Lady Jean and I hope that everyone is having a wonderful Saskatchewan summer. Time is flying by and we're quickly coming to the end of Parade season. Thank you to all units and nobles who participated in pa-

rades throughout the Province. It is through such activities that Shriners are visible in the community.

Great Job, Chief Rabban Harry Martin & Wyn-El-Wa Shriners for organizing one of the largest gatherings of Shrine units from across the Province, to participate in Wynyard's Civic parade as well as the Canadian Legions 70<sup>th</sup> anniversary of the end of WWII.

Moose Jaw Shrine Club once again out-did themselves. Little Chicago Night was a tremendous success; I was fortunate to be one of their winners and recovered half the cost of my ticket.

Our circuses were a huge success this year, we don't have final numbers yet but things are looking good. Thank you, all Nobles and Ladies for your hard work in making the shows a success. Special thanks to Provincial Circus Chairman Stu Larson and his Crew.

Ceremonial in June welcomed 17 new Shriners and their Ladies. Most activities were held at the Shrine Centre. Saturday evening ended with Wings & Sings, and judging by the number of new Shriners who attended and stayed for the entire evening, it was a great success. Sunday morning brunch was extremely well attended by most new Shriners and their families.

The 141<sup>st</sup> Imperial Session was held in July, in Houston. Lady Jean and I, along with Chief Rabban Harry Martin & Lady Jean, Assistant Rabban Wayne Miner & Lady Irene attended as your elected representatives. Also joining us were III. Sir Randy Ball & Lady Audrey as well as Marshall Ken Shaw & Lady Lorette.

III. Sir Randy Ball received his Emeritus standing which was presented by Imperial Potentate Gerry

Gantt and Hospital Chairman Imperial Sir Doug Maxwell.

We were thrilled that Carter Brown was special guest of Imperial Sir Gerry Gantt and Imperial First Lady Lisa.

Following the Imperial Session Lady Jean & I, III. Sir Randy Ball & Lady Audrey & Marshall Ken Shaw & Lady Lorette joined the Imperial Potentate Sir Gerry Gant and Imperial First Lady Lisa on a Western Caribbean Cruise. There were 58 of us and we had an amazing time.

In July the City of Saskatoon hosted their last Air Show in conjunction with the 911 remember our Veterans travelling museum, which was sponsored by WA WA Shriners and hosted by Saskatoon Shrine Club. What visibility we must have received! Many thanks to III. Sir Don McDougall for all the planning to ensure a warm welcome, as the museum made a stop in Regina and travelled safely to Saskatoon. A huge thank you to Captain of the Guard Bob Keep, who worked tirelessly to make this event successful.

We are now looking forward to Midwest Summer Session in Fargo; Divan will be travelling by bus with the Drill Corps from Regina. Following MSA we will be travelling to Montreal to attend the Dedication Ceremony of our new Shriners Hospitals for Children - Canada located in Montreal, Quebec.

On a personal note: I would like to thank my family, my Shrine family and my friends who supported me during my recent health crisis. I am truly humbled by the giving of your time and generosity.

Fraternally

## RECORDER'S MESSAGE

It has been a great summer with good weather! I hope everyone has been enjoying it.

Lots has been happening with the WA WA Shrine. Wynyard Parade had an excellent turn out thanks to all the units and their families. Ceremonial was another successful event celebrating the addition of 17 new Nobles and 2 more for cold sands average age 43. Everyone enjoyed the Wings and Sings. Enjoyable weekend for all!

Golf tournament in Regina - everyone had a great time and the weather held off.

911 Canada Remembers our Heroes held in Saskatoon was another success with all the publicity and attendance being the highest on the tour. Great job Bob Keep!

Circus shows seem to run smoother this year. I had the chance to work in Saskatoon for all their shows and what a great bunch of guys. Hats off to all of you for making me feel welcome and working with me to improve operations.

Hall rentals have been amazing. We are booked solid right up to October. It has generated new revenue and awareness of the Shrine, our building and most of all interest of new Shriners.

The Regina Farmer's Market has been a disappointment with no commitment from our units except the Drill Corp so we have had to unfortunately cancel our booth on Saturdays. It was a great way to

make awareness about the Shrine and our Hospitals and all about kids. We dropped the eight ball.

