to be able to reunite with him. He then hung up his sticks and donated his Double Tenor pans to the Steel Band. Noble Don Ford, has taken up the gauntlet to master them. Ford has affectionately named the two pans Art and Elaine.

Noble Barry Donaldson left us for smoky B.C. in early July and we were very fortunate to have Noble

Dean Elliot decide to join the band and take over the Cellos. He caught on quickly so we now have a full Steel Drum Band. President Ford has already scheduled practices for the remainder of 2021 and all of 2022.

Said Ford, "if you're a Shriner in Southern Sask. but haven't chosen a unit yet, consider the Indian Head Steel Band. We have so much fun, you don't need to know how to read music and you get the enjoyment and camaraderie of numerous parades each year with a great bunch of Nobles."

Respectfully submitted,

Noble Don Ford
President – Indian Head Shrine Club

WA WA SHRINERS CLUB REPORTS

MOOSE JAW SHRINE CLUB

Exciting times for the Moose Jaw Shrine Club this time of year! We've attended many car shows with our Mellow Yellow Prowler and tickets are selling fast!

Our club also put together a parade around our local mall parking lot and had a great turnout with many units attending.

Our annual children's festival went virtual again with many in attendance and also an exciting part of that was the giveaway of prizes such as this bike donated by Jay Stevenson from Stevenson and Son Flooring.

Noble Pier-Luc Doyon

WA WA SHRINERS CLUB REPORTS

MOOSOMIN SHRINE CLUB

We are glad to be getting back into more activities as health restrictions have eased.

We recorded another fantastic Rose Day project under the leadership of Noble Ray Norgan and Lady Margaret Fuchs. Our sales this year were an incredible 650 bouquets! This annual project had to be cancelled in 2020 but this was a bounce back year and was well received by the public. Our Nobles and Ladies were busy marketing the roses, picking them up and transporting them to Moosomin, unloading, delivering where necessary, and working at the lodge where the majority were picked up by customers. A big thank you to all Nobles and Ladies who volunteered their time and efforts to this important fund raiser!

Our Go Cart Patrol Captain, Noble John Berns, is doing another fezztastic job as our contact man

and liaison with communities requesting our Unit's participation at their events. Noble John also organizes the maintenance of the carts, transportation, drivers, departure times and the other logistics required to make everything possible. So far this year our Unit has participated in the Moosomin Grad Parade, Kennedy Rodeo and Moosomin Parades, with Indian Head coming up on August 7th. He appreciates the assistance given by Nobles who help out with keeping the old carts running, parade attendance and transport. Moosomin Club is indebted to Noble John and his fellow Nobles and the Ladies who help.

The Moosomin Rodeo was a real success this year and the contribution by Shrine Units was very impressive! Four visiting Shrine Clubs, Indian Head, Southeast, Brandon and Regina Drum Corps joined our Go Carts for the parade which several spectators said was terrific! Following the

WA WA SHRINER CLUB REPORTS

parade we hosted our visitors at Moosomin Masonic Lodge for lunch, refreshments and socializing. Levi and his family were there to meet and greet all the Shriners. Levi suffered a serious accident and has attended the Shriners Hospital in Philadelphia with his parents. We keep Levi in our thoughts and prayers, hopeful that his future mobility and life may be improved. Our sincere appreciation to the Nobles and Ladies from visiting clubs for taking time to join us!

Moosomin Club also benefitted from the thoughtfulness and efforts of Noble Breydin South, a Regina Shriner who has been working in our area for a few months. Noble Breydin and his crew mates collected and donated 15 massive bags of recyclable beverage containers to Moosomin Shrine Club. Their generous donation provided nearly \$300 in revenue to our club! Much appreciated Noble Breydin and mates!

Though the Black Camel has visited us and left with some dear friends, we are encouraged by a significant number of young men who have joined our Blue Lodge and have expressed keen interest in also becoming Shriners!

It is the hope of all Nobles, and Ladies, of Moosomin Shrine Club that you enjoy a fun and safe balance of summer and the autumn season. Hopefully, what we have all endured this past year and a half will not be repeated.

REGINA SHRINE CLUB

Dino Unit

This year the Dino Unit made the big trip out to Eastend, Saskatchewan, for the annual Dino Days parade. Eastend is home to the T-Rex Centre, the sister museum of the Royal Saskatchewan Museum. The Dino Days parade is well known in the Eastend/Shanavon area and we had a perfect day weather wise for our outing.

