Happy 95th Birthday FRANK !

"Where's Frank?" friends can join his team to send Birthday Wishes by email. It's easy & free!

Send your name, family name or group name with your message and photo to:
wheresfrank95@gmail.com

We have purchased several varieties of Hallmark cards and a photo album to display individual messages from Frank's friends. The space for your message and photo is 3.5"W by 5.5"H. Each piece will use about 1/2 the space (see samples). If no photo is sent, your message will take the full space. It's your choice. Handwritten messages sent as PDF or JPEG are welcome and encouraged if that's your style.

To participate, act now and tell your friends.
We'll process all messages received by **June 10th**. Frank's birthday is June 15th. His celebration will be held in Regina under Covid-19 regulations (limited attendance). The album of cards will make more "virtual" space for well-wishers.

This special gift is open to all including walkers, sponsors or donors, community leaders, children, Shriners Saskatchewan and Internationally, beneficiaries of Where's Frank? and patients of Children's Hospitals everywhere. It'll be a treasure for Frank and his family.