We have new office staff and lots of new and improved changes in our office. Farewell Deb and thank you for your time; and welcome to Jody Hoffman who has joined us part-time. Karen Watkins has assumed the full time position.

We are in the process of redesigning our website to make it more informative and more modern.

The building has seen a lot of improvements. The Lower Hall repairs are on their way with repairs to the walls - thanks to the Nobles who are doing the work. New front doors have been installed. New speakers have been added in the Upper Hall. Roof repairs and maintenance have been done - thanks to Terry Yanko for his help.

Compared to last summer we have been very busy in the office with phones ringing, customers and Nobles coming in, events going on, and repairs to our building. Long gone are the days of closing the office early for the summer months.

MSA in Fargo just ended and had great turn out over 36 Nobles and their ladies attending. It was a great time for all and new relationships bonded.

Things are changing at WA WA Shrine and our future looks great. Thanks to all for their support and help over the summer and for help in growing the Shrine in Saskatchewan.

David Paul, Recorder

## SHRINE CIRCUS 2015

The Shriners Hospitals for Children - Canada will benefit from another successful fundraising event held in seven locations throughout the province of Saskatchewan.

The first show held under the big tent was in Swift Current on May 26th. North Battleford had a great turn out on June 4th and had many smiling faces. Weyburn had their first circus in 15+ years on June 9th and was a hit! Yorkton's was excellent with buses of kids from all over arriving for the June 11th show.

The larger market locations in Regina held on May 30 & 31 and Saskatoon on June 13 & 14 had great turnouts, smiling faces and plenty of media coverage.

This year we had the Return of the Zerbini Elephants, The World Famous Wallendas High Wire, Circus Clowns, Zerbini Liberty Horses, Mezmerizing Marcelo on Aerial Hoopsters, Guillermina and Company on the Spanish Web, Magnificent Cloud Swing Aerial Artistry - Cortes Family, and the Death Defying Motorcycle Globe of Fire.

I would like to thank all the Chairmen and Volunteers for all the hard work. Special thanks to my crew and their Divan for support. Special thanks to Ill. Sir Roy Gaebel and Noble Harry Martin for all their advice.

## REGINA SHRINE CLUB PROVINCIAL GOLF TOURNAMENT 2015

Despite all that was going on in early July, the Regina Shrine Club (RSC) held a very successful golf tournament at Flowing Springs Golf Course. Thirty-two Nobles and Ladies attended and the weather-man cooperated only scaring us once with a small shower.

Suggestions from the previous year were to try a one day, 18 hole best ball tournament and to keep the cost down. That was successfully accomplished. The cost was \$100.00 per person which included green fees, cart, steak supper and a beautiful T-shirt.

Golfers sent in their average 18 hole scores and our draw master Don Capewell put the teams together. All the teams were very evenly balanced. Friday evening went along very well with registrations and a \$5.00 meal (hamburgers, hot dogs, salad, ice cream etc.). Following the meal our investment seminar was held. We wish to thank Noble Bill Johnstone for conducting the seminar and giving us a few laughs, it was greatly appreciated. Besides this everyone had a good time socializing.

Well on to Saturday, now the real fun began with golfers of all skill levels. Tee off commenced at 10:00 am sharp with the last group teeing off by 11:00 am. Tee off was captured on camera by our photographer Noble Larry Couse, as well as other pictures of our golfers and some of their performances. Everyone was done by approximately 3:30 pm, and then it was back to the temple Oasis Room for more socializing, steak supper and the distribution of the prizes. The tourna-

ment ended at approximately 7:30 pm, with everyone having fun and looking forward to next year. Next year's location will be announced via email to all the nobility once the location is confirmed.

I wish to give a big thank you of appreciation to the following committee members:

Larry Couse	RSC President/photographer
Don Capewell	Registration/flights
Al Clarke	Sponsorship/prizes
Terry Yanko	Meals

So let's keep the clubs a-swinging, the balls a-flying and everyone having fun. See you next year.

## 911 Canada Remembers Our Heroes Tour

Photo Top Left: Noble Don McDougall ; Photo Right Front Row L-R: Mike Penner, Herb Penner – ( father and son firefighters from New York who toured the masses through the Museum), Bob Keep (911 Chairman), Honourable Minister Mark Docherty (welcomes 911 on behalf of the province) and His Worship Mayor Michael Fougere (welcomes 911 on behalf of the City of Regina)

On April 1<sup>st</sup> this year, the word was out to the Nobility of Saskatchewan that the CANADA REMEMBERS our HEROES Air Show and the 911 travelling road MUSEUM EVENT was about to unfold its agenda, thanks to the efforts and leap of faith by the Saskatoon Shrine Club!!