Photo: Nobles Tyler Taylor and Dino Unit on tour at Eastend with Dr. Bamforth.

WA WA SHRINER CLUB REPORTS

The parade took place on Saturday, July 24th. Eastend, being a 4 hour jaunt from Regina required the Dino Unit to stage in Swift Current on Friday night. The fellas headed out after work and made record time to Speedy Creek in time for dinner on the patio at the Railroad North Social House. Libations were had as the stress from the daily grind melted away on a glorious summer evening.

After a sampling of the finest Swift Current has to offer we headed straight to bed at 8pm for our beauty rest and get a fresh start to the day. Just kidding. We stayed out way too late but one of our members was fortunate enough to take home a large prize from the local 'game of chance' establishment.

Bright eyed and bushy tailed we made the journey south west. The parade was made possible by support from our good friends at *Swift Shoe Repair & Leather Shoppe* and *Swift Plumbing and Heating*. Support and invitation from the Town of Eastend was very welcoming to our group and

helped us make the decision to go down and raise some awareness for our organization.

After the parade we were fortunate enough to arrange a private tour of a top secret dig site with Dr. Emily Bamforth, where they have discovered the bones of a new dinosaur! This was the experience of a lifetime and Dr. Bamforth's expert knowledge taught us a lot about what goes on when a dinosaur is discovered. We are very grateful to the *Royal Saskatchewan Museum* and Dr. Bamforth for taking us out on this special journey.

The cherry on top was our pit stop for dinner at the Saskatchewan famous *Harvest Eatery* in Shaunavon, Saskatchewan. Rusty and his team treated us like kings and may have even convinced us to visit Shaunavon next year for their annual parade and beer gardens concert series. *Harvest Eatery* is not to be missed if you are in the Shaunavon area. The farm to table style restaurant is one of the best.

Photo(s) above: Nobles Chris Weldon (black shirt); Steve Mills (grey t-shirt); Aaron Coons (black shirt beard); Sean Navin (black outfit with glasses).

WA WA SHRINER CLUB REPORTS

The Dino Unit also kept busy with birthday party appearances over the summer. The summer/fall is when the Dino Unit shines as most of our activities are out of doors, making this a COVID safe way to entertain the children on their big day.

Last, but not least, is the annual Dino Unit Booze and Cooler raffle. Based on the overwhelming support we received last year we have upped the ante and introduced a second prize. Please reach out to your favourite or second favourite Dino Unit member for tickets. Draw date is Sept 30th, right in time for the kick off of our annual NFL Football Pool! The Dino Unit is alive and well!

Drill Corps

Well, we are finally back in action after the covid scare. Being in isolation only goes so far. Our Drill Corps Nobles are now back in action riding our ATV's --- practicing some minor routines.

We took part in the "Where's Frank?" finale at the Saskatchewan Legislature honouring Noble Frank Atchison for his long walk and his 95th birthday. He has made a great contribution to Shrinedom over the past 50 or more years.

We also had the honour of parading at the Sherwood Forest Country Club on their annual Canada Day parade. They decked out their golf carts with flags and other decorations and proceeded around through the cottage and trailers. We finished off at Noble Ron Stankov's place for refreshments. Next, we travelled to Moose Jaw and had a short parade there. We followed up with a parade at Fort Qu'Appelle for their annual parade. It was a great success. The day was perfectly calm and warm, so the turnout was great. The next weekend we went to Indian Head for their annual parade. It also was a great success with the weather being perfect too. Unfortunately, the Regina Queen City Exhibition (QCX) was cancelled so we will finish off with a parade at Lumsden, weather permitting.

We hope that this fall we can all get together for happy hours. There's nothing better than getting together with your fellow Nobles and their Ladies. Social hour is always a part of our organization.

Unfortunately, we did lose two of our senior members to the deadly virus Covid, Noble Harvey and

Adele Gerhardt. Two great long time members who devoted a lot of their time to our cause. He was a one time Captain and also a former Chief of Staff. We will miss them.

We did manage to do one Hot Dog Sale this summer at the Co-operators on 9th Avenue N. We found that our customers were happy to see us again. We also have one more coming up on September 18th & 19th, I believe. Come and have lunch with us Shriners — the best dogs in town. We also have hamburgers!