This year's air show included the 45th anniversary of the Snowbirds, a CF-18 Hornet team, the Canadian Armed Forces' Sky Hawks parachute team

and the first appearance of the travelling 9/11 Never Forget Mobile Exhibit outside the United States.

The weekend was about Canada Remembers our Heroes, and it was noted throughout the weekend that, Shriners silently go about their day to day business to help those in need similar to other heroes. They are unsung heroes, and the patients of the Shriners Hospitals for Children are also heroes because of what they must face daily.

We have raised the bar of the Shrine with all the positive and solid value of advertising received throughout the Province. All the positive profiling for our organization was in reality free, since the investment for the 9/11 Museum, by the Saskatoon Shrine Club, has been reimbursed.

There was a variety of promotional benefits, extensive province wide media coverage and community value that included, TV interviews, Radio and Printed material and 1 on1 interactions at all sites during the event.

**July 10<sup>th</sup> Morning** - Ill Sir. Don McDougall PP was the undisputed engineer and architect behind the events in Regina that started at 9:00 A.M. sharp at the legislature Bldg. The 911 Museum arrived ahead of schedule and the Media was setting up in front of the legislature along with police cars, fire trucks, EMS Vehicles and a host of Shriners. The press conference took place on the steps of the Legislature and we featured the Minister of Parks, Culture and Sport, Honourable Minister Mark Docherty, His Worship Michael Fougere Regina's mayor and Herb and Mike Penner, NYC Firefighters who all had a turn in making a very informative speech in front of the Media. I also represented the WA WA Shriner's.

**July 11<sup>th</sup> Noon** – After a fantastic Media Blitz in Regina, it was time to head onto Saskatoon. I had the privilege of driving with Mr. Herb Penner the elder Firefighter who had so many heart wrenching stories to talk about during the next 4 hours or so in

the car. I actually introduced him to Tim Hortons' for the first time and while intrigued by a Hockey player with so much history, he had one of the best cups of coffee he has ever tasted!!!! I had phoned ahead to the planners of the Saskatoon Media blitz to let them know we were ahead of schedule and the 911 truck will be pulling into Stoon town on time.

Once in Saskatoon, our track around the East side

of the City to avoid the congestion of downtown, made our arrival time approximately at 5:00 P.M. just in time to see the jets practicing for the week-ends festivities. We then travelled to our evening tail-gate party featuring an auction and much needed refreshments. There was a great presence of Shriners, their families and fun was had by all.

### July 12<sup>th</sup> SHOW Day!!!!

With the presence of many gracious volunteers bright and early to set up our Hospital tent, VIP lounge, Shrine and Mason signs throughout the race track, and all the promotional paraphernalia we had to display, the show started without incident precisely at 11:00 A.M. There were Nobles

and their Ladies who worked tirelessly towards the most successful Media event ever. The Units from around the province that did attend our event, boldly wore their colors, their Fez's and paraded to the crowd and media's delight. The units certainly did their job to promote the Shrine.

A special thank-you to all the Nobles and their families who attended to just be a Shriner, circulate round the race track, and tell our story when

asked, and proudly displaying their colors and Fez's.

The day was bright and the 911 Museum couldn't have been better equipped to meet the mass line-ups that continued nonstop to closing. It was certainly the highlight of the air show. I thank the Saskatoon Shrine Club for having the foresight in funding this mass museum on wheels to the Canada Remembers our Heroes final air show.

The parade started at 1:00 P.M. encompassing the Military, RCMP, Veterans, EMS, Honor guards, Shrine Nobles and Shriner units. We were able to

speak to the masses about our Philanthropy and our Hospitals. The air show was fabulous however due to the windy conditions, the Parachute team could not jump and perform their maneuvers. All the while the line-up for the 911 continued, our Nobles and Ladies were very busy in the Shriner Hospital for Children's tent dealing with the crowds of people.

Along with the units continuing the displaying of their cars, bikes and many other units, we had a

unique ride that was available to all the kids at the show. There was a motorized red wagon, a Radio Flyer that was donated by a Masonic Brother for our use. It seated 8 people and with the direction of Noble Hugh Pineault from Saskatoon, delighted many children and grownups with rides around the track.

### July 13<sup>th</sup> Finale!!!

After a lengthy and surreal opening day, just when you couldn't think things could be any better than the opening day, this parade day was opened with our own Drum Corp from Regina, under the leadership of Ill Sir Don McDougall PP marching out firstly to open the day's ceremonies. It was a thing of beauty to witness this unit and all their splendour perform their duties on the track. Then when you wouldn't think things could get any better, the

Equestrian team of horses from Moose Jaw, under the leadership of Bill Johnstone, made their way around the track to an enthusiastic crowd. What a display! It was a proud day to be a Shriner!!!

We were then able to witness the spectacular show the Parachute team displayed to open the day's festivities. Then the air show featuring an F18 Hornet flown in from Quebec, deafened the

crowd to say the least with a fabulous routine overhead that took the breath of many in attendance. The show was closed with the Snowbirds performing an extra lengthy program of aerobatics and aviation.

Again the 911 Museum was undoubtedly the highlight of the show attracting yet more relentless crowds and lineups. There was a rain delay and

Crowds rush to line up just as gates open at 11:00 A.M. Continued full line ups till closing at 6:00 P.M.

even when the downpour happened, the lineups for the museum did not waver. Adults and Children braved the rain to get a glimpse of the display. The Firefighters from NYC had never seen the likes of the lineups anywhere thus far in the

USA. They were delighted and spellbound to say the least to witness people standing in the rain to pay their respects to the tribute of 911. They were both presented with Shriners Hospitals for Children's hats to commemorate their duties at the show. They proudly wore them for the balance of the event. When the final plane flew back to the airport and the crowds dispersed through the gates, the clean-up and tear down took much time. Nobles that were remaining to the bitter end, then assisted with the pack up of the 911 Museum.

We had a number of Nobles on both days working so very hard in the heat, selling tickets on the 50/50 draw. The draw was a great success.

WA WA Shriners had great success in making awareness for their Shriners Hospital for Children at this event.

I would like to thank and commend the units and Nobles who attended our event from the: **Carrot River Valley Shrine Club, Parkland Shrine Club,**

**Swift Current Shrine Club, Battlefords Shrine Club, Regina Shrine Club, Moose Jaw Shrine Club, Weyburn & District Shrine Club, Wyn-El-Wa Shrine Club and the Saskatoon Shrine Club** for making the best showing ever at an event for WA WA Shriners. A true Provincial gathering!!! The Nobles and their Ladies that attended will remember this event for a lifetime!!!

I would personally like to express my heartfelt thank-you to Ill. Sir Don McDougall PP who gave much of his time in the past months to ensure the welcoming media blitz at the Legislature in Regina went without a hitch.

Finally, looking round at all the Shriners and Families that attended and gave so selflessly of their time and talents, simply to benefit our Hospital charity, made me realize the true purpose of the Shrine and our Philanthropy.

**2015 Ceremonial Ladies Luncheon** was held on June 27<sup>th</sup> at the Delta Hotel, Regina. With Lady Jean's signature sunflowers decorating the room, it was the perfect setting for getting acquainted with the new Candidates Ladies and catching up with old friends.

Led by Mistress of Ceremonies, Lady Synde Flaten, a moment of silence was observed in memory of Lady Elaine Gutfriend, Lady of Past Potentate Illustrious Sir Dick Gutfriend.

After greetings from Illustrious Sir Roy Gaebel, remarks were heard from Penny Pederson, Worthy Matron of Regina #7 Chapter of the Eastern Star and from Lady Muriel Heal, President of the WA WA Ladies Auxiliary.

Following lunch, the new Candidates' Ladies were presented with pins and Shrine Booklets by Lady

Jean Gaebel and Lady Irene Miner and were welcomed by all to the Family of the WA WA Shrine.

Special thanks to Lady Delphine Bachynski for creating the wonderful table gifts for each Lady in attendance, and to all the 2015 Ambassadors and Divan Ladies for their efforts in facilitating a most enjoyable event. Appreciation must be expressed to the very generous sponsors who donated the many door prizes: Russell Foods, Conexus Credit Union, Raymond James, Donna Kaminski, Lady Dawn Mills, and Lady Synde Flaten.

As Lady Jean said in her remarks: LETS HAVE FUN AND SHRINE KIDS HAVE A SUNNY FUTURE!