We hope to have our annual **Christmas Cakes & Cookies in the first part of October**. So get your order in to us as we anticipate an early sell-out. We will again be set up at the Centennial Mall on Saturdays as long as cakes last. Last year we were sold out by the end of November.

We hope to have our Christmas Dinner start up again this December, but so far it is still up in the air.

It's been nice to write about something when you get active again. With Covid shutting us down, inactivity becomes a drag. You might say that we have been waiting in the wings to bust out. More to come next issue.

Drum Corps

We have resumed practice on Monday nights shaking the dust off our drums and refining our musical skills. We have completed parades in Moosomin and Moose Jaw and look forward to the Duck Derby parade in Lumsden. The Regina parade has been cancelled as some places are still not comfortable with having crowds. Although we were not able to participate in the Fort Qu'Appelle parade, we did have a bbq at the Donbrook's cottage on Echo Lake. Everyone is really excited to be able to get together again and hopefully start our fund raising projects.

SOUTHEAST SHRINE CLUB

The members of the Southeast Shrine Club have enjoyed getting back to riding in parades this summer. The first local parade was on July 1st in Bien-fait.

Pictured are Nobles Reed Gibson, Tim Sedor and Paul Deren on quads and Nobles Troy LeBlanc, Keith Young and Ron Needham on the golf cart.

Even Fezzy made it to the parade. Helping Fezzy give hugs to June Sedor are Noble Reed Gibson and Noble Keith Young.

We had a very good turnout at the parade in Moosomin on July 17. Nobles Ken Young, Reed Gibson, Paul Deren, Ron Needham, Jeff Young, Tim Sedor, Manuel Ofalla, and Maurice Berry rode in the parade and afterwards, enjoyed a delicious lunch provided by the Moosomin Club. Thank you Moosomin Nobles and Ladies.

Nobles and ladies were happy to be able to participate in the Kennedy parade on July 24 and the Carlyle parade on August 21.

Pictured in the golf cart are Nobles Troy LeBlanc and Keith Young, and Ladies DeAnne Needham, Denise Young and Roxanne Young. On quads are Nobles Jeff Young, Ron Needham and Paul Deren. Ambulance driver is Noble Tim Sedor and semi driver is Noble Ken Young. Thanks to Ill. Sir Harry Martin for bringing the ambulance and semi to so many parades. The crowds think they're great!

WA WA SHRINER CLUB REPORTS

There was a request from the people organizing the Bow Valley Jamboree on August 7 (Oxbow area) to have the Southeast Shriners provide a hamburger/hot dog barbecue as well as taxi people around on the golf cart. Manning the barbecue were Noble Gene Davis and Lady Cathie, Noble Ken Young and Lady Denise, and Noble Reed Gibson and Lady Sylvia.

Nobles Jeff Young, Troy LeBlanc, and Tim Sedor offered rides to those who needed them to get from one place to another.

SWIFT CURRENT SHRINE CLUB

Well, it seems that with the easing of restrictions, the Club can now meet in person once again. It has been some time since we have been allowed to gather, but we are certainly taking advantage of it.

Our first get together celebrated the ever-popular Rib Night usually held in June at our finale supper before the onset of summer. We had an excellent turn out, and those in attendance enjoyed ribs prepared in the utmost secrecy by Noble Herb Butz. My apologies, as I was manning a BBQ and did not manage to snag photos, but we can't have that recipe getting out either!

Again, with gatherings permitted once more, we welcomed the onset of the CFL season with a BBQ for the Roughrider Season Opener. It is so nice to see our members returning to a semblance of normalcy and long overdue comradery.

The Harley Davidson Draw is in full swing with tickets available from all our members, numerous business locations in the Southwest, and soon,

WA WA SHRINER CLUB REPORTS

tradeshows and venues in the area. Noble President Francis Kyle initiated a method of acquiring tickets via e-transfer last year, which proved to be quite beneficial. This opportunity has been made available for this year's draw, as well. Email scshrineclub@gmail.com for a ticket or call 306-750-1028.

And finally, our other major get together is happening in August. This is the tantalizing Corn Feed. Fresh corn from Taber, AB is finally making its way into the city and our Ladies and Nobles cannot wait! This is a much-anticipated event that will certainly bring our members out for a big night of fun and feasting!

Now that we are back in operation, I hope to report more exciting events as we progress forward into the new 'normal'. Please continue to be safe and hopefully, we can all meet in person again soon!