The Estevan and District Shrine Club celebrated its 50th Anniversary at the Moose Creek Golf Clubhouse on Saturday, August 8, 2015. Ill. Sir Roy Gaebel and Lady Jean joined local Shriners and their families, along with representatives from the area's Masonic Lodges and Eastern Star. Head table guests were piped in, after which everyone enjoyed a lovely steak barbecue meal. A brief history of the club was read by the club secretary, and many others took the opportunity to bring greetings, or to present some other interesting bits of information.

A few enjoyed a tour of the Moose Creek golf course in the club's newly purchased golf cart. The golf cart, as well as three new quads, have been used in parades this summer.

Moosomin Shrine Club has been very active again this summer! We chartered a bus to take our grade two students, teachers and chaperones to the Shrine Circus at Yorkton on June 11<sup>th</sup>. Noble John Berns was our chair for this annual project and everyone had a fun time. We thank our local sponsors for the financial assistance and Parkland Shriners who help us put smiles on the kids' faces!

Once again Noble Bill Thorn chaired the Rose Day project and it continues to grow bigger and better each year! The deliveries went smoother than ever, with many comments about the good quality of the bouquets. Our Shrine Ladies help us so much with this day which enjoys tremendous community support. A delicious barbeque ended a busy day for all involved.

Moosomin Club was well represented at Ceremonial and really enjoyed the fellowship and fun! Congratulations to our Potentate and

Divan for organizing this main event in our Wa Wa calendar, you did an amazing job!

Noble John Berns, Unit Captain, piloted our Go Cart Patrol to several parades and the season is not over yet. So far the Unit has attended Wawota, Canada Day at Elkhorn, Moosomin Rodeo, Manor, Maryfield's 100th Anniversary and Wasagaming, Riding Mountain National Park, with two more scheduled for Virden and Estevan will conclude another busy year. Our gratitude to the Nobles who assist John in keeping the carts running as well as the drivers who give time on their weekends to make our attendance at these events possible. The Go Carts are a hit wherever we go and provide invaluable PR for the Shrine. The Unit also thank Noble Don Middleton and Lady Colleen for the hospitality and lunch at their cottage following the parade at Clear Lake.

## Moosomin Shrine Club (cont.)

We had nearly 100% turnout of Nobles and Ladies for a farewell dinner honouring Noble Morgan Adam and Lady Betty, at the Uptown Hotel on July 16th. Morgan and Betty have moved to Saskatoon and our loss will be that city's gain. Morgan is a charter member of our club and was serving as secretary of our Masonic Lodge, as well as performing several parts of ritual work in a very proficient manner. Lady Betty was active in supporting Shrine projects and in attending Shrine events with Morgan. They will be missed! Noble Phil Hamm was MC and called on Nobles Les Gerhardt and Barrie Davidson for their input and they didn't disappoint! After some witty comments and jokes, Les noted that all four Nobles who had recorded an historic '8-ender' at a Shrine bonspiel were in attendance. Nobles Gerhardt, Adam, Don Osman and Al Cameron, who made up the fearsome-funsome-foursome posed for a photo amidst thunderous applause. Next, Noble Davidson performed an animated performance that brought him to his knees and the audience to hysterics. The noted thespian was at his comedic best! Noble Morgan gave an entertaining recap of his time in Moosomin, including memories of his first job, his early days as a pharmacist and his enjoyment of the Lodge and Shrine. An excellent prime rib dinner was enjoyed by all, and we wish Morgan and Betty 'all the best' in Toontown!

Our autumn project will take place at

the Conexus Convention Centre on October 2nd, when Eli Barsi and special guest Brad Johner will provide the entertainment. The concert will follow a supper, and we are delighted to once again have Carter Brown and his family in attendance! Carter, the western Canadian ambassador for the new Shriners' Hospital for Children in Montreal, will make a presentation.

Moosomin Shrine Club continues to attract new members and for that we thank our Moosomin Masonic Lodge for the tremendous work and mentoring of candidates for Masonry.

Summer is now half over and looking back our corps has been fairly active. We had five of our members go to Wynyard for their parade and carried the flags. We went on the bus with the Drum Corps. We also attended the annual parade at Regina Beach. We had nine of our Nobles marching and again carrying flags. Our ladies again came through with a nice potluck luncheon after the parade. The weather cooperated and it wasn't necessary to put up our tent.

We have also been in the sales business with Hot Dogs and Hamburgers on two different times and had very good sales. Noble Ken Eskdale has been active in selling Beef Jerky with sales at the Regina Farmers' Market.

In July we held our Annual Golf Tournament at Sherwood Forest and BBQ to follow. The weather cooperated and was beautiful and sunny. The BBQ was held at the Shrine Centre. We had 20 golfers and about 40 in attendance for the

BBQ. The winning team was Nobles Jeff Barker, Garth Haack, Eva Evans and Danette Strand.

We would like to give our respects to the family of Noble John Meen who passed away in February. John was an associate member and helped out with our Bingos and attended our social functions. We also must give our respects to the family of Norma Fraser -- John Meen's best friend who looked after him while he was ill. She also passed away just recently.

The Drill Corps is also making plans to go to the Mid West Session which is being held in Fargo. It will probably be the last one from some of us. Time marches on. We will be joined with the Divan for this Trip. It should be a good time.

It is with regret that I see the end of summer in sight. The mornings and evenings are cooling and some leaves are turning. With the winding down of summer the Drum Corps activities also wind down a little. Our next and last summer parade will be for the Duck Derby in Lumsden.

This summer the Drum Corps either as a unit or as individuals has been active with parades, performances, and appearances in many events. A short summary of some of our activities is as follows: Moose Jaw exhibition parade, Ceremonial, Cupar, Creelman, Medicine Hat, Midwest in Fargo, Canada days, The Odyssey Tour, the 911 trailer memorial tour, farmers market. Our Potentate, and other members of the Divan who happen to be Drum Corps members, represented the Drum Corp and Divan at many other functions. I am certain I have missed a few things but the above is an indication of our units involvement.

The highlight of the summer was the Dedication Ceremony of the new hospital in Montreal. WA WA was well represented. Among others from WA WA about a dozen Drum Corps nobles and wives attended the ceremony. The hospital is an amazing facility! We toured the building and every turn impressed us more. The spinal operating room in particular and the children's play areas were exceptional. We should all be very proud of the hospital. An entire article could easily be devoted to the opening ceremony and the hospital itself. I will leave that to someone else.

Our fall events include our Pasta Night Sept 25. Put it on your calendar. You don't want to miss it.

We have a great group of dedicated nobles and a wonderful group of ladies that support us in our endeavours and who always earn and deserve our sincere thanks. Thank you ladies.

Till Next time, Cheers

It is hard to believe that the summer has left us and at the time of this publication, we will be into the autumn of another successful year of Shrinedom. The Swift Current Shrine Club wishes to relay that all is healthy and wise in Speedy Creek but not wealthy.

Our motorcycle project under the direction of Noble Herb Butz appears to be another success. The club very much wants to thank all those Nobles from across the province for purchasing tickets and/or selling them. Valuable monies go into the coffers of WAWA Shrine Center as well as providing much needed assets to keep our club viable.

The clown and band patrols had a relatively quiet summer after a flourish of 100 year celebrations and homecomings over the past two years. Once again the highlights of our parades are our own Frontier Days Exhibition and the Medicine Hat Parade. The crowds at the Medicine Hat Stampede really know how to get into a parade. Special thanks are extended to the Medicine Hat Shrine Club for providing steak, corn on the cob

and all the fixing after the parade – **great hospitality.**

A very visible and valuable activity for our Shrine Club is our annual Kiddies Day parade. The club, in conjunction with the ACT/UCT organization and Stark and Marsh Accountants, provide hot dogs, drinks and ice cream for all participants and parents after the parade – great exposure for our Shrine Club. Special thanks are extended to Noble Biss Wiskar for spearheading this project.

Special thanks are extended to all Nobles and Ladies who worked the circus. Approximately 1900 people attended the circus – not bad for a population base of 40,000 people in the whole southwest. Numerous business (too many to list) make the circus a wonderful experience for kids of all ages. Congratulations to Noble Stu Larson for spearheading the circus provincially – he does a great job.

Remember – the Swift Current Shrine Club meets the 3<sup>rd</sup>. Wednesday of each month – do drop in.

On June 6, 2015, WA WA Shriners were proud to participate with the Wynyard Legion and the Town of Wynyard in a parade to celebrate the **70th Anniversary of the end of WWII.**

With 110 Shriners in attendance, it was very well received and left a lasting impression not only with the spectators but also on individual Shriners and their families.

The Regina Drum Corp and Drill Corp looked fantastic in their uniforms, the TBs and Director's Staff were great in their cars and saucers. Saskatoon's Drum & Bugle are an asset to any parade as well as the Motor Patrol and Classic Cars. I believe this has been the only parade where Noble Bob Keep has been able to go more than 100 yards. Noble Andy Anderson, the oldest clown in the world was at his best as were Noble Bruce Jardine, Noble Gerry and Lady Pearl Hodges.

Nobles on bikes from Battleford, Carrot River, Weyburn and Yorkton dazzled the crowd with their speed, agility and precision maneuvers. Wyn-El-Wa Shrine Club provided lunch and refreshments which was enjoyed by all.

Seven out of the 14 clubs were able to participate and all those attending felt it was a great success. It was very impressive to see such a large number of Shriners at one time. We have got to get together at least once a year in a manner such as this. It is good for the camaraderie, visibility, and a fun way to promote the Shrine in small towns and cities where membership is suffering. The Ceremonial will be held in Prince Albert next June 17-19 and **all Units are expected to attend**. No more excuses - get your equipment in shape and start planning now. **We have got to get visibility!**

## Ken's Safety Corner

As the air turns cooler and leaves drop from the trees, it's important to keep a few important fall safety tips in mind. With proper precautions and safety awareness, your family can enjoy that crisp autumn weather while avoiding some of the dangers that come with the season.

**Fire Safety Tips for Fall** When the weather turns cold most people spend more time inside their homes using fireplaces, furnaces, and heaters to keep warm. There's nothing quite as cozy as a fire, but it presents some safety hazards, always keep this in mind.

**Service Your Furnace** Before the cold autumn and winter weather sets in, be sure to call your heating and cooling company to service your furnace. A specialist should inspect the furnace to make sure everything is in working order and that there are no leaks.

**Use Fireplaces Safely** Keep that fire in its proper place by using a fireplace screen to keep sparks from flying out of the fireplace. Never leave a burning fire unattended, and make sure a fire in a fireplace is completely out before going to bed.

**Use Caution with Space Heaters** A space heater can be an effective way to warm up a chilly room, only use space heaters that are approved for this purpose. Always allow at least three feet of empty area around space heaters.

**Exercise Candle Caution** Candles are a great way to give a room that warm glow, but they can also cause fires. Never leave candles burning if you go out or go to sleep, and keep your candles away from pets and kids.

**Change Smoke Alarm Batteries** Change the batteries in your smoke alarms and carbon monoxide detectors on New Year's Day, choose your day and stick to it, mark it on the calendar. Make sure to check the alarms with the new batteries installed. Check and replace any home fire extinguishers that have expired.

### **Safety Tips for Fall Driving**

**Be Aware of Poor Visibility** Falling leaves, while beautiful, can obscure your vision, as can rain and fog. Shorter days are part of the fall season, making it more difficult to see children playing or people walking and riding bicycles. Be aware of limitations in your visibility, and slow down if you can't see well.

**Watch for Children** Children love to play in piles of leaves, so use extra caution where leaves are piled at curbside. In addition, the school bus will be making its rounds now that school is back in session. It's important to stay vigilant as a driver.

### **Safety Tips for Fall Boaters**

**Be Prepared for Changing Weather** Since fall weather can change quickly, you should always be prepared for possible cold, windy, and wet weather even if the sun is shining. Stay closer to shore, so you can turn back if the weather changes. Bring appropriate clothing, such as warm coats, rain gear, and gloves.

**Always Wear Life Jackets** Wearing your life jacket, while always a smart move, is even more important in the fall. If you should accidentally fall overboard, the cold water will quickly drain away your strength.

**Safely Enjoy the Beauty of the Season** By keeping these important fall safety tips in mind, you can be sure you are doing everything you can to protect yourself and your family from seasonal dangers. This will leave your mind free to enjoy the beauty of this glorious season.

# The Membership Corner

**All Nobles:** This is the time of year when we actively pursue our Master Masons to take another step - to the Shrine!!! Although this is an ongoing endeavour, our Initiation in June is our festive time of year. Although Shriners is a brotherhood, it has a family component. Many of the fraternity's activities are designed to involve family members, promoting our shared values and helping develop the next generation of community and business leaders.

## **It is the mission of WA WA Shriners to:**

- Be the premier fraternal organization for men of good character.
- Provide attractive, quality programs and services for its members, their families and their friends in a spirit of fun, fellowship and social camaraderie.
- Foster self-improvement through leadership, education, the perpetuation of moral values and community involvement.
- Serve mankind through the resources of its philanthropy, Shriners Hospitals for Children®

## **There are many benefits to becoming a Shriner.**

- Membership in a well-known fraternal organization recognized for its social and philanthropic activities.
- Opportunity to develop lasting relationships with like-minded men from all over the world.
- Engage in social activities and events that are available for the entire family. Participate in many special interest groups that allow like-minded men to enjoy a little high-spirited fun. Motorcycles, trap shooting, parades, golf, flying and sports cars are all examples of these types of groups.
- The privilege of supporting the "world's greatest philanthropy," Shriners Hospitals for Children®, offers Shriners many opportunities to find personal fulfillment and satisfaction. At the end of the day our goal is to support SHRINERS HOSPITALS FOR CHILDREN. Our new hospital in Montreal opens this year and we need to grow our philanthropy tenfold. Our only source of membership in the Shrine is Master Masons. Please start now to involve these individuals. If you need assistance with introducing a Master Mason to the Shrine, don't hesitate to contact me. Please give this your utmost consideration.

**Pre Authorized Membership Dues Payment Plan**

WA WA Temple has implemented an Automatic Dues Payment Program for annual membership dues. This program is being recommended and adopted by more and more temples throughout North America, as a method to reduce administrative costs and thereby keep our membership dues as low as possible.

If you already are having any utility bills or other bill payments being done by direct withdrawal from your bank account, then you are already familiar with this concept. For those of you who are not familiar with this process, the basics are that a noble will grant permission for the Temple to withdraw quarterly payments throughout the year and subsequent years, directly from a nobles bank account in order to pay for annual WA WA membership or PCM dues as stipulated in the Temple bylaws.

Members may enroll at any time during the year. Payments would commence in the first possible quarter (March, June, September, December) and the first payment would depend on the date enrolled. For example – assuming 2014 Member dues \$96.00 (as per Temple Bylaw's) .

| Noble Enrolls In    | Next Quarterly Cycle | Initial QTR Payment | Subsequent QTR Payments |
|---------------------|----------------------|---------------------|-------------------------|
| February            | March 31             | 27.00               | 27.00                   |
| May                 | June 30              | 54.00               | 27.00                   |
| August              | September 31         | 81.00               | 27.00                   |
| October to December | December 31          | 108.00              | 27.00                   |

Subsequent year's membership dues would be deducted on the last banking day of March, June, Sept, and Dec 31 at an amount equal to one quarter of the annual dues for the upcoming calendar year as per Temple Bylaws.

All electronic information is retained ONLY on the Bank of Nova Scotia secure website – no electronic banking information is maintained on any WA WA computer. The signed authorization forms will be stored in a safety deposit box at the Bank of Nova Scotia

To enroll in this plan, please sign the form at the end of this issue and return to the Recorder along with a voided cheque. If you no longer use cheques, your bank can supply you with a Pre Authorized Payment form that can be sent to us.

For those of you who are wondering why payments through credit cards are being discouraged, it is due to the fact that the administrative costs plus credit card processing costs far exceed the currently purposed method.

If you have any questions or concerns regarding this program, please do not hesitate to contact the Temple office at 306-569-2294.

**Shriner's International Bylaw 332.2 (a) which states:**

*"The annual dues in every temple shall be paid in advance"*

## MEMBERSHIP DUES

**Shriner's International Bylaw 332.2 (a) which states: "The annual dues in every temple shall be paid in advance before January 1st by all members."**

Nobles....I hope **"PLEASE"** this will get your attention and your serious consideration to conform to this issue of PAPP (Pre-authorized Payment Plan). This will be the procedure for new Nobles.

We are on track to modernize our accounting and remuneration for the betterment of our Temple and all the Nobility. To that end we are asking you to PLEASE sign the necessary documents so that your dues can be automatically paid throughout the year of your Membership. **YOU WON'T NOTICE THE PAIN OF PAYMENT!!!** This pre authorized payment plan I have personally used, and it's the only one the gets paid without penalties.
